

## Legacy Scholarship

The Legacy Scholarship provides a reduced tuition rate for alumni with multiple children attending Benedictine University over a consecutive six year period. Students must be enrolled in the traditional undergraduate program as a degree seeking student.

- The first child will pay the regular tuition rate with appropriate alumni and other eligible financial aid, if available.
- The second child will pay half the regular tuition rate and may also be eligible for other financial aid, if available.
- The third child will receive a full tuition scholarship to Benedictine University.

Each year, eligible students must complete all appropriate financial aid forms, including the Free Application for Federal Student Aid (FAFSA). Any federal and state awards must be applied to tuition only. Students must be continuously enrolled to graduation.
