To Receive Credit: Benedictine University must receive an official transcript from the International Baccalaureate (IB) Program.

Please request a final and official transcript to be sent by the IB Office. <http://www.ibo.org/programmes/diploma-programme/assessment-and-exams/requesting-transcripts/> After evaluation of coursework, students will be notified as to the process to have the credit posted on your transcript. A nonrefundable posting fee of \$10 per credit hour will be charged to your account. International Baccalaureate (IB) awarded credit is part of the External Credit Program. A maximum of 30 credit hours earned through any one or combination of external credit programs may be applied with the approval of the University toward the 120 credit hours required for the bachelor's degree. *(For additional information please contact an advisor or see External Credit policy in University Catalog.)*
