## **Certificate Program in Operations Management and Logistics**

The certificate programs at Benedictine University are an excellent way to gain that competitive edge in your profession. Designed to meet the growing need for effective, cutting-edge management skills, our programs are always being updated to reflect current job market needs. Students deciding to continue in the Master of Business Administration (M.B.A.) program may be able to apply certificate credits to a degree program at a later date. Students seeking a certificate are provided an expedited admissions process. Students are required to submit a certificate program application as well as proof of baccalaureate degree conferral. Degree-seeking students are required to submit additional documents including but not limited to official transcripts from all colleges/universities previously attended.

Certificate programs are designed for a concentrated focus for professionals looking to expand their knowledge in a specific area or introduce themselves to the core M.B.A. curriculum. Courses may be taken in any quarter of the year, and up to 16 credit hours may be applied toward the M.B.A. degree for students who are accepted into the degree-seeking program. Courses must be completed at a grade point average of 3.0 or higher to apply toward the M.B.A. degree. Courses can be taken in the traditional evening/weekend, on-campus format or online, and may be applied to only one certificate. All students entering into a certificate program must schedule an advising appointment with the M.B.A. program director by calling (630) 829-6205.
