

## **FINANCIAL POLICIES**

Benedictine University is a nonprofit corporation. Its endowment primarily consists of the contributed services of the Benedictine monks who teach at the University. The annual income from a student's fees covers only a portion of the cost of his or her education. Therefore, to meet its educational objective, and in fairness to all students, the University must insist on the following regulation: Financial arrangements must be made prior to the first day of the term.

### **Tuition and Fees**

Tuition and fees are incurred at the time of registration. Tuition is due in full within seven calendar days after the start of the first course in each term. Benedictine University has interest-free monthly payment plans through MyBenU for those students seeking arrangements to balance their tuition payments over an extended period of time.

Benedictine University sends bills electronically. Each month, a new statement of account is generated and posted to MyBenU. You will receive an email notifying you that a new statement is available. Please note that payments are expected by the due date regardless of whether a statement is received. If you are nearing a payment due date and cannot view your statement, please contact Student Accounts at (630) 829-6503 for assistance to determine the amount due. Students are encouraged to view their account information online using MyBenU.
