The Marian University College of Osteopathic Medicine (MU-COM) has announced a program that will give Benedictine University pre-medical students opportunities for early acceptance into, or a guaranteed interview with, MU-COM.

“Marian University’s vision is to provide an education distinguished in its ability to prepare transformative leaders for service to the world. This program aims to attract a diverse group of students who have displayed academic excellence and a commitment to osteopathic medicine by offering multiple pathways toward admission to the Marian University College of Osteopathic Medicine.”

Amanda Wright, DO
Dean, Marian University College of Osteopathic Medicine

Three spots under each track will be reserved for Benedictine University undergraduates each year. Students will have two options toward acceptance:
