

Reconsideration for Additional Financial Aid – Mission Fund Application

Mission Fund will assist students who are on their way toward earning a degree but encounter a hardship during their time at Benedictine University. A family emergency or unexpected expense can derail a student and limit their educational opportunity. The Mission Fund is in place to provide a safety net for students and ensure that they can continue with their education.

Students who have exhausted all financial aid options and have extenuating circumstances can submit a reconsideration appeal to the Office of Financial Aid.

The student must state in writing their extenuating situation in order to be considered for additional aid via the Mission Fund. Applications received without the appropriate information are considered incomplete and will not be reviewed.

A completed and submitted application is not a guarantee you will receive additional aid and it is dependent upon the availability of funding.
