Innovating fitness programs for the disabled...

...thanks to an unexpected internship and the support of a teacher.

When graduate student Jennifer Green was looking for a challenging internship, her Clinical Exercise Physiology instructor turned her on to an organization that promotes physical activity for the disabled. That internship turned into a full-time job, and today Green is fast becoming an expert in the field, promoting healthy behaviors for people of all abilities.

Read the rest of Jennifer’s story at www.ben.edu/grad.
