He has universal appeal...

...but would rather be in class with a handful of students.

Benedictine University graduate students learn from leaders in their fields. Leaders like internationally-recognized professor Peter Sorensen, Ph.D., who was integral to the development of one of the country’s first master’s programs in Organization Development and the author of more than 200 articles, papers and books on the subject. Those in the know, know Dr. Sorensen.

Read the rest of Peter’s story at www.ben.edu/grad.
