Benedictine University is accredited by The Higher Learning Commission.

Benedictine University has been granted regular degree and vocational licenses by the Arizona State Board for Private Postsecondary Education to offer programs in Arizona.

MISSION

Benedictine University is an inclusive academic community dedicated to teaching and learning, scholarship and service, truth and justice, as inspired by the Catholic intellectual tradition, the social teaching of the Church, and the principles of wisdom in “The Rule of St. Benedict.”

VISION

Benedictine University aspires to be a thought leader in Catholic higher education. We seek to provide a transformative and integrative educational experience grounded in Benedictine values, helping students shape lives of meaning and purpose as engaged citizens who care for the Earth, welcome people of diverse faiths and cultures, and promote the common good.

COMMITMENT

Benedictine University’s mission and vision reflect its Catholic and Benedictine identity, providing continuity with the past and a direction for the future.

In 1887, the monks of St. Procopius Abbey founded Benedictine University. They have been active sponsors of the institution throughout its history, first as St. Procopius College, later as Illinois Benedictine College and today as Benedictine University. The monks base their lives on “The Rule of St. Benedict,” written in the sixth century. They share the Benedictine charism with all who embrace the University’s Catholic and Benedictine mission.

Education at Benedictine University is rooted in values lived by Benedictine monks and sisters. These values are conveyed by the “Ten Benedictine Hallmarks” as formulated by the Association of Benedictine Colleges and Universities:

- Love: of Christ and neighbor;
- Prayer: a life marked by liturgy, lectio and mindfulness;
- Stability: commitment to the daily life of this place, its heritage and tradition;
- Conversatio: the way of formation and transformation;
- Obedience: a commitment to listening and consequent action;
- Discipline: a way toward learning and freedom;
- Humility: knowledge of self in relation to God, others and creation;

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
• Stewardship: responsible use of creation, culture and the arts;
• Hospitality: openness to the other; and
• Community: call to serve the common good.

Inspired by these hallmarks, and convinced of the harmony of faith and reason, Benedictine University cultivates virtues of intellect and character, encouraging people to study, listen and engage the ideas of a variety of persons, cultures and disciplines, while imparting “the love of learning and the desire for God” to guide a lifelong pursuit of knowledge and wisdom.

As a Catholic University, we are guided by the academic ideals presented in the Apostolic Constitution on Catholic Universities Ex corde Ecclesiae, including:
• A Christian inspiration not only of individuals but of the University community as such;
• A continuing reflection in light of the Catholic faith upon the growing treasury of human knowledge, to which we seek to contribute by our own research;
• Fidelity to the Christian message as it comes to us through the Church; and
• An institutional commitment to the service of the people of God and of the human family in their pilgrimage to the transcendent goal which gives meaning to life.

The University’s curriculum, policies and activities draw on the wisdom of the Church regarding ways to build a just society and live lives of holiness in the modern world. To that end, the University engages key themes of modern Catholic Social Teaching identified by the United States Conference of Catholic Bishops:
• Life and dignity of the human person;
• Call to family, community and participation;
• Rights and responsibilities;
• Option for the poor and vulnerable;
• The dignity of work and the rights of workers;
• Solidarity; and
• Care for God’s creation.

As a member of the Association of Benedictine Colleges and Universities, Benedictine University is committed to academic and professional excellence. We strive to promote the common good and to assist individuals to lead lives of balance, generosity and integrity. We reflect upon Gospel values as interpreted by “The Rule of St. Benedict” and therefore take seriously:
• The primacy of God and the things of God;
• Reverent listening for the varied ways in which God is revealed;
• The formation of community built on respect for individual persons who are each regarded as Christ himself;
• The development of a profound awareness of the meaning of one’s existence; and
• The exercise of good stewardship.
MOTTO

“Ut in omnibus glorificetur Deus” – That in all things God may be glorified.

NON-DISCRIMINATION POLICY

In administering its affairs, Benedictine University does not discriminate against any person on the basis of race, creed, color, national or ethnic origin, sex, age, disability, military or veteran status, marital status, citizenship or any other characteristic protected by applicable law. The laws applicable to Benedictine University include constitutional and statutory protections of the University’s rights as a religiously sponsored institution.

ACADEMIC REQUIREMENTS AND POLICIES

Rationale

The purpose of the following academic requirements, regulations and policies of Benedictine University is twofold:

1. To establish and secure an academic standard for all students that determines the value and quality of bachelor’s degrees for all graduates; and
2. To protect both the student’s and the University’s interests by ensuring maximum accuracy in all academic records.

Advisors are provided to assist in planning students’ academic programs. They are not authorized to change established policy of the University. The final responsibility for satisfying University and major requirements rests with the student.

Inquiry General Education Curriculum

At Benedictine University, our Inquiry General Education Curriculum is at the heart of all undergraduate degree programs. Required courses include two Interdisciplinary Seminars: IDS 201, 202, 203 or 204 Catholic and Benedictine Intellectual Traditions; and IDS 301, 302, 303 or 304 Human Dignity/The Common Good. Topics for these seminars will vary depending on faculty areas of expertise, but all sections of the seminars involve exploration of the relationships between areas of knowledge and of real-world ethical and intellectual challenges. IDS 201, 202, 203 and 204 are informed by the resources of the Catholic and Benedictine intellectual traditions and their hallmarks, which include valuing community, extending hospitality to all persons and promoting the exchange of ideas. IDS 301, 302, 303 and 304 are informed by the ideals related to these and other humanistic traditions that emphasize mutual responsibility, cooperation and respect. The seminars are designed and staffed by Benedictine University faculty across disciplines and curricula, ensuring that all undergraduates have the opportunity to learn and practice integrative skills that promote professional success and career flexibility.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
The Inquiry General Education Curriculum also requires all undergraduates complete a liberal arts-based system of curricular and co-curricular electives in areas representing multiple disciplinary approaches and modes of problem-solving. These Modes of Inquiry courses are designated by programs and departments as representing critical skill and knowledge areas for active and responsible citizenship and stewardship of the Earth, lifelong learning, global awareness, integrative knowledge and effective interpersonal communication. The curriculum includes coursework in the Arts and Humanities, Sciences and Social Sciences, as well as designated Global and Sustainability courses or other experiences.

**Goals of the Inquiry Curriculum**

1. Critical-thinking and Problem-solving
   a. Demonstrate critical-thinking and analysis.
   b. Identify, study and solve problems.
   c. Achieve computational skills and an ability to understand and interpret numerical data.
   d. Work cooperatively as a member of a team.

2. Communication
   a. Express concepts and ideas clearly, creatively and effectively in oral and written forms.
   b. Understand and interpret written, oral, visual and aural forms of communication.
   c. Demonstrate interpersonal communication skills consistent with effective academic discourse.

3. Information Fluency
   a. Navigate different information formats and media technologies to find pertinent information.
   b. Evaluate sources of information critically to conduct responsible research.
   c. Become an active, informed and creative user of established and emerging technologies.

4. Global Perspective
   a. Recognize the interdependence of peoples and nations, and understand the forces that connect and divide them.
   b. Understand the benefits of diversity of perspectives, abilities and cultures.
   c. Understand the relationship between language and culture, and communicate effectively and respectfully across cultural boundaries.
   d. Relate the person to community and the local to the global.

5. Social Responsibility
   a. Engage ethical problems thoughtfully and actively, and contribute to the work of peace and social justice.
   b. Understand conflict resolution processes.
   c. Practice stewardship of self and the environment, and understand the principles of wellness and sustainability.
   d. Develop the traits of good citizenship, and gain knowledge and skills necessary for civic engagement.

6. Personal Growth
   a. Develop intellectual curiosity and a desire for lifelong learning.

*The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.*
b. Strive for a life lived in balance.
c. Cultivate leadership skills.
d. Nurture the capacity for creative and artistic expression.

7. Breadth of Knowledge and Integrative Learning
   a. Use knowledge, theories and methods from the arts, humanities, natural sciences and social sciences to raise and address questions germane to those areas of study.
   b. Recognize relationships among different disciplinary approaches to the study of human cultures and the natural world.
   c. Integrate learning from different disciplines to illuminate intersecting topics of investigation.
   d. Explore connections between classroom knowledge and real-world experiences.

8. Catholic and Benedictine Traditions
   a. Understand the Catholic intellectual tradition: its philosophy, theology, practice, history and engagement with questions of our time.
   b. Understand “The Rule of St. Benedict” and the contributions of Benedictine monasticism to history, culture, spirituality and education.
   c. Show knowledge of how different religions and philosophies view the human person, spirituality and the divine.

Degree Status
Degree status is the recognition accorded a student who is formally admitted through the admissions process described in the section, “Admission to Benedictine University.” Any student who does not have degree status is designated a student-at-large. A student may receive only one bachelor’s degree from Benedictine University, but other majors for which requirements have been completed may be listed on the transcript.

Student-at-Large
A student-at-large (SAL) is either a full- or part-time student who does not have degree status and is ineligible for any financial assistance. The SAL is taking courses for his or her own enrichment and is not working toward a degree. Interested persons may contact the Office of the Registrar. All academic policies and institutional regulations apply to the SAL, except that the student is not identified with any class year. The SAL may later request admission to degree status through the formal admission process. Admission and acceptance of credits completed is subject to the discretionary approval of the University.

Courses taken as a SAL do not count toward the residency requirement if the SAL is later admitted to degree status. SAL credit may fulfill other graduation requirements with the approval of the program chair. Regardless of status, all courses taken for credit will become part of the student’s official record at Benedictine University. The graduation requirements a student must meet are those in effect at the time of admission to degree status, which may be different from those in effect during the SAL period. SAL status is not available to students denied regular admission to Benedictine, those who have recently been dropped by the University for poor scholarship, or those who have been dismissed from the last institution of attendance within the previous 12 months.
Second Baccalaureate Degree Program

This program is designed for persons who already have a bachelor’s degree in one area and would like to gain expertise in another. Students with a Benedictine University degree will not be eligible for this program.

Students interested in this program must apply for admission to the University and submit official transcripts from all colleges and universities in which they were previously enrolled. Students must complete all coursework on the second degree within seven years of admission to the program. Students must be enrolled in at least one course per term. Life experience credit, transfer and College Level Examination Program (CLEP) exam credit may be counted toward the program requirements, if appropriate, as determined by each department. However, at least 12 semester credit hours of 200-/300-level classroom courses must be completed at Benedictine University. Applicability of courses taken as a student-at-large prior to admission to the Second Baccalaureate Degree Program will be determined upon initial evaluation.

Dual Credit Policy

Benedictine University will articulate, with limitations, coursework completed in a dual credit or dual enrollment program while enrolled in high school if the course is transcribed as college or university level on a college transcript and meets the criteria set by the Transfer Credit Policy. Coursework with a potential to count toward basic skills or major requirements is subject to review by the appropriate department chair/program director and may not fulfill degree requirements. Coursework completed in this manner and deemed transferable will be posted on the transcript indicating completion prior to high school graduation.

External Credit Program

Benedictine University allows students to present various external programs for credit consideration. Credit awarded in the external credit program is subject to evaluation and must be submitted on official report documents. External credit in most cases will not fulfill co-curricular degree requirements (i.e. sustainable, global, etc.). External credit presented on another institution’s transcript will not be accepted in transfer – students must submit separate documentation to Benedictine University. Benedictine University reserves the right to apply posting fees to student accounts for credit awarded for external credit. External credit is not included in a student’s GPA calculation. Students must be enrolled in classes to post external credit. Unless otherwise specified, a student is allowed a maximum of 30 credit hours of external credit for degree consideration.

1. The Advanced Placement (AP) Program: AP exams are accepted in accordance with Benedictine University’s AP credit award program. Students are required to submit official score reports from College Board/AP for consideration and AP exams must have been taken prior to high school graduation. AP credit will not be awarded for any transcribed institutional credit. Benedictine University adopted a new AP award structure effective for the 2017-18 catalog – any students entering Benedictine University prior to summer 2017 will receive AP credit under the previous award program.

2. International Baccalaureate (IB): IB exams are accepted in accordance with Benedictine University’s IB credit award program. Students are required to submit official score reports from IB for
consideration and IB exams must have been taken prior to high school graduation. IB credit will not be awarded for any transcribed institutional credit.

3. College Level Examination Program (CLEP): CLEP exams are accepted in accordance with Benedictine University’s CLEP credit award program. Students are required to submit official score reports from CLEP for consideration. CLEP credit will not be awarded for any institutional transcribed credit. CLEP credit for major coursework must be approved in advance by an advisor.

4. Work/Life Experience Credit: Work/Life experience credit represents attainment through work or other non-academic experience that Benedictine University undergraduates obtain in the classroom. This credit must be attained with the same degree of competence in a subject area (grade of “C” or higher). Consideration for work/life experience must align with a course specifically described in Benedictine University’s catalog and may only be considered for students in the adult programs at Benedictine University.

5. Military Credit: Benedictine University accepts the following for consideration under the military credit program: Credit on a military transcript issued by any branch of the armed services; credit presented on a Joint Services Transcript (JST); credit for training courses and programs that have been evaluated by a national higher education associate such as ACE (American Council on Education) Military Guide Credit Recommendation; military training or experience that may be otherwise documented.

Summer Sessions
These sessions are offered to current Benedictine and visiting students. Interested visiting students should contact the Office of the Registrar to facilitate registration.

GRADUATION REQUIREMENTS

Bachelor’s Degrees

1. Inquiry General Education baccalaureate requirements:
   a. Skills Requirements:
      Unless a student can demonstrate proficiency, he/she must complete 12 semester credit hours in Basic Skills. A student must receive a “C” or better in each of these courses to meet this requirement. The Basic Skills courses and the ordinary methods of demonstrating proficiency are as follows:
      i. WRIT 101 Writing Colloquium: Academic Writing; WRIT 102 Research Writing; or by passing HRNS 190 and 191. If WRIT 101 is satisfied by AP Credit, credit in WRIT 104 is required.
      ii. Speech Communication
          Proficiency: by passing HNRS 191 or proficiency by examination.
      iii. Quantitative Skills: MATH 105, 108 or 110
          Proficiency: by earning CLEP credit in College Algebra; by demonstrating proficiency in MATH 105, 108 or 110 on the Math Proficiency Test; by passing MATH 111, 115, 170, or any 200- or 300-level math course.

   b. Interdisciplinary Seminars: 6 semester credit hours:
      The interdisciplinary seminars sequence consists of two courses, both of which are required of all undergraduates. Students seeking a second bachelor’s degree are only required to take one IDS 200-level seminar. Students must complete one from each of the following:
      IDS 201 WI Catholic and Benedictine Intellectual Traditions; or
      • IDS 202 WI, Catholic and Benedictine Intellectual Traditions: S designation; or
      • IDS 203 WI, Catholic and Benedictine Intellectual Traditions: G designation; or
      • IDS 204 WI, Catholic and Benedictine Intellectual Traditions: S and G designation.
      AND
      IDS 301 Human Dignity/Common Good or
      • IDS 302, Human Dignity/Common Good: S designation; or
      • IDS 303, Human Dignity/Common Good: G designation; or
      • IDS 304, Human Dignity/Common Good: S and G designation.

The interdisciplinary seminars provide an integrated, coherent experience to prepare students for a life of flexible learning and responsible inquiry. These courses require students to bridge disciplines, widen perspectives, discover connections and integrate knowledge. As part of the Inquiry General Education Curriculum, the interdisciplinary seminars address important general questions and unstructured problems that engage the themes of the Catholic and Benedictine Intellectual Traditions and of Human Dignity or the Common Good; sections designated S and/or G place these questions in the context of sustainability and/or global society. The interdisciplinary seminars provide students with an integrative liberal arts learning experience, advance the University’s essential learning goals and engage students in a better understanding of the Benedictine and Catholic hallmarks that inform our mission and identity.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
c. Theology requirement for incoming freshmen:
All incoming freshmen must complete the following: THEO 101(3) Theology of Love, THEO 102(3) Theology of Justice and THEO 103(3) Theology of Freedom.

d. Modes of Inquiry electives (as designated in this catalog):
Note: Transfer, Degree Completion and Adult Program students see below for exceptions to these requirements.

Modes of Inquiry electives must be chosen from the courses so designated in this catalog by Q codes as above. Departmental and disciplinary subjects (i.e. BIOL, ECON) do not necessarily correspond to Modes of Inquiry.

Courses required to meet state or national accreditation requirements may supersede institutional policies as approved by the department chair or college dean.

**Mode of Inquiry Requirements for Transfer and Adult Students**

- **Arts and Humanities:** Transfer students with more than 20 transferable semester credit hours must complete 15 semester credit hours in at least four of the required Modes of Inquiry in this area, one of which must be Theological/Religious (QRT). Adult students must complete 15 semester credit hours in at least four of the required Modes of Inquiry in this area.

- **Natural Sciences:** Transfer students with more than 20 transferable semester credit hours and adult students must complete 9 semester credit hours in at least two of the required Modes of Inquiry in this area, including at least one Life-Scientific (QLS) course and one Physical-Scientific (QPS) course.

- **Social Sciences:** Transfer and adult students must complete 6 semester credit hours as follows: 3 semester credit hours designated Social-Scientific I: Individuals, Organizations and Societies Mode of Inquiry (QIO); and 3 semester credit hours designated Social-Scientific II: Political, Global and Economic Systems Mode of Inquiry (QPE).

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
e. Writing Intensive (WI) courses:

WI courses are designed to emphasize writing process and writing development through a sequence of designated classes taken at different points in a student’s career at Benedictine University. All undergraduates are required to take three designated WI courses as follows:

i. IDS 201-204 WI Catholic and Benedictine Intellectual Traditions
ii. WI designated course in the major
iii. One additional WI designated course

Transfer students who have completed all of the Modes of Inquiry requirements (with the exception of the IDS seminars) will be exempt from the third WI course requirement but must complete IDS 201/202/203 or 204 WI and the required WI in the major.

Transfer students who have credit for the equivalent of the required WI course in the major will not be required to retake that WI course in the major but must complete IDS 201/202/203 or 204 WI and a second additional WI course of their choice.

Co-curricular requirements:
i. Global and Sustainability designated courses (one of each required);
ii. Learning Community and Engaged Learning designated courses or experiences (see below for details)

Global and Sustainability Courses:
Global and Sustainability courses and co-curricular experiences are designed to prepare students for active and responsible participation in global citizenship and stewardship of the Earth and its resources.

Global designated courses promote “an openness to being transformed by the other – be it an idea, a person or an experience.” People from disparate regions are recognized as having agency in a globalized world. The characteristically Benedictine openness to “the other” does not only mean openness to persons of different cultures, but to the cultures
themselves. Sustainability designated courses seek to foster awareness that we are part of a larger ecology and that the environment is a precious gift to be respected for the sake of all life forms.

All undergraduates are required to complete one course or graded co-curricular experience that carries a Global designation and one that carries a Sustainability designation. These courses may also fulfill other requirements as designated by the catalog. Some courses may be designated Sustainability or Global by class section rather than at the catalog level, so students should consult advisors and term schedules as well. Of the IDS Seminars, IDS 202 and 302 fulfill the Sustainability requirement, 203 and 303 fulfill the Global requirement, and 204 and 304 fulfill both the Sustainability and the Global requirements.

Some transfer courses are approved as meeting the Sustainability and Global designation criteria. Transfer students should consult with their academic advisor for details. Transfer Sustainability and Global courses must be approved as such by Benedictine University according to Transfer Articulation rules and guidelines.

Successfully completed study abroad experience (must be approved by Department of Languages and Literature faculty if transfer or external).

**Learning Community and Engaged Learning Requirements:**

All traditional undergraduates are required to complete one approved Learning Community and one approved Engaged Learning experience. Adult undergraduates are not required to complete the Learning Community requirement but must complete an Engaged Learning course or experience. Some approved transfer courses or experiences may fulfill these requirements.

Learning Communities are intentionally designed structures that encourage students to integrate what they are learning in their various studies, disciplines or experiences, and to connect with each other through ongoing social and project-based interaction. At Benedictine University, Learning Communities can be classroom, residential or experiential. Some Learning Communities are based in a single traditional class while others may require students, faculty and staff to study and travel off campus to work together in a linked group of classes, or to collaborate on projects outside the traditional academic environment. The common element in all of these options is the formation of working groups that practice effective shared learning, social organization and task completion.

Learning Community offerings typically vary by semester; see the Schedule of Classes for a given semester for details.

Engaged Learning experiences at Benedictine University can take a number of forms. An approved Engaged Learning might involve work in the larger campus community, a juried public performance or show of visual art or music, significant volunteer service, or an internship or professional project. The common element in all of these experiences is that the student must apply previously learned information, values and skills to a specific setting, and explore the connections between classroom knowledge and real-world

*The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.*
experiences. Engaged Learning experiences help prepare students for full participation in the world as accomplished community members and ethical professionals.

Some Engaged Learning experiences may be carried out as a component of a traditional course (for example, as part of a capstone in the major), but these Engaged Learning experiences must be at least 30 percent fieldwork, one-on-one research, real-world simulation, or a presentation of the student’s work to an audience broader than the Benedictine instructor evaluating the course outcome (e.g. formal performance, conference presentation, publication, etc.). Although Engaged Learning experiences may have things in common with some types of Learning Communities, and certain offerings may be approved as fulfilling both requirements, Engaged Learning experiences need not involve group activity. Non-course Engaged Learning offerings may vary by semester.

2. A student must earn 120 semester credit hours to qualify for graduation and must maintain a “C” average (2.000) in all Benedictine University coursework.
   • Courses with a number below 100 do not count toward the 120 semester credit hours required for graduation.
   • University-level courses completed to fulfill a condition of admission count toward the 120 semester credit-hour graduation requirement, but do not satisfy University core requirements.

3. Majors and minors:
   a. A student must select a major field of study before completing 60 semester credit hours, and must complete the requirements set forth in the Catalog under the heading for the selected major. Only courses in which a student has earned a “C” or better may be applied to the major requirement.
   b. A major field of study requires at least 36 semester credit hours, of which a minimum of 24 semester credit hours must be completed at the 200-level or above, of which at least 9 semester credit hours must be at the 300-level or above.
   c. Students are encouraged to supplement major and Modes of Inquiry programs with appropriate minors. The minor can be used to round out a program of study by complementing the required major. For example, a student who selects a major in a technical or professional area might select a minor in the liberal arts to gain additional analytical and communication skills and vice versa.
   d. A minor consists of at least 21 and no more than 30 semester credit hours of courses completed from the specified list for the minor program. At least 12 semester credit hours at the 200-level or above, including at least 3 semester credit hours at Benedictine at the 300-level, must also be completed. Only courses in which a student has received a grade of “C” or better may be applied to the minor. Any semester credit hours completed for a minor may be used to fulfill Modes of Inquiry or major requirements. Successfully completed minors are designated on the transcript following graduation.
   e. A concentration is a grouping of courses within a student’s major. This grouping consists of at least 12 semester credit hours of required or recommended courses designed to focus on a particular aspect of a major, and/or to focus on a particular career opportunity for graduates of that major.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
4. At least 54 of the 120 semester credit hours for graduation must be completed at a four-year regionally accredited college and at least 30 of the final 45 semester credit hours must be completed at Benedictine University, including at least 12 semester credit hours at the 200-level or above in the major. Courses completed at Benedictine prior to formal admission to degree status may not be used to fulfill this academic residency requirement. Such credit may fulfill other graduation requirements with the approval of the department and division chairpersons.

Note: Students who qualify for the Degree Completion Program and the Adult Undergraduate Program are exempted from the 45 semester credit hour academic residency requirement. See Degree Completion Program.

5. A maximum of 30 semester credit hours earned through any one or combination of external credit programs may be applied with the approval of the University toward the 120 semester credit hours required for the bachelor’s degree. These credits will not normally satisfy the academic residency requirement. The Petition for External Credit form may be found on the Office of the Registrar web page at ben.edu/registrar/upload/Petition-for-External-Credit-Updated-6-15-17-2.pdf.

   a. The Advanced Placement Program – Educational Testing Service (ETS) tests are offered to high school sophomores, juniors or seniors once a year and the scores are sent to Benedictine. Students who score a three, four or five are given credit in the appropriate course area.

   b. International Baccalaureate – Credit earned for courses in the International Baccalaureate (IB) Programme may be applied to certain major/minor requirements, general education requirements or to electives [as determined by faculty]. Scores of four or more on higher-level IB exams will be given credit in the appropriate course area.

   c. CLEP Tests – The College Level Examination Program (CLEP) gives students the opportunity to show that they have the knowledge necessary to gain course credit without actually taking the course. CLEP credits are not acceptable as transfer credits from other institutions, but evidence of CLEP scores will be evaluated for credit toward the Benedictine University degree. The applicant must submit an official copy of the grade report sent by ETS. CLEP tests should be taken in the freshman or sophomore year. Students may not receive CLEP credit in a subject area in which they have completed coursework. CLEP credit in major courses must be approved in advance by the department chair.

   d. Work/Life Experience Credit – Work/Life Experience credit represents attainment through work or other non-academic experiences, of the same degree of competence in a subject (of at least a “C” level) that University undergraduates obtain in the classroom. Application for Work/Life Experience credit must be for a course specifically described in the University Catalog.
e. Other External Credit – Benedictine University allows students to apply acceptable hours that have been earned through military experience and/or courses toward the 120 semester credit hours required for the bachelor’s degree.

6. A student may apply internship credit toward graduation credit as follows: Humanities, 12 semester credit hours; Business Programs, 12 semester credit hours; Nutrition, 12 semester credit hours; Sociology/Psychology, 6 semester credit hours; Computer Science, 12 semester credit hours.

7. Waivers of University or program requirements may be made for sound cause acceptable to the University when extenuating circumstances arise. Three graduation requirements which are never waived are the 120 semester credit hour minimum, the minimum GPA of 2.000, and the minimum credit hour residency. The student begins a request for a waiver by seeking the approval of his/her academic advisor. The number of additional approvals depends on the nature of the waiver.

8. A student must earn the recommendation of the faculty of his or her major program for graduation. Normally this recommendation is based upon fulfilling the program requirements, including a comprehensive examination or other integrating experience.

9. One must be in good standing and have settled all financial accounts with the University to qualify for graduation.

10. All incoming freshmen must complete the requirements for a Catholic Studies minor [requirements may be found on Page 77 of this catalog].

TRANSFER STUDENTS

Credits Transferred from Other Institutions
Credits to be transferred from other institutions are evaluated on the basis of their equivalent at Benedictine University. This determination is made by the Transfer Credit Evaluation and Articulation staff and, if needed, the appropriate department chair or program director. Transfer grades are not counted in the cumulative GPA earned at Benedictine University.

Quarter credit hours transferring from other institutions are converted to semester credit hours:

5 quarter credit hours = 3.33 semester credit hours
4 quarter credit hours = 2.67 semester credit hours
3 quarter credit hours = 2 semester credit hours
2 quarter credit hours = 1.33 semester credit hours
1 quarter credit hour = 0.67 semester credit hours

*The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.*
Transfer Credit Policy/Practice

Benedictine University accepts transfer course credit from regionally accredited colleges and universities if the courses are comparable in scope and level of difficulty to courses offered at Benedictine University. Other transfer courses that are commonly regarded as a study in the liberal arts are evaluated on an individual basis. Credit identified as developmental or pre-college in level of study may be used as a basis for placement and advising purposes but will not be accepted in transfer.

To be accepted in the major or minor area, or in Basic Skills, courses must have a grade of “C” or better. A grade of “D” or better is required in all other areas, except where program requirements specify otherwise. Grades earned at other schools are used to determine transferability of credit, but are not included in the Benedictine University cumulative GPA. Students cannot earn duplicate credit for repeated courses.

Acceptance of transfer credit to be applied to the major or minor area is determined by the appropriate academic department chair or program director. Requirements designated mission-specific or institutionally unique must be taken at Benedictine University. Courses taken prior to specific dates may be unacceptable as transfer credit because of substantial subsequent developments.

Benedictine University is a participant in the Illinois Articulation Initiative (IAI), a statewide agreement that allows transfer of completed Illinois transferable General Education Core Curriculum courses, and selected major courses, between participating institutions.

Credit for nontraditional experiences, including military education, will be considered based upon American Council on Education recommendations for each veteran’s previous education and training. Military education credit is considered as an external credit program. Transcripts will be requested from all prior institutions and training.

Credit from international institutions must be evaluated by Educational Perspectives in Chicago, Ill., or Educational Credential Evaluators Inc. in Milwaukee, Wis., before submitting to Benedictine University for review. Credit is subject to Benedictine University’s transfer credit evaluation criteria.

Inquiry General Education Curriculum Baccalaureate Requirements for Transfer Students

1. Transfer students with more than 20 transferable semester credit hours:
   a. WRIT 101, 102; SPCH 110 or equivalent, or proficiency; MATH 105, 108 or 110 or proficiency [a student must receive a “C” or better in each course to meet the requirement].

   b. Theology requirement for incoming transfer students:
      THEO 103(3) Theology of Freedom and either THEO 101(3) Theology of Love or THEO 102(3) Theology of Justice.
24

c. 15 semester credit hours in at least four of the following Modes of Inquiry as designated: Theological/Religious (QRT), Philosophical (QPL), Historical (QHT), Literary and Rhetorical (QLR) and Artistic and Creative (QCA), of which one course must be designated Theological/Religious Mode of Inquiry (QRT).

d. 9 semester credit hours in at least two of the following Modes of Inquiry as designated: Life-Scientific (QLS), Physical-Scientific (QPS), and Computational, Mathematical and Analytical (QCM).

e. 3 semester credit hours in the Social-Scientific I Mode of Inquiry (QIO).

f. 3 hours in the Social-Scientific II Mode of Inquiry (QPE).

g. One G-designated course or experience and one S-designated course or experience.

h. Writing Intensive (WI) Courses:
   WI courses are designed to emphasize writing process and writing development through a sequence of designated classes taken at different points in a student’s career at Benedictine University. All undergraduates are required to take three designated WI courses as follows:

   i. IDS 201 WI Catholic and Benedictine Intellectual Traditions
   ii. WI designated course in the major
   iii. One additional WI designated course

   Equivalent approved transfer courses, if taken prior to admission, may meet the above requirements. Any course taken to meet these requirements after admission to Benedictine University must be an Inquiry course (Skills or Modes of Inquiry) as designated in this catalog.

2. IDS 201 WI Catholic and Benedictine Intellectual Traditions, and IDS 301 Human Dignity/Common Good must both be taken at Benedictine University.

3. Transfer students who have completed all of the Modes of Inquiry (MI) requirements may be exempt from taking the third (non-major) WI course. Transfer students who have already taken a course in their major that is designated WI may be exempt from taking the corresponding MI course in the major.

4. Transfer students with 20 or fewer transferable semester credit hours or the equivalent of less than one full semester of transferable work will be responsible for taking or transferring all of the courses described on the Benedictine University Inquiry General Education Curriculum. IDS 201 WI Catholic and Benedictine Intellectual Traditions, and IDS 301 Human Dignity/Common Good must both be taken at Benedictine University.
DEGREE COMPLETION PROGRAM

Degree Completion Program
The University provides an exception to the normal academic residency requirement of 45 semester credit hours for students who are eligible for the Degree Completion Program (DCP).

A minimum of 15 of the 75+ transferable semester credit hours required for DCP status must be earned from a four-year regionally accredited college or university prior to the start of BenU coursework. The determination of DCP status is made prior to entry. Credit earned later will not be used to reclassify a student to DCP status.

Degree Completion Program students must:
1. Satisfy general entrance requirements;
2. Complete at least the last 30 semester credit hours of their undergraduate degree through coursework at Benedictine University as a degree-seeking student; and
3. Complete at least 12 semester credit hours of coursework at the 200-level or above in their major field at Benedictine University.

DCP students may receive credit and/or waiver of course requirements through examination and experiential learning assessment, but these credits will not normally be part of the final 30 semester credit hours.

Adult Accelerated Undergraduate Program
The University provides an exception to the normal academic residency requirement of 45 semester credit hours for students who are enrolled in the Adult Accelerated Undergraduate Program.

Adult Accelerated Undergraduate Program students must:
1. Satisfy general entrance requirements;
2. Complete at least the last 30 semester credit hours of their undergraduate degree through coursework at Benedictine University as a degree-seeking student; and
3. Complete at least 12 semester credit hours of coursework at the 200-level or above in their major field at Benedictine University.

Adult Accelerated Undergraduate Program students may receive credit and/or waiver of course requirements through examination and experiential learning assessment, but these credits will not normally be part of the final 30 semester credit hours.

Inquiry General Education Requirements for Adult Undergraduates

1. WRIT 101, 102; SPCH 110 or equivalent, or proficiency; MATH 105, 108 or 110, or proficiency (a student must receive a “C” or better in each course to meet the requirement).

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
2. Theology requirement for incoming adult program students:
   All incoming freshmen must complete THEO 103(3) Theology of Freedom and
   either THEO 101(3) Theology of Love or THEO 102(3) Theology of Justice.

3. 15 semester credit hours in at least four of the following Modes of Inquiry as
designated: Theological/Religious (QRT), Philosophical (QPL), Historical (QHT), Literary
and Rhetorical (QLR) and Artistic and Creative (QCA).

4. 9 semester credit hours in at least two of the following Modes of Inquiry as designated:
Life-Scientific (QLS), Physical-Scientific (QPS), and Computational, Mathematical and
Analytical (QCM).

5. 3 semester credit hours in the Social-Scientific I Mode of Inquiry (QIO).

6. 3 semester credit hours in the Social-Scientific II Mode of Inquiry (QPE).

7. One G-designated course or experience and one S-designated course or experience.

8. Writing Intensive (WI) courses:
   WI courses are designed to emphasize writing process and writing development
   through a sequence of designated classes taken at different points in a student’s career
   at Benedictine University. All undergraduates are required to take three designated WI
courses as follows:

   i. IDS 201 WI Catholic and Benedictine Intellectual Traditions
   ii. WI designated course in the major
   iii. One additional WI designated course

   Equivalent approved transfer courses, if taken prior to admission, may meet the above
requirements. Any course taken to meet these requirements after admission to
Benedictine University must be an Inquiry course (Skills or Mode of Inquiry) as
designated in this catalog.

9. IDS 201, 202, 203 or 204 WI Catholic and Benedictine Intellectual Traditions, and IDS
301, 302, 303 or 304 Human Dignity/Common Good must both be taken at
Benedictine University.

Second Major Program
This program is designed for people who already have a baccalaureate degree in one area and would
like to gain expertise in another. The primary benefit of this program is that the focus is on the
requirements of the major, allowing students to concentrate on courses that will be most beneficial.
The entrance requirement is a bachelor’s degree from an accredited four-year university. Please note
that financial aid is not available to students who are completing a second major. A certificate will be
awarded upon completion. For those who have earned a degree from Benedictine University, some
stipulations may apply.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate
Catalog and is valid until August 1, 2018.
Second Major Program students must:

1. Submit an application and official transcript indicating completion of a bachelor’s degree from an accredited four-year college in a major different from the new one being sought;

2. Select one of the University’s major programs and complete all requirements for that major (all major coursework must be completed with a grade of “C” or better) as listed in the University Catalog which is in effect at the time of admission to the program. (If a student enters the program the first semester after graduation from Benedictine University, then the requirements in effect will be those in the University Catalog of the original term of entry);

3. Enroll for at least one course in the major each semester or have a valid Leave of Absence form on file; and

4. Complete all work on the second major within seven years of admission to the program.

Life experience credit, transfer and CLEP exam credit may be counted toward the program requirements, if appropriate, as determined by each department. However, at least 12 semester credit hours of 200/300-level classroom courses must be completed at Benedictine University.

Applicability of courses taken as a student-at-large prior to admission to the Second Major Program will be determined upon initial evaluation.

Courses taken in the Second Major Program are applicable to a second bachelor’s degree for graduates of other colleges. Those courses will also be counted toward the second degree’s residency requirement.

Upon completion of required coursework of the program, a notation on the transcript will be made that all requirements for a second major have been met.

**Institutional Requirements for Pre-Baccalaureate Certificate**

A certificate consists of at least 12 semester credit hours of designated coursework completed at Benedictine University. Additional requirements may exist at the discretion of the hosting department or program. Only courses in which a student has received a grade of “C” or better may be applied to a certificate. Any credit completed for a certificate may be applied to fulfill core, major or minor requirements. Certificate programs are designed for non-degree seeking students and certificate program students are not eligible for financial aid.

**GENERAL POLICIES**

**Semester Credit Hours**

The academic year is divided into two semesters from September through December and January through May.

*The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.*
Courses taught in the standard delivery method:
1 semester credit hour is counted for each clock hour of class or lecture time – or each two or three clock hours of laboratory or studio work – per week during the semester. A 3 semester credit hour lecture course, for example, meets three hours per week over 15 weeks.

Courses taught in the accelerated delivery, online/blended delivery or other non-standard format:
1 semester credit hour consists of not less than 38 hours of instruction, individual learning activities (such as pre-course assignments, course assignments, preparation time) and team-based collaborative learning activities. Completion of graded outcomes that measure student achievement of learning objectives are comparable to those achieved via the standard delivery method.

Student Classification
The classification of students is determined at the beginning of each semester according to the number of credit hours completed, as follows:

Freshmen: Less than 30 semester credit hours
Sophomores: 30 to 59.99 semester credit hours
Juniors: 60 to 89.99 semester credit hours
Seniors: 90 or more semester credit hours

Since students progress toward the completion of degree requirements at different rates, the classification will not necessarily coincide with a student’s class year.

Course Loads
A full-time student is registered for a minimum of 12 semester credit hours. The normal course load is 15 semester credit hours per semester. No student may register for more than 18 hours of credit per semester without the permission of the faculty advisor, as follows:

Part-time academic status: 1-11.99 semester credit hours
Full-time academic status: 12-18 semester credit hours
Full-time academic status + Overload: 18.01 or greater semester credit hours (additional tuition fee is assessed)

IMPORTANT NOTE: Above are BenU policies for academic status. The Office of Financial Aid may use different status levels based on specific financial aid policies.

Advising
At Benedictine University, academic advising is grounded in Benedictine values and the University mission. It is an interactive process between the advisor and student and is supported by technology. The goal is to promote each student’s academic, career and personal development.

Faculty and staff are committed to creating a decision-making framework through which students can identify and realize their educational goals. Although academic advising is a collaborative function of both student and advisor, the final responsibility for satisfying University and major requirements rests with the student.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
The student actively participates in the educational decision-making process.

Students will:
- Become knowledgeable of all the University’s academic requirements, policies and procedures.
- Develop and maintain a plan for a course of study.
- Keep an accurate record of academic activities and documents.
- Value the role of the advisor by preparing for and keeping advising appointments.
- Initiate and maintain open and honest communication with the advisor.
- Access additional University resources to facilitate the decision-making process.

The advisor listens to and guides the student through the educational decision-making process.

Advisors will:
- Foster the student’s sense of responsibility for his/her academic progress.
- Help the student obtain accurate information about educational and career options, academic requirements, policies and procedures.
- Help the student plan and monitor an educational program consistent with individual interests and abilities.
- Assist the student in maintaining an accurate record of course registrations and completions.
- Be available on a scheduled basis for academic consultation and advice.
- Refer the student to appropriate University resources.

Approval to withdraw from a course or to change registration in any way can be processed through MyBenU. Not attending class does not constitute a legitimate withdrawal. A student may withdraw from a course before completion of four-fifths of the course by using MyBenU. For reasons of a compelling personal nature, a student may request a course withdrawal after the completion of four-fifths of the course. A written statement from the student, including supporting documentation, must be submitted to the Office of the Registrar to justify this late course withdrawal and will then be presented to the Appeals Committee for a determination. Appeals should be submitted within a timely manner for a request for a late withdrawal.

**Repetition of Courses**
For courses taken at Benedictine University, undergraduate students, both degree-seeking and students-at-large, may repeat a course in which they received grades of “W,” “D” or “F” no more than two times. Students may not repeat any course in which they receive a grade of “C” or better. When a course is repeated for credit, the earlier earned grade remains on the student’s permanent record and will appear on all transcripts. Only the last enrollment and earned grade will be used in computing the cumulative GPA and awarding of credit. If a student wishes to repeat a course originally taken at Benedictine University and in which an earned grade was received, the repeat must be a course at Benedictine University. A repeat may not be by independent study or by study at another institution. The Academic Standing Committee may provide exceptions to this policy. An earned grade is a grade of “A,” “B,” “C,” “D” and “F.”
Students who have graduated may not repeat a course for credit in which they earned a grade of “A,” “B,” “C” or “D” previously. A student who has graduated may only audit a course in which they previously earned credit.

**Community College Credit Policy**

Undergraduates with junior or senior standing (60 or more semester credit hours earned) will not be eligible to transfer community college course credit back to Benedictine University. Credit from accredited four-year institutions is not affected, nor is coursework required, by special agreements such as 2+2 or 2+3 programs. Students enrolled in 3+1 undergraduate baccalaureate completion programs are exempt from this policy.

**Exceptions to the Community College Credit Policy:**

An undergraduate student who is 15 or fewer semester credit hours from degree completion may petition to complete no more than 6-8 of those hours (two courses, including any labs or co-requirements) through eligible community college credit under the following conditions:

1. The student’s major advisor and chair of the major department both support the request in writing, with rationale and approval of specific transfer courses to complete the requirement(s),

   **AND**

2. All other degree requirements have been met or are currently in progress, as demonstrated by current transcript and records;

   **AND** one of the following:

   3a. The requirements represented by the course(s) are not available in any format at or from the student’s home campus for a full term (relative to the student’s usual academic calendar, i.e. semester, quarter, etc.) following the planned degree completion date, thus delaying degree completion for two full terms;

   **OR**

   3b. The requirements represented by the course(s) are not available in any format at or from the student’s home campus prior to the student’s planned graduation date (as applied for and audited), and the student provides documentation establishing that failure to complete the degree by that date will result in loss of secured employment, promotion or professional certification already in progress;

   **OR**

   3c. The student’s permanent place of residence (as established by FAFSA, tax records or other proof of long-term residency) is more than 100 miles from the home campus;

   **OR**

   3d. The student’s place of residence has been relocated as a consequence of active military service.

Any student who wishes to apply for such an exception is to file a Community College Completion Credit Application Form. As part of completing this form, the student must provide clear course equivalencies and indicate which of the above exceptions apply, and append any required documentation. The form must also be signed by the student’s academic advisor and approved by the chair or director of the program from which the student is seeking a degree. The completed form must be submitted and approved by the dean before any relevant credit is posted to the student’s transcript. If such a request is approved, all other Benedictine University policies relevant to transfer
Grades and Reports
The student's final grade is determined by the instructor. The system of grading is as follows (quality points are in parenthesis):

A — Excellent (4.000) W — Withdrawal*
B — Good (3.000) P — Pass*
C — Satisfactory (2.000) X — Deferred*
D — Passing (1.000) IP — In Progress*
F — Failure (0.000) AUD — Audit*
I — Incomplete*

*Note: The grades are not calculated in academic GPA.

Academic grade reports for all students are available upon completion of each course through MyBenU. A change of grade is permitted only for clerical errors. Grade appeals must be initiated before the end of one semester after the course in question has been completed. The final grade is recorded on the permanent record.

A course is considered to be successfully completed if a grade of "A," "B" or "C" is achieved. The GPA used for all purposes at Benedictine University, including graduation honors, the Dean’s List and the Dean’s Recognition List is based only upon courses taken at Benedictine University.

A grade of "I" may be requested by a student for a course in which he or she is doing satisfactory work, but due to illness or other circumstances beyond the student's control (as determined by the instructor), cannot complete the required work by the end of the semester. To qualify for the grade, a student must have satisfactory academic standing, be doing at least "C" work in the class, and submit a written request with a plan for completion approved by the instructor stating the reason for the delay in completing the work. Arrangements for this "I" grade must be made prior to the final examination. One may not receive an "Incomplete" in a semester in which he or she is already on academic probation.

An "I" is a temporary grade. Failure to complete the coursework and obtain a final grade within 180 days from the end of the term in which the "I" was received will result in the "I" automatically becoming an "F" grade.

A grade of "W" is recorded to indicate that a student has withdrawn from a course. The student may continue to attend the class (without credit) to the end of the term, except for labs, with the instructor's approval.

A grade of "IP" is recorded to indicate that the course is in progress when the term in which the course has been scheduled ends. The "IP" grade will be replaced when the course ends and the permanent grade is earned.
The **Audit (AUD) grade designation** indicates that a student has registered for a course and was eligible to attend class sessions. Auditing a course does not necessarily reflect participation, nor does it indicate anything regarding completion of assignments. Auditors are entitled to participate in class activities to the extent the instructor permits.

Audit registration requires the approval of the instructor. **A student may not change from credit to audit or audit to credit after the end of the add/drop period.** If a course has stated enrollment limits, students taking the course for credit will be enrolled before students auditing the course. Lab courses may not be taken as an audit.

When an Audit (AUD) grade designation is posted on the transcript, it cannot be changed to a letter grade. Audited courses are not available for later credit or proficiency by examination.

**Official Transcripts**

A student may order official transcripts through [Parchment.com](https://exchange.parchment.com/send/adds/index.php?main_page=login&s_id=nsPw5iKSqbS09e1O). Official transcripts will contain information regarding final official grades for courses and are always posted three days after the end of a term.

Independent Study Courses

Requests for an independent study must be first submitted through the student’s advisor. Formal requests are submitted to the Office of the Registrar with approvals from the department head and course instructor. Timelines for completion are the same under a traditional undergraduate semester. Communications between the faculty member and student who has requested the independent study are determined prior to the start of the independent study and are to be followed as indicated in the formal request submitted to the Office of the Registrar. Official copies of the request and the syllabus for the course will be kept in a student’s permanent file.

Add/Drop Policy

For traditional program courses, students have until the end of the first week of classes to add or drop a course. After that point, a student can withdraw with a grade of “W” from a class up to the end of the 11th week of classes for a 14-week course (or the end of the seventh week for an eight-week class).

For fully online courses, a student has until Thursday (at 11:59 p.m.) of the first week of the class to add or drop a course.

For adult program courses, a student has until the day before the second class meeting to add or drop a course. After that period, a student can withdraw, with a grade of “W,” up to 80 percent of the course. Please refer to the course syllabus for details.

**Grade Appeal Policy**

The purpose of the Grade Appeal Policy is to establish a consistent procedure by which students may seek review of final grades assigned in courses at Benedictine University. Grades other than final course grades may not be appealed. The policy recognizes the right and responsibility of faculty

*The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.*
members to exercise their professional judgment in evaluating academic performance and the right of students to have their academic performance judged in a fair and impartial manner.

**Grade Appeal Process**
First, discuss the incident with the faculty member; bring forward any facts or circumstances that might be pertinent to the faculty member’s evaluation and decision.

If not satisfied with the outcome, either the student or the faculty member may seek consultation with the department chair/program director, college dean and finally the vice president for Academic Affairs, in that order.

**Grounds for Appeal**
A student may appeal a final course grade only on the grounds that:
1. The grade was assigned based on a miscalculation or clerical error;
2. The grading standards for the course were not clearly articulated by the instructor in the syllabus, or the grade was assigned in a manner inconsistent with articulated standards.

At all levels of review, the burden of demonstrating that a grade should be changed rests with the student. The deadline for submission of any grade appeal is the end of the semester following the term in which the grade was originally received.

**Academic Accommodation for Religious Observance**
A student whose religious obligation conflicts with a course requirement may request an academic accommodation from the instructor. Students must make such requests in writing by the end of the first week of the class. Upon receiving such a request, the instructor will offer reasonable academic accommodations, whenever feasible, and communicate this to the student. However, the course requirements listed in the syllabus remain in effect if accommodations cannot be offered.

**Academic Honesty Policy**
The search for truth and the dissemination of knowledge are the central missions of a university. Benedictine University pursues these missions in an environment guided by our Roman Catholic tradition and our Benedictine heritage.

Integrity and honesty are therefore expected of all University students. Actions such as cheating, plagiarism, collusion, fabrication, forgery, falsification, destruction, multiple submission, solicitation and misrepresentation are violations of these expectations and constitute unacceptable behavior in the University community.

To access the complete Academic Honesty Policy, which includes student responsibility, responsibility and authority of faculty, violations, reporting and communicating, responsibilities of the provost, appeals, composition of the academic appeals board, procedures of the academic appeals board and records, please visit ben.edu/ahp.
Administrative Drop Policy

**Drop for Non-Attendance:** Undergraduate students may be dropped from a class for non-attendance by a departmental administrative drop by the end of the first week of the class. The primary intent of the Administrative Drop Policy is to ensure full enrollment in classes in which demand for seats exceeds supply. The purpose is to free seats held by non-attending students in such classes so that students who wish to take the class may be able to do so.

Classes offered through the School of Graduate, Adult and Professional Education are not impacted by the Administrative Drop Policy.

Quality Point System

Final grades in each course are converted to quality points according to the following schedule: A grade of “A” in a course is converted to four quality points for each semester credit hour. Thus in a 3 semester credit hour course, an “A” is worth 12 quality points; a grade of “B” is worth three quality points per credit hour; a grade of “C” is worth two quality points per credit hour; a grade of “D” is worth one quality point per credit hour; other grades receive no quality points. The quality point or GPA is computed by dividing the total number of quality points earned at Benedictine University by the total number of credit hours attempted at Benedictine University.

Dean’s List and Dean’s Recognition List

The Dean’s List is computed and published once each semester. To qualify, a student must be enrolled full time and must have at least a 3.500 semester average with a grade of at least “C” in each course and must not have received any “I” or “X” grades. The Dean’s Recognition List is also computed and published once each semester. To qualify, a student must be enrolled for a minimum of 3 semester credit hours, must have at least a 3.500 semester average with a grade of at least “C” in each course and must not have received any “I” or “X” grades.

*Note: The Dean’s Recognition List is intended for students who are not enrolled full time.*

Student Academic Standing

Satisfactory academic standing for all students is a 2.000 cumulative GPA as determined at the end of each semester (or other designated grading period). Students who do not achieve satisfactory academic standing will be placed on academic probation or dismissed for poor scholarship.

Probation and Dismissal

Students are required to maintain satisfactory academic standing during their University careers. If a student fails to achieve satisfactory academic standing at the end of a semester (a cumulative GPA of 2.000), that student will either be placed on academic probation during the following semester (if the term GPA was at least 1.000), or will be dismissed for poor scholarship (if the term GPA was below 1.000). If a student fails to achieve satisfactory academic standing at the end of the probationary period, the student is dismissed from enrollment because of poor scholarship.

Any student dismissed for poor scholarship may submit an appeal to the Committee on Academic Standing seeking a one-semester reinstatement. Criteria that the Committee on Academic Standing will consider include:

*The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.*
In the event that the Committee on Academic Standing is unable to approve the appeal for extension of the probationary period, the student’s enrollment will be terminated for poor scholarship. Such a student may be readmitted at a later time for enrollment, provided evidence is presented which in the judgment of the University indicates that there is improved potential for academic success. The period of dismissal will be for a minimum of two academic semesters. Academic semesters are fall or spring semesters and do not include summer school or interim sessions.

All probation and dismissal policies apply in the same way to part-time and full-time students.

Policy for Traditional Undergraduate Students to Enroll in Adult Accelerated General Education (AAGE) Classes

- A student must have advisor approval.
- A student must have a cumulative GPA of 2.750 or higher. As a result, traditional program undergraduate students in their first term of enrollment at Benedictine are not eligible to enroll.
- A student may register for only one AAGE class in a term [terms are the fall, spring and summer semesters]. No study skills courses permitted.
- Enrollment is permitted in all terms with a priority of students enrolling in traditional courses if academic and work schedules allow.
- This policy takes effect on February 1, 2017. This policy does not apply to undergraduate students 22 years of age or older with two or more years of full-time work experience.

Academic Amnesty Policy

Students who have left the University with a cumulative GPA of less than 2.000 may have the option to re-enter under the academic amnesty policy. The conditions for re-admission under amnesty include:

1. An absence of at least five years from the last term in attendance and
2. Approval by the Admissions Committee which will require an interview and a written personal history. Intervening transfer coursework must be at least at the 2.000 GPA level.

The implications of readmission under academic amnesty are:

1. The new Benedictine University cumulative GPA will be calculated based only on courses taken subsequent to re-entry. All courses taken and grades earned previously will appear as a separate entity on the transcript;
2. Academic probation will be a condition of admission;

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
3. “Re-entry Under Amnesty” will appear in the “Remarks” section of the transcript;
4. Amnesty may be used only once by a student;
5. Students must earn a minimum of 30 semester credit hours after re-entry to be eligible for graduation;
6. Graduation honors eligibility will be based on grades after re-entry amnesty; and
7. The Catalog of re-entry will be followed for graduation requirements.

Withdrawal from the University
A student who wishes to withdraw from the University during the semester begins by contacting the associate vice president for Student Life. A student who plans to return within two full academic years should complete the Leave of Absence Form. (See the Student Leave of Absence section.) A student who does not intend to return to Benedictine University must complete the Withdrawal Form. An exit interview is required as part of the withdrawal process.

If the student has not applied for a leave of absence and later decides to return, an application must be made through the Office of Admissions. The student’s record will be re-evaluated and the student is responsible for completing all new graduation requirements according to the University Catalog in effect at the time of re-admission.

The amount of financial credit for withdrawal from all courses during the semester is determined by the date the student successfully completes the drop in MyBenU; or the date the completed Add/Drop or Withdrawal Form is received by the University. See the Tuition Refund Timetable for timeframes and refund percentages.

Students receiving financial aid of any kind must also consult Student Accounts or the Office of Financial Aid.

Student Leave of Absence
Any full- or part-time traditional student in satisfactory academic standing who must interrupt a degree program may apply to the associate vice president for Student Life for a leave of absence for two full academic years or four consecutive semesters (not including summer terms). The student’s files will remain active both in the Office of the Registrar and with the academic advisor for the period of time requested. At the end of the leave of absence period, the student must notify the registrar and/or academic advisor of his or her intention to register. (Application through Admissions is not required.) The student on leave may take advantage of early registration along with regularly enrolled students. A student on leave does not qualify for special monetary loans or grants or other special arrangements which presuppose the status of a regular student.

Student Deactivation Policy
Any matriculated undergraduate student who fails to register for classes for any three full consecutive terms including summer term without executing a Leave of Absence will have his/her Benedictine academic record converted to “inactive” status. When/if a deactivated student plans to return to the University and continue academic study, he/she must first contact the Office of Admissions and apply for re-admission. Once re-admitted, the student record will be placed back in an “active” status.
Application for Graduation
Students must apply to the Office of the Registrar for graduation by the following dates: by January for August graduation; by March for December graduation; by October for May graduation. See the current academic calendar for specific deadline dates.

Participation in Graduation
Students are allowed to participate in only one graduation ceremony. Benedictine University Mesa holds only one ceremony per year in May. Participation in the ceremony is determined by the student’s conferral date on the formal application for graduation. Students who are receiving degrees in December of the previous year through August of the following year participate in the May graduation within that academic year. See below for a table of conferral dates and the corresponding graduation ceremony a student may participate in.

Graduation Honors
Graduation honors are determined on the basis of coursework completed only at Benedictine University. Eligibility for graduation honors is contingent upon completion of the following specified undergraduate credit hours (excluding external credit hours), and achieved cumulative GPAs.

With completion of 30-54.99 undergraduate credit hours (for those in the Degree Completion Program (DCP) and achievement of the following cumulative GPA, this graduation honor is awarded:

- 3.500 to 4.000 With Honors

With completion of at least 55 undergraduate credit hours, and achievement of the following cumulative GPAs, these graduation honors are awarded:

- 3.900 to 4.000 Summa Cum Laude
- 3.750 to 3.899 Magna Cum Laude
- 3.500 to 3.749 Cum Laude

Student Records and Disclosures

Annual Notice to Students
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
1. The right to inspect and review your education records within a reasonable time after Benedictine University receives a request for access. If you wish to review your record, contact the Office of the Registrar or the University office that maintains the record to make arrangements. You are required to submit your requests in writing and identify the record(s) you wish to inspect.

2. The right to request an amendment of your education record if you believe it is inaccurate or misleading. If you feel there is an error in your record, you should submit a statement to the University official responsible for the record clearly identifying the part of the record you want changed and why you believe it is inaccurate or misleading. That office will notify you of their decision and advise you regarding appropriate steps if you do not agree with the decision.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. This includes any University faculty or staff employee (including the University Police Department) acting within the scope of his or her University employment and with appropriate supervisory authority; any individual or entity with whom the University has contracted as its agent to provide a service to the University when acting within the scope of the contract or agency and who is subject to appropriate confidentiality requirements; any member of the University’s Board of Trustees; any student serving on an official committee, such as a disciplinary or grievance committee; and any student assisting a University official in performing tasks for which the University official may have access. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-5901.

Benedictine University’s policy is to not release student record information without the expressed consent of the student. There are, however, some exceptions. For example, directory information may be released without the student’s consent and includes the following: name, address, telephone number, major and minor fields of study; participation in officially recognized activities and sports, dates of attendance, degrees and awards received; most recent education institution attended; full-time/part-time enrollment status; and photo. The University also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

In compliance with the Solomon Amendment, directory information is provided to the United States Department of Defense, upon request.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
You may withhold disclosure of directory information by completing the “FERPA Non-Disclosure of Designated Directory Information” form available in the Office of the Registrar within ten (10) calendar days of the first scheduled class day of each fall term. A request to withhold disclosure of directory information is effective for one academic year only and must be renewed each year.

The University may also disclose student account and financial aid information without the student’s consent to the student’s parents if the parent requests the information in writing; completes the Parent Certification section of the Authorization for Release of Confidential Information to Parents; and provides evidence that the student is his or her dependent for federal income tax purposes. The University may also disclose information to a parent if there is a health or safety emergency involving their son or daughter, or if their son or daughter is under the age of 21 and has violated a federal, state or local law or any University rule or policy concerning the use or possession of alcohol or a controlled substance.

Upon written request, the University will disclose, to the alleged victim of a crime of violence or a nonforcible sex offense, or to the alleged victim’s next of kin (if the victim dies as a result of the crime or offense), the final results of any institutional disciplinary proceeding dealing with that crime or offense.

University Promotional Photos/Videos
Benedictine University and its representatives on occasion, take photographs/videos for the University’s use in print and electronic materials. This serves as public notice of the University’s intent to do so and as a release to the University giving permission to use such images as it deems fit.

If you should object to the use of your photograph, you have the right to withhold its release by contacting the Office of Marketing and Communications.

Student Right-To-Know Act
The University provides data on retention and graduation rates through the Office of University Planning and Research and at the General Consumer Information webpage. Information on financial assistance, including descriptions of application procedures and forms, may be obtained from the Office of Financial Aid at the Mesa branch campus (Gillett Hall) and on Pages 55-63 of this undergraduate catalog. Information concerning athletic program participation may be obtained from the Athletics Department on the Mesa branch campus. Other institutional information including the cost of attendance, accreditation and academic program data, facilities and services available to disabled students, and withdrawal and refund policies are located elsewhere in this undergraduate catalog. Other institutional information including the cost of attendance, accreditation and academic program data, facilities and services available to disabled students, and withdrawal and refund policies are located elsewhere in this undergraduate catalog.

Campus Security Policy and Campus Crime Statistics Act
Benedictine University’s Annual Security Report and Annual Fire Safety Report are available online. These reports meet the requirements of the Jeanne Clery Disclosure of Campus Security Policies and Campus Crime Statistics Act for the reporting of crime statistics, fire safety information and other
The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.

relevant University policies. The electronic versions of these reports are available on the Benedictine University website at http://www.ben.edu/mesa/campus-community/public-safety.cfm.

Printed copies of these reports may be obtained at the Benedictine University at Mesa Public Safety department or by calling (602) 888-5516.

GENERAL ADMISSION INFORMATION

Tuition Deposit
To complete the admissions process, incoming traditional program freshmen are required to submit a $100 tuition deposit and incoming adult program undergraduate students are required to submit a $125 tuition deposit. Students are required to submit their deposit before registration. All deposits should be submitted to: Benedictine University at Mesa, Gillett Hall, 225 E. Main St., Mesa, AZ 85201. Payment may also be submitted online at ben.edu/deposit.

Re-Admission
Former Benedictine University students, who are not currently enrolled as degree-seeking students, may apply for readmission. An application must be submitted and will be reviewed for an admissions decision. Applicants who experienced academic problems should be prepared to demonstrate to the committee sufficient reasons for reconsideration. A student’s previous scholarship eligibility will be re-evaluated under the transfer scholarship rules. If a student’s enrollment has been terminated for poor scholarship, a student may be re-admitted after a minimum of two academic semesters, provided evidence is presented which, in the judgment of the University, indicates that there is improved potential for academic success. All college courses for which the student registered in his/her absence from Benedictine University must be presented in the form of official transcripts. For re-admission under amnesty, see the Academic Policies section.

General Admissions Policy
Benedictine University reserves the right to deny admission, continued enrollment or re-enrollment to any applicant or student whose personal history and background indicate that his or her presence at the University would endanger the health, safety, welfare or property of the members of the academic community or interfere with the orderly and effective performance of the University’s functions. Some programs have special admissions standards. If you are considering a particular program, you need to determine the admissions standards for that program by reviewing the descriptions contained later in the University Catalog or by contacting the faculty member responsible for the program. Failure to provide Benedictine University with a correct and complete academic history will result in revoking of acceptance and/or administrative withdrawal.

Admissions Deadline
The first day of semester classes is the final deadline for reviewing and accepting new or current outstanding applications for both fall and spring semesters. After the first day of semester classes, outstanding applications will be automatically withdrawn or have their term of entry changed to the next available semester. An application may be withdrawn due to lack of communication from student at any point during the admissions process.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Language Proficiency
All international students must demonstrate that they have met the English proficiency requirements for the Mesa branch campus degree program to which they are applying. Students applying to the Mesa branch campus for traditional freshmen or transfer programs must meet the following TOEFL or IELTS requirements:

- TOEFL Paper-based Test: 550
- TOEFL Internet-based Test: 79
- IELTS Exam: 6.5

Test scores must be no more than 1 year old at the time of application and must be official documents in their original, unopened envelopes or sent directly from the testing service. Electronic verification is not guaranteed. Under certain circumstances, the English proficiency requirement may be met without the official TOEFL or IELTS. These circumstances may include:

- Studying at an accredited institution where the official language of instruction is English, consideration given for length of program, cumulative GPA and overall academic performance.
- Completing a year or more of academic coursework at a United States institution, pending review of transcripts.
- Completing an in-house English assessment with the Department of Languages and Literature per the recommendation of the Office of International Programs and Services.
- Submitting an ACT or SAT.
- Submitting official transcripts from ELS Language Centers with a score of 112; scores below 112 require a formal in-house English assessment.

A TOEFL/IELTS waiver will not be considered until all other documents required for admission have been received. Students may need to meet additional requirements such as the GPA or testing requirement, or they may be required to submit official confirmation of their language instruction. At any time, the Office of Admissions, Office of International Programs and Services, or the Department of Languages and Literature can require further documentation, request the student submit an official TOEFL/IELTS or complete a formal assessment through the Department of Languages and Literature. Once all required documents have been received, the TOEFL/IELTS may be waived if it is determined English proficiency has been met. Those students who do not demonstrate English proficiency have the option to attend the Intensive English Program.

Benedictine University reserves the right to test the English writing and speaking skills of all incoming undergraduate and graduate students if circumstances warrant. Students may be placed in courses which will help them improve their academic English proficiency.

FRESHMAN ADMISSION

Freshman Candidates
Freshman candidates are defined as individuals who have earned a high school diploma, completed a home schooling program, or earned a General Educational Development (GED) certificate within six months of enrolling at Benedictine University.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Freshman Admission

Admission is based on a review of each student’s total academic and extracurricular record. It is necessary for some applicants to complete additional materials or come to the University for further assessment. Benedictine’s philosophy is to select students who will perform successfully in our academic programs and become active members of the University community. Requests for admission are considered without regard to the applicant’s race, religion, gender, age, national origin or disability.

High School Academic Preparation

In conjunction with the Arizona State Board of Education, Benedictine University requires its students to complete the following high school curriculum. If a student enrolls at Benedictine University not having satisfied the requirements, the student will be required to do so while enrolled at the University. Courses with a number less than 100 do not count toward the 120 semester credit hours required for graduation. University-level courses (100-level or above) completed to fulfill a condition of admission will count toward the 120 semester credit hour graduation requirement, but do not satisfy the University Core requirements. NOTE: a credit, as identified below, is equivalent to one full year of study in a given subject area.

1. Four credits of English (emphasizing written and oral communication and literature);
2. Three credits of social studies (emphasizing history and government);
3. Four credits of mathematics (Algebra I, Geometry, Algebra II [or equivalent] and an additional course with significant math content as determined by school district or charter school);
4. Three credits of science (laboratory science); and
5. One credit of fine arts

How To Apply to the Mesa Branch Campus (Freshman Candidates)

1. Submit a completed application form and non-refundable, one-time application fee of $40.
   a. Apply or download an application online.
   b. Request a hard copy application by contacting us at (602) 888-5533.
2. Submit official high school transcript. Home school transcripts should include letter grades, length of courses and texts used.
3. Submit official copy of ACT, SAT, TOEFL or IELTS test scores.
4. Submit High School Guidance Recommendation form (available online) to be completed by high school guidance counselor.
5. Written personal statement (may be required of some candidates).

Send all materials to: Benedictine University at Mesa, Gillett Hall, 225 E. Main St., Mesa, AZ 85201.

A personal interview with an admissions counselor is generally advisable and occasionally required. Official transcripts bearing the signature of the registrar and the institutional seal must be issued by mail from the institution to Benedictine.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Consideration for admission will take place when all the necessary information is received. Applications should be submitted as early as possible during the senior year of high school. Admission can be granted on the basis of six semesters of high school credit. Admission can be revoked if satisfactory completion of senior year coursework is not obtained and restrictions can also be added should academic portfolio change post admission and prior to course enrollment.

Mesa Branch Campus Freshman Admission Requirements
Benedictine University has rolling admissions up to the first day of classes each term. We encourage traditional undergraduate students to apply within their first semester of their senior year of high school. The application review process takes approximately one week. You will be notified of your admission status as soon as possible. Prospective freshmen should accept the offer of admission and pay the tuition deposit no later than May 1 to secure their spot for the incoming freshman class.

Benedictine University requirements for Freshman Admission:
- High School Diploma or GED
- 2.500/4.000 GPA
- 21 ACT/980-1010 SAT
- Top 50 percent of graduating class
- Letter of recommendation from high school guidance counselor (if requested)
- Satisfactory arrangements for the payment of tuition and fees

Personal Statement: If students do not meet the above minimum requirements, they are encouraged to submit a minimum one page personal statement. The topic of this personal statement is "What are your academic strengths and how will they help you at Benedictine?" The personal statement is meant to be a reflection of past academic coursework as well as your writing ability. It is necessary that you provide all relevant information about your academic performance and high school experience.

Admission Committee: The Admission Committee meets regularly to review applications for prospective students who do not meet the minimum admission requirements. The Admission Committee looks for well-rounded students who will be successful and contribute to the Benedictine University community.

If you have any specific questions about admission requirements, your personal statement or the Admission Committee, please contact your admissions counselor.

TRANSFER ADMISSION

Transfer Candidates
Transfer candidates are defined as individuals with college credit, or students whose high school graduation or GED completion date is six months prior to the academic year of enrolling at Benedictine, who intend to enroll in the traditional daytime program. Transfer candidates with less than 20 transferrable semester credit hours will be evaluated under the Freshman Checklist. Credits taken prior to high school graduation are not used to determine transfer student status.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Transfer Admission
Admission is based on a review of each student’s total academic and extracurricular record. It is necessary for some applicants to complete additional materials or come to the University for further assessment. Benedictine’s philosophy is to select students who will perform successfully in our academic programs and become active members of the University community. Requests for admission are considered without regard to the applicant’s race, religion, gender, age, national origin or disability.

How To Apply to the Mesa Branch Campus (Transfer Candidates)
If an applicant has 20 or more transferable semester credit hours:
1. Submit a completed application form and non-refundable, one-time application fee of $40.
   a. Apply or download an application online.
   b. Request a hard copy application by contacting us at (602) 888-5533.
2. Submit official transcripts directly from each college or university attended.
3. Written personal statement (may be required of some candidates).

If the applicant has less than 20 transferable semester credit hours:
1. Steps one, two and three above;
2. Submit official high school transcript;
3. Submit official copy of ACT, SAT, TOEFL or IELTS test scores.

Send all materials to: Benedictine University at Mesa, Gillett Hall, 225 E. Main St., Mesa, AZ 85201. A personal interview with an admissions counselor is generally advisable and occasionally required. Official transcripts bearing the signature of the registrar and the institutional seal must be issued by mail from the institution to Benedictine. Consideration for admission will take place when all the necessary information is received.

Mesa Branch Campus Transfer Admission Requirements
Benedictine University’s admission philosophy is to select students who will perform successfully in the University’s academic programs and actively participate in University life. We offer a rolling admission into all of our traditional undergraduate programs up until the first day of classes each term.

Students transferring into Benedictine University's traditional undergraduate programs must have:
- A minimum of 20 transferable semester credit hours (If a student has fewer than 20 semester credit hours of transfer credit, freshman requirements apply).
- A cumulative GPA of 2.000 on a 4.000 scale or better from all colleges and universities previously attended.
- No previous academic probation or academic dismissal.

Students who do not meet the above minimum requirements are encouraged to contact their admissions counselor to set up an appointment to discuss the Admissions Committee review process and next steps.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
INTERNATIONAL ADMISSION

At this time, Benedictine University at Mesa is not authorized to issue Form I-20s or Form DS-2019s for the purpose of international students applying for F or J visas to study at our branch campus. Students not requiring an F or J visa status for study in the United States are encouraged to contact the Office of Admissions.

ADULT ACCELERATED UNDERGRADUATE ADMISSION

The Adult Accelerated Undergraduate programs were created to best serve the needs of adult and returning students who are generally 22 years of age and older. Admissions requirements vary by program type.

Admission is based on a review of each student’s total academic and extracurricular record. It is necessary for some applicants to complete additional materials or visit the University for further assessment. The Admissions philosophy is to select students who will perform successfully in our academic programs and become active members of the University community. Requests for admission are considered without regard to the applicant’s race, religion, gender, age, national origin or disability.

Our adult programs were developed to provide an environment that supports adults in taking responsibility for their own learning while valuing and utilizing the experience which an adult brings to the classroom. Rooted in the idea of responsible learning, the adult programs offer accelerated program options and credit for life learning. This model is built on the assumption that adults can engage in guided independent study outside the classroom. The classroom experience focuses on the integration of theory and practice and emphasizes application, analysis and synthesis of information through collaborative and cooperative learning.

School of Graduate, Adult and Professional Education

Application Materials

Send all materials to the appropriate regional School of Graduate, Adult and Professional Education location (Lisle/Bellwood learning centers or Mesa/Springfield branch campuses). A personal interview with an admissions counselor is generally advisable and occasionally required. Official transcripts bearing the signature of the registrar and the institutional seal may be issued by mail from the institution to the School of Graduate, Adult and Professional Education. Application materials or official electronic transcripts can be sent to adultenrollment@ben.edu. Consideration for admission will take place when all the necessary information is received. If the applicant has 20 or more transferable semester credit hours:

1. Submit a completed application form and non-refundable, one-time application fee;
   a. Apply or download an application online.
   b. Request a hard copy application by contacting us at (877) 353-9622 or adultenrollment@ben.edu.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
2. Submit official transcripts directly from each college or university attended. Submit official course by course detailed Educational Credentials Evaluators (www.ece.org) evaluation or Educational Perspectives evaluation (eduperspectives.org/benedictine) of any foreign country transcripts.
3. Personal statement and current resume may be required of some applicants;
4. Letter(s) of reference from faculty and/or professional associates to evaluate the potential success of the candidate for the program may be required of some applicants.
5. If the applicant has fewer than 20 transferable semester credit hours, submit proof of high school graduation or GED completion.

School of Graduate, Adult and Professional Education Admissions Requirements
We offer a rolling admission into all of our undergraduate programs, meaning applications are accepted and admissions decisions are made throughout the year without deadline restrictions.

Students entering Benedictine University’s adult undergraduate programs must meet the following requirements:

Adult Advising
Our programs are designed for working adults and recognize that students in these programs are highly self-directed with multiple demands on their time. Faculty and staff are committed to creating a decision-making framework through which students can realize their educational goals. Although academic advising is a collaborative function of both student and advisor, the final responsibility for satisfying University and major requirements rests with the student. Students will:

- Become knowledgeable of all the University’s academic requirements, policies and procedures.
- Develop and maintain a plan for a course of study.
- Keep an accurate record of academic activities and documents.
- Value the role of the advisor by preparing for and keeping advising appointments.
- Initiate and maintain open and honest communication with the advisor.
- Access additional University resources to facilitate the decision-making process.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
The advisor listens to and guides the student through the educational decision-making process. Advisors will:

- Foster the student’s sense of responsibility for his/her academic progress.
- Help the student obtain accurate information about educational and career options, academic requirements, policies and procedures.
- Help the student plan and monitor an educational program consistent with individual interests and abilities.
- Assist the student in maintaining an accurate record of course registrations and completions.
- Be available on a scheduled basis for academic consultation and advice.
- Refer the student to appropriate University resources.

FINANCIAL POLICIES

Benedictine University is a nonprofit corporation. Its endowment primarily consists of the contributed services of the Benedictine monks who teach at the University. The annual income from a student’s fees covers only a portion of the cost of his or her education. Therefore, to meet its educational objective, and in fairness to all students, the University must insist on the following regulation: financial arrangements must be made prior to the first day of the term.

Tuition

Tuition and fees are incurred at the time of registration. Tuition is due in full within seven calendar days after the first class meeting. Benedictine University has partnered with Higher One to provide interest-free monthly payment plans through the TuitionPay Plan for those students seeking arrangements to balance their tuition payments over an extended period of time.

A “Statement of Accounts” is generated and mailed to your billing or home address once each month. This statement reflects only that activity which has taken place on your student account in the last billing cycle (similar to your checking/savings/credit card statements of account). Please note that payments are expected by the due date regardless of whether a statement is received. If you are nearing a payment due date and have not received a statement, please contact Student Accounts at (630) 829-6503 for assistance to determine the amount due. Students are encouraged to view their account information online using MyBenU.

Payment Options
Payments made by personal check, business check or online by ACH will be subject to a three-day hold to allow for clearance of funds. This hold will not be lifted until three days have passed, regardless of your scheduled registration date. Any holds on your account must be satisfied before registration for the upcoming term will be allowed.

If you have questions regarding an outstanding balance or a financial hold on your account, please contact Student Accounts at (630) 829-6503.

Tuition and fees are incurred at the time of registration. For ALL programs, payment of tuition, fees and housing charges is due seven (7) calendar days after the first day of class unless the balance is covered by financial aid or set up on a payment plan through the Tuition Payment Plan or through your employer via direct billing (see #3 below).

1. Payment in Full - Benedictine University accepts cash, personal checks, money orders, Visa, MasterCard, American Express and Discover. PAYMENT DEADLINE: within seven calendar days after the first class meeting. Students may view and pay their accounts online at ben.edu/MyBenU from any on-campus computer or access MyBenU via BenUConnect from off-campus. Instructions on how to make an online payment are found at ben.edu/MyBenU.

     Monthly Payment Plans - Benedictine University has partnered with Higher One to provide interest-free monthly payment options through the Tuition Payment Plan. Students may create budgets to manage their tuition costs annually or per term. Students may enroll online at tuitionpaymentplan.com/ben or call (800) 635-0120 to speak with a Higher One consultant.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Be sure to have your estimated expenses ready when you call or visit the website. If your budget changes at any time (increase/decrease in financial aid, increase/decrease of tuition charges or fees), please contact Higher One to adjust your payment plan accordingly. Please note that if the budget amount does not equal your balance due with BenU, a financial hold and late payment fee may apply.

- Annual budgets - For a fee of $50, students can make monthly payments toward their full-year’s tuition balance (September-August).
- Single Term budgets - For a fee of $30, students can make monthly payments toward their tuition balance for a single term.
  - Fall Term: August-December
  - Spring Term: January-May

Higher One website: tuitionpaymentplan.com/ben. Click on “Enroll in a plan for the first time” for a list of available plans. For students in a plan for the first time, select “Mesa, AZ Campus” from the dropdown box under “Term of Study.”

2. **Employer Tuition Reimbursement** - For a fee of $30, students can arrange with Higher One’s Tuition Payment Plan, a single tuition payment plan due at the end of the term (plus a grace period) with proper documentation from their employer. Documentation of your eligibility in your employer’s reimbursement policy must be submitted to Student Accounts at Benedictine University prior to enrolling in this plan. An updated copy of your continued eligibility must be submitted every fall term thereafter. Students may fax their employer’s policy to Student Accounts at (630) 829-6501.

   After submitting documentation showing eligibility, students may enroll in the plan that best corresponds with their class and program. If the student’s enrollment changes after the initial set up of this plan, the student will be responsible for adjusting the payment plan either online or with a Higher One consultant at (800) 635-0120.

   If the student makes a payment directly to Benedictine rather than through their Tuition Payment Plan, it is the student’s responsibility to contact Student Accounts so that we may notify Higher One. The bill payer must electronically sign a consent agreement to accept the responsibilities of the payment plan. Student Accounts cannot enroll students or make adjustments to these accounts. However, Student Accounts is available for assistance in choosing the correct plan and budget amount. Please note that tuition is due in full according to the deferred due date specified by Higher One regardless of when individual employers reimburse their employees.

3. **Third Party Payment Authorization/Direct Company Billing** - Student Accounts will bill a third party (an organization, business or agency) for any and all charges on a student’s account, if a valid authorization from the third party sponsor is received on or before the beginning of the course/term. Benedictine will send an invoice to the third party after the add/drop period. Payment is due upon receipt of the invoice and is not contingent upon the student successfully.
completing the course. All authorized and non-authorized charges not paid for by the third party will be the responsibility of the student.

**Upon the student’s request, Benedictine can prepare an itemized receipt for the student’s completed (and paid) courses that he/she may provide to his/her employer for reimbursement. If the student provides a written request, along with documentation of his/her eligibility in their employer’s tuition assistance/reimbursement program, Benedictine can provide these receipts to the student on a quarterly basis.**

**Failure to meet options by payment deadline will result in a late payment fee of $100 and a financial hold placed on the student’s account**

**Student Refund Policy**

1. Three-day cancellation: An applicant who provides written notice of cancellation to the Enrollment Center within three days (excluding Saturdays, Sundays and federal and state holidays) of signing an Enrollment Agreement will receive a refund of all monies paid. No later than 30 calendar days of receiving the notice of cancellation, the University will provide the full refund.

2. Applicants who provide written notice of cancellation more than three days after signing the Enrollment Agreement and making an initial payment, but prior to the commencement of classes, are entitled to a refund of all monies paid (minus the application fee of $40).

3. To be eligible for a tuition refund after the commencement of classes:
   a) The student must officially withdraw from a course within the timeframes set out in the Tuition Refund Timetable below, and
   b) After the official withdrawal from a course or courses, be enrolled less than full time (less than 12 semester credit hours).

4. Students maintaining a full-time enrollment of 12 or more credit hours in the term, after the official withdrawal from a course or courses, are not eligible for a refund.

5. Students who are expelled, administratively withdrawn or suspended from the University during the course of an academic term are not eligible for a tuition refund and are responsible for all tuition, fees and other costs incurred.

6. Recipients of federal financial aid who drop a course or withdraw from the University are subject to Return of Title IV Funds Regulations. Dropping a course or withdrawing from the University (officially or unofficially, such as by non-attendance) may result in a portion or all of financial aid being returned back to the Department of Education. This may result in a debit balance to the student’s account with the University which the student is responsible to pay.

7. The amount of refund, if any, is determined by the date the student successfully completes the drop in MyBenU; or the date the completed Add/Drop or Withdrawal Form is received by the University. See the Tuition Refund Timetable for timeframes and refund percentages.

*The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.*
Students who do not officially drop a course in MyBenU or in writing will be financially responsible for the entire cost of the course.

Notifying the instructor of intent to drop a course and/or non-attendance in a course does not constitute an official withdrawal for purposes of eligibility for refunds by the University to the student.

Tuition credit for complete withdrawal will be made only after the proper withdrawal notification has been submitted.

If the drop results in a credit balance on the student’s account, refunds will be issued within 30 days of the official drop or withdrawal date.

8. To officially withdraw from a course after the commencement of classes, all students should use MyBenU to complete the withdrawal, or complete the Add/Drop Form and return the form to the Office of the Registrar.

9. To officially withdraw from the University after the commencement of classes, a student must complete the necessary paperwork. A student planning to return within four consecutive semesters (not including summer semesters) must apply for a Leave of Absence and a student not planning to return must complete the Withdrawal Form. These forms must be returned to the director of Student Services.

All drops or withdrawals are dated as of the date in which they were received by the University. The tuition refund policies are listed above. The summer terms have a separate tuition refund policy for traditional programs. Whether or not you attend classes, the period of attendance will be computed as the number of days from the scheduled date of opening class in each term to the date shown on the drop or withdrawal slip. See the “Financial Aid” section for information regarding the use of financial aid in the case of a withdrawal.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Students who are expelled or suspended from the University during the course of an academic term will not be allowed any financial credit on tuition charges. Similarly, resident students who are expelled or suspended from campus housing and from the accompanying food service plan, either permanently or for a temporary period during the course of an academic term, will not be allowed any financial credit on room and board charges.

Courses which require the leasing of off-campus facilities from off-campus agencies require pre-payment in full. Therefore, NO refunds can be made of the tuition or lab fees for such courses. Courses requiring professional liability insurance require the purchase of such insurance from off-campus agencies demanding pre-payment in full; therefore, NO refund can be made for the professional liability insurance charge.

For such programs as the Federal Student Loan and the State Monetary Awards, cash refund of credit balances will not be made until funds are received from the agency in question and the required procedures are completed.

Refund checks are issued to students when excess funds exist on their accounts after crediting Title IV funds. If a credit balance appears on your account as a result of these disbursements, Student Accounts will process a refund within 10 to 14 days. When a student receives their refund depends on the refund method they have selected.

In order to select your refund preference, you will receive a green envelope in the mail from BankMobile Disbursements. Inside the green envelope will be a Refund Selection Kit and personal code. Look for this kit to be delivered to your home address on file with the University in an envelope like the one shown below.

Please make your refund selection as soon as you receive the envelope shown above. Even if you are not currently expecting a refund from Benedictine, there may be a refund for you in the future as a result of a dropped class or you may receive financial aid that you were not anticipating. Selecting a refund preference ensures you will receive your refunds in a timely manner. BankMobile Disbursements attempts to contact students via email to students' ben.edu email address and by phone to assist students in making their refund preference.

Select your refund preference by going online to RefundSelection.com and login using the personal code (ex. ABCD-1234-5678) enclosed with the envelope.

If you had already activated your refund preference via Higher One using the MyOne Money Card, you will continue to receive your refunds using the method you had previously selected. Your existing

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
MyOne Money Card will still be active and you will be able to access your funds. The only difference will be the new benefits provided by BankMobile will be applied to your existing MyOne Money account.

There are three options to choose from for receiving your refunds:
1. ACH transfer to your bank account (refunds are available two to three business days). For example, if your aid posts to your account on Tuesday, September 6, creating a credit balance, the refund would appear as a charge to your student account on Wednesday, September 14, funds are released to BankMobile on Thursday, September 15, and the refund would typically be available to your bank account the following Monday, September 19, or Tuesday, September 20.
2. Easy refund to BankMobile Vibe Account (refunds available the same day Benedictine releases them).
3. Paper check mailed to the home address on file.

If no choice is made after 21 days of the refund, a paper check will be mailed to the student’s home address on file with the University. You only need to choose your refund preference once, but you can change your preference at any time.

To learn more about BankMobile Disbursements and BankMobile Vibe, visit RefundSelection.com.

If you have withdrawn from a class, resulting in a credit of tuition to your student account, you may request a refund of this credit by completing the form found at ben.edu/student-accounts/upload/REFUND-REQUEST-2016.pdf

Refund requests are reviewed by Student Accounts and if a refund is authorized, it will be processed within two weeks of the receipt of the refund request form.

**Financial Appeal**

This process is designed to address extenuating circumstances that occurred during a given semester that prevented a student from receiving a partial or full refund for a course(s). Students may write a letter of appeal describing the reason(s) and justification for seeking an exception to the refund policy. The burden of proof shall be upon the student to prove his or her case by a preponderance of evidence in the written appeal. Be specific with extenuating circumstances, dates, the name of persons contacted and any steps you took to address the problem at the time it occurred. Attach appropriate documentation from your instructor, medical provider or other professionals as needed.

Student submits the appeal to the Financial Appeals Committee by:

**Email:** FinancialAppealsCommittee@ben.edu
**Fax:** Attn: Financial Appeals Committee at (630) 829-6501
**Mail:** Benedictine University
Attn: Financial Appeals Committee
5700 College Road, Lisle, IL 60532

For more information on Student Accounts, please visit ben.edu/studentaccounts.
Fees
Late Registration Fee: $100 per course late fee registration for enrolling after the drop/add period.

All tuition remission and consortium students must pay applicable fees such as graduation, health service, technology, lab and mandatory fees. (Fees are subject to change without further notice.)

All drops or withdrawals are dated as of the date in which they were processed on MyBenU. The tuition refund policies are listed above. The summer terms have a separate tuition refund policy. Whether or not you attend classes, the period of attendance will be computed as the number of days from the scheduled date of opening class in each term to the date shown on the drop or withdrawal slip. See the "Financial Aid" section for information regarding the use of financial aid in the case of a withdrawal.

The boarding fee is prorated from the date of confirmation of registration to the day of withdrawal. Students who withdraw from campus housing within 30 days of the beginning of the academic term will be charged for room fees on a prorated basis. No refunds are given after 30 days of the term have expired.

Other Policies
1. Enrollment shall be considered as signifying knowledge of all conditions, rules and regulations and shall be deemed as acceptance thereof.
2. The University shall not be responsible for any damage or loss of personal property from any cause whatsoever.
3. Bills for University services or monetary sanctions such as library or parking fines must be paid in full within seven days of the start of the semester or within seven days of the posting of the charge, whichever comes later.
4. Students are not entitled to receive recommendations, degrees, honors, grades or transcripts of credit until all bills are paid and National Direct/Defense Student loans and Perkins loans are in current status.
5. In the event of default in the payment of any amount due, and if the account is placed in the hands of an agency or attorney for collection or legal action, the student agrees to pay an additional charge equal to the cost of collection including agency and attorney fees and court costs.
6. Payments made by personal check, business check or online by ACH will be subject to a three-day hold to allow for clearance of funds. Regardless of your scheduled registration date, this hold will not be lifted until three days have passed unless proper documentation is provided from your bank to Student Accounts showing the payment has cleared your account. Any holds on your account must be satisfied before registration for the upcoming term will be allowed.

Financial Aid
Benedictine University’s Office of Financial Aid administers a variety of federal, state and institutional programs of student financial assistance. Each of these programs carries specific student eligibility requirements. In general, students must be formally admitted as degree-seeking and enrolled for a minimum number of semester credit hours. All financial aid recipients must maintain satisfactory...
The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.

The fundamental purpose of financial aid at Benedictine University is to make it possible for every qualified student to obtain a college education regardless of financial means. The process of financing an education is a partnership. Although the student and his/her family has primary responsibility for meeting college costs, Benedictine University and the federal government have a variety of financial aid programs available to students who need financial assistance.

Benedictine University will not unlawfully deny educational services to any otherwise qualified student on the basis of race, color, gender, age, national origin, disability or veteran status.

**Application Procedures**
All students applying for financial aid are asked to complete the Free Application for Federal Student Aid (FAFSA).

Students must reapply for financial aid each award year. The FAFSA should be completed as soon as possible after October 1.

**Types of Aid**
After completing the financial aid application process, the student will receive a financial aid award letter. The award letter will include the program(s) that the student is eligible for and the award amount(s).

- Grants/Scholarships - Grants and scholarships are considered to be gift assistance. Gift assistance does not have to be repaid.
- Loans - Loans are considered to be a form of self-help assistance. Loan programs provide funds for educational purposes and are paid back with interest.
- Employment - Part-time jobs on campus are available to eligible students through the Federal Work-Study program. Students working on campus receive a bi-weekly paycheck.

Satisfactory Academic Progress Policy for Financial Aid Recipients

Overview

Federal regulations require that Benedictine University establish standards of Satisfactory Academic
Progress (SAP) for students receiving federal financial aid funds. Minimum standards of academic
progress are established to encourage students to successfully complete coursework for which
financial aid is received and to make progress toward a degree.

Financial Aid Programs Included Under this Policy

All federal and state financial aid programs are subject to this policy.

Students Subject to this Policy

All students currently receiving federal and/or state financial aid funds are subject to this policy.
Benedictine University students who have not previously received financial aid are required to meet
the cumulative GPA requirement of this policy prior to receipt of financial aid.

Satisfactory Academic Progress includes three criteria:

1. Qualitative - Academic standing based on the undergraduate or graduate student’s cumulative
   GPA;
2. Quantitative - The student’s cumulative progression toward successful degree completion and,
3. Degree completion within a maximum timeframe of 150 percent of the published length of a
   program for undergraduate and graduate students.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate
Catalog and is valid until August 1, 2018.
In order to maintain SAP, students must comply with the following requirements:

1. Remain in good academic standing or on academic probation. The minimum cumulative GPA for an undergraduate is 2.000 and the minimum cumulative GPA for a graduate student is 3.000 (as defined in the University Catalog);

2. Maintain a completion rate of coursework equal to at least 67 percent of the total number of credit hours attempted. This quantitative requirement ensures the student is steadily progressing toward their degree by completing at least two-thirds of all attempted credit hours. For example, a student who has attempted a cumulative total of 12 semester credit hours must complete at least 8 semester credit hours to meet the requirement (12 semester credit hours x .67 = 8 semester credit hours).

3. Complete their degree requirements within 150 percent of the required hours to complete their degree. For example, a student enrolled in a traditional undergraduate bachelor’s degree program that requires a total of 120 semester credit hours would have a maximum limit of 180 semester credit hours.

Once a student has reached the maximum semester credits hours, the student is no longer eligible to receive federal or state financial assistance. All terms of enrollment are reviewed as well as all transferred credits regardless of whether aid was received.

Satisfactory Academic Progress Review Process
SAP for traditional undergraduate students is reviewed on an annual basis, typically at the end of the Spring Term. SAP for learning team undergraduate and graduate students is reviewed at the end of each payment period. SAP for online undergraduate and graduate students is reviewed twice at the end of the fall and spring sessions. Students failing to meet SAP will be notified in writing of their loss of financial aid eligibility.

Appeal Procedure
Cancellation of financial aid because of a student’s failure to meet SAP may be appealed if extenuating circumstances (illness, family problems, death of a family member, etc.) led to academic difficulties. The appeal must include information explaining why the student failed to meet SAP; what has changed in the student’s situation that would allow the student to demonstrate SAP at the next evaluation; a realistic educational plan that outlines how the student will meet the SAP criteria; and a meeting with an academic advisor to assess the viability of the educational plan to meet the degree requirements. The student’s appeal must be in writing and submitted to the Office of Financial Aid.

An appeal may be approved only if:

1. The student will be able to meet SAP standards after the subsequent payment period, or the student submits an academic plan that, if followed, will ensure that the student is able to meet SAP standards by a specific point in time.

The deadline to submit an appeal to reinstate financial aid must be received at least 30 days prior to the anticipated term of enrollment.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Probation: If the student’s appeal is approved, he/she may continue to receive Title IV aid for one additional payment period. SAP will be monitored at the end of the probationary period.

Reinstatement: A student may regain eligibility for financial aid once the student has met the minimum requirements of SAP.

It is the student’s responsibility to contact the Office of Financial Aid to request a review of his/her SAP for reinstatement of assistance.

Definitions for Financial Aid Purposes
Completion of courses
For undergraduate students, hours completed are based on grades of “A,” “B,” “C,” “D” and “P” (pass). Hours with an “F” (failure), “W” (withdrawal), “I” (incomplete), “IP” (in progress) and “X” (deferred) are counted in the number of hours attempted, but not in the number of hours completed.

For graduate or doctoral students, hours completed are based on grades of “A,” “B,” “C” and “P” (pass). Hours with a “D”, “F” (failure), “W” (withdrawal), “I” (incomplete), “IP” (in progress) and “X” (deferred) are counted in the number of hours attempted, but not in the number of hours completed.

Class repeats, all transfer credits and developmental course hours are counted in the total number of hours attempted/completed.

Note: It is the student’s responsibility to notify the Office of Financial Aid when an incomplete grade has been satisfactorily completed.

If you have any questions about this policy, please contact:

Office of Financial Aid
Lownik Hall
5700 College Road
Lisle, Illinois 60532
(630) 829-6100

Return of Title IV Funds
Title IV funds are awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. If a student who received Title IV funds withdraws, either officially or unofficially, on or before completing the payment period, the Office of Financial Aid is required to recalculate and review the student’s eligibility for the financial aid.

Students Subject to this Policy
All students currently receiving federal funds are subject to this policy.
Financial Aid Programs Included Under this Policy
All Title IV federal financial aid programs are subject to this policy. This includes:
1. Federal Direct Unsubsidized Stafford Loan
2. Federal Direct Subsidized Stafford Loan
3. Federal Perkins Loan
4. Federal Direct PLUS Loan
5. Federal Direct Graduate PLUS Loan
6. Federal Pell Grant
7. Federal Supplemental Educational Grant (SEOG)
8. Iraq Afghanistan Service Grant

Consequences of Withdrawing From Courses
Withdrawing from courses may affect a student’s financial aid award eligibility. Prior to withdrawing from courses, students are advised to speak with their financial aid counselor and academic advisor or Academic and Career Enrichment Center representative. (Refer to the Withdrawal Guidelines to understand possible effects of withdrawing on many aspects of a student’s education.)

Financial Consequences of Withdrawing
Financial aid is awarded to assist with educational expenses for the length of an entire payment period. If a Title IV recipient withdraws prior to completing 60 percent of the payment period, the Office of Financial Aid must determine how much of the federal funding was “earned” up to the time of withdrawal. This review and recalculation is called a “Return of Title IV Aid” (R2T4). If the recalculation determines the student did not earn all of the funds that were disbursed, the excess aid received must be returned to the federal government within 45 days of the date of the student’s withdrawal. The Office of Financial Aid will notify the student of the return of funds.

If the student previously received a refund from financial aid, the student may be required to return a portion of those funds to the University.

Title IV funds that must be returned to the government may create a balance due to the University.

Number of Weeks a Student Must Complete to Earn Financial Aid for Each Payment Period
The following chart represents the approximate number of weeks for each program type students need to complete to retain all aid that was disbursed for the payment period (minimum of 60 percent of the payment period).

Determination of Withdrawal Date

Official Withdrawal:
A withdrawal is considered to be an “official” withdrawal when the student completes an official withdrawal form through the Academic and Career Enrichment Center, their academic advisor or verbally notifies the Office of Financial Aid.

Or, on a weekly basis, the Office of Financial Aid runs a report to identify students who have withdrawn from their courses but have not completed an official withdrawal form. The counselor then uses the date indicated on the report as the official date of withdrawal.

Unofficial Withdrawal:
- A withdrawal is considered to be an “unofficial” withdrawal when the student stops attending classes and does not withdraw from those classes or notify the University. In these circumstances, the withdrawal date is based on the student’s last academic activity (i.e. took an exam, submitted a term paper, etc.). If the date is unknown, the withdrawal date will be the midpoint or 50 percent of the payment period.

  - If the student could not notify the University of their intent to withdraw because of extenuating circumstances (illness, accident, grievous personal loss or other circumstances beyond the student’s control), the withdrawal date used will be based on documentation related to the event once the Office of Financial Aid is notified.

  - If a student does not return from an approved leave of absence (LOA) or does not indicate a date of return less than 180 days on the LOA form, the withdrawal date will be the student’s last day of attendance prior to the beginning of the LOA and a Return of Title IV funds will be calculated.

Students with all Failing Grades
Most academic programs at Benedictine do not require monitoring of student attendance. For Title IV recipients, federal regulations state that if a student fails to earn a passing grade in at least one course within the payment period, the institution must assume that the student has unofficially withdrawn unless there is documentation that the student completed the period.

Reinstatement/Re-award
A student may have their financial aid reinstated or re-awarded after a Title IV calculation has been processed once the student returns to the University.

Definitions for Financial Aid Purposes
A Leave of Absence (LOA): For all students, a leave of absence is a process designed to allow students to interrupt their academic program for a limited period of time during which the student is considered to have an active status with the University.

Post-Withdrawal Disbursement
Funds that a student is eligible to receive but were never disbursed prior to the last day of attendance.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
PROGRAM FORMATS

Traditional Undergraduate Programs
The traditional undergraduate programs include day and some evening classes held throughout the year.

Adult Accelerated Undergraduate Hybrid Programs
Hybrid classes meet once per week in the evening on campus. Hybrid classes meet for five weeks per term and have one weekly four-hour asynchronous session online in Desire2Learn (D2L). Hybrid classes are completed in two years or less and begin year-round.

Students start at the same time and progress together as a group with a set schedule for the duration of the program. The programs are based on a traditional curriculum that has been redesigned to fit the needs and schedules of today’s working adults. All courses are based on adult learning principles and are delivered in a blended format that combines the most effective aspects of live instruction with self-directed internet-based learning.

Adult Accelerated Undergraduate Online Programs
Benedictine’s online programs offer a full academic experience in a convenient and flexible format. Just as in a campus-based course, students discuss issues with peers, ask questions of instructors and have assignment deadlines to meet. Online students have access to a 24/7 help desk, a program coordinator, financial aid advisors and career services.

The Benedictine University Library directly supports the academic mission of the University through selecting, curating, creating, preserving and providing anytime access to digital and physical resources and through providing the finest in-person and virtual support and services to all of our regional and global library constituents. The library also seeks to support an Inquiry General Education Curriculum which is at the heart of our liberal arts-based system of curricular and co-curricular electives in areas representing multiple disciplinary approaches and modes of problem-solving. Benedictine’s courses are designed representing critical skill and knowledge areas for active and responsible citizenship and stewardship of the Earth, lifelong learning, global awareness, integrative knowledge and effective interpersonal communication.

In accordance with the University’s mission, the library endeavors to enhance the University’s Roman Catholic tradition and Benedictine heritage, the multicultural character of the campus community, and the commitment to assist students in becoming responsible citizens and leaders in the world community. The library will also share its resources appropriately with outside communities, including the broader academic community and local users.

The Information Literacy curriculum offered by the library covers all coursework and is designed to help students at all levels to find, evaluate, use, analyze and share information, and construct knowledge in a clear, compelling and ethical manner. Librarians are available to work with faculty, classes and individual students to achieve these goals.

STUDENT LIFE

Student Services
Our goal is to advance our students’ effectiveness in their academic career while preparing them for post-educational success in life. The Office of Student Life engages students by providing support for academic work as well as co-curricular activities and professional goals. In coordination with academic departments, Student Services include:

  • Academic support and tutoring functions;
  • Accommodation services for students with disabilities;
  • Advising and related support for undecided majors, students on academic probation and continuing probation;
  • Student organizations and activities;
  • Leadership development;
  • Supplemental educational programming and service learning;
  • Career development services, including assessment, internship services, career education programs, job search functions and career resources;

Academic Support Services
In coordination with academic departments, the Student Services team provides a variety of academic support for all student groups. These services are free of charge to all students.

Tutoring Functions
In cooperation with the academic departments, students are offered tutoring sessions for a variety of classes that are held each semester. These sessions help students clarify difficult concepts and prepare for quizzes and exams. They are led by peer tutors who have been identified by faculty members as individuals who possess both content knowledge and the ability to communicate that knowledge to fellow students. The availability and times of tutoring sessions vary by semester.

Academic Coaching and Success Skills
The University assists students with the development of general study skills to improve performance and reduce the stress associated with college study. This can be arranged through an individual appointment, or students can take advantage of study skills workshops conducted each semester.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Early Warning Notice System
The Early Warning Notice (EWN) system allows students to receive formal notice of attendance or performance issues that may impact their grade in a particular course. This notice is sent to the student’s University email account and the student’s advisor. Tutoring is provided to students who receive EWNs in classes supported by tutoring services.

Accommodation Services
Benedictine University is dedicated to creating an accessible environment through reasonable and appropriate accommodations for students with disabilities.

Students with a disability are encouraged to seek assistance with the associate vice president for Student Life. Special accommodation services are available for students with disabilities on a case-by-case basis and provided that documentation from a properly licensed clinician supports the accommodation. Students eligible under the Americans with Disabilities Act (1990) and/or Section 504 of the Rehabilitation Act (1973), whose disability interferes with a major life activity, are urged to self-identify so that the process for receiving assistance can begin as soon as possible.

Commonly granted accommodations include the following:
- Extended time for testing in a quiet test environment;
- Designated note taker in class;
- Modified or enlarged classroom/reading materials;
- Preferential classroom seating.

Career Development
The Academic and Career Enrichment Center will assist students and alumni in developing, implementing and evaluating career and life plans. Our goal is to promote students’ personal and professional development by utilizing a holistic approach to achieve their career goals, provide them with a foundation to become self-directed learners, and educate them through the career planning process.

This mission will be accomplished through collaboration with students, alumni, faculty and employers and a commitment to empowering students and alumni to be active participants in their own career development process.

In coordination with academic departments, the Academic and Career Enrichment Center can offer one-on-one or online counseling in career assessment and job skills preparation. We can help with career assessment, cover letters, resumes, mock interviews, internship opportunities, job fairs, workshops and more.

Campus Ministry
Paramount to the Benedictine University at Mesa student life experience is a search for God by oneself and with others. We aim to inquire, discuss, hold dialogue and engage in a search for truth that encompasses the ideas of all viewpoints and cultures – all the while working within a Catholic view. As a Catholic University, it is our responsibility and commitment to bring that view into focus and make it part of an ongoing conversation.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Student Health Services
In the event of serious illness or injury, parents or guardians will be notified at the discretion of University staff.

Student Activities
Student Activities is charged with helping students to grow and develop outside the classroom, and assists in the area of program content and purpose. Student Activities plans special lectures, seminars and cultural events throughout the calendar year, and provides direction and mentorship in developing and managing student clubs and organizations.

Safety and Security
The role of the Department of Public Safety at Benedictine University at Mesa is to ensure a safe campus environment by providing the highest quality of service to our community. Specially trained public safety officers have a visible presence on campus and are prepared to respond to and resolve any safety concern or emergency situation. Services range from personal escorts to your vehicle, dead battery jumps, accident reports, incident investigation, first aid, as well as safety awareness and educational programming. The University enjoys a strong partnership with the Mesa Police Department to help provide a safe and positive environment for learning and growth.

Alumni Association
Graduating students become members of an ever-expanding organization – the Benedictine University Alumni Association. As an alumnus, the University still plays a very important role in your life. There are many ways for alumni to stay involved with Benedictine and to keep in touch with classmates. In addition, Benedictine University alumni are entitled to many special benefits. The Alumni Association is operated through the services of a volunteer governing board of directors consisting of 10-12 members. The function of this board is to support all alumni programs and activities through the Office of Alumni Relations. These programs include: class reunions; homecoming; admissions recruitment; the Annual President’s Invitational Golf Outing; regional alumni activities; alumni chapters; and many other events both on and off campus. For more detailed information on benefits and how you can stay involved, please contact the Office of Alumni Relations at (630) 829-6077 or tarens@ben.edu.

STUDENT COMPLAINT PROCESS

Your concerns are important to us. If you encounter a problem involving the application of a Benedictine University policy or procedure or have any other dispute with the University that you cannot resolve informally and which adversely impacts you, you may file a complaint in writing.

For purposes of this process, a “complaint” is an expression of dissatisfaction concerning a University employee, department, service or process, or a University administrative action, that requires clarification, investigation and/or resolution.

Complaint Process:
• A complaint must be made in writing, preferably using the online Complaint Form at: ben.edu/mesa/campus-community/student-complaint-form.cfm. It is important to report

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
complaints promptly and to include a short and concise statement of all the relevant facts and the action or remedy you are requesting so that an investigation can be completed and a resolution achieved.

- Complaints must be filed within 15 business days from the date of the action or occurrence which is the subject of the complaint.

- The 15-day deadline for filing a complaint can be waived if good cause is shown by the student.

- The Office of Student Life will assign a tracking number to the complaint and acknowledge its receipt using the contact information you have provided on the Complaint Form.
  - The director of Student Services reviews each complaint to determine if it is one upon which action should be taken. If the complaint is properly the subject of the academic or financial appeals processes, or is a question of academic discretion, the complaint will be dismissed without further action.
  - The Office of Student Life refers complaints requiring further action to the appropriate academic or administrative official (typically, a dean or director, or another appropriate administrator whom they have designated) for investigation and resolution.
  - Within 10 business days after receiving a complaint, the director of Student Services will advise the student in writing either (a) that the complaint has been referred to an administrator for investigation and resolution, and to whom the complaint was referred, or (b) that the complaint has been dismissed and the reason for the dismissal.

- An administrator to whom a complaint has been referred has 20 business days from the date of the referral to investigate and address the complaint. During the investigation and resolution process, the administrator will communicate directly with the student who has filed the complaint. At the conclusion of the investigation and resolution, the administrator will notify the student and the Office of Student Life in writing of the results of the investigation and the resolution of the complaint.

- The director of Student Services may extend the investigation period beyond 20 business days by notifying, in writing, the student who filed the complaint, using the contact information provided on the Complaint Form.

- A complaint may be dismissed without further action if the student fails to cooperate in the investigation.

**NOTE:** Dealing with concerns in the most direct and honest fashion should always be the first step toward resolution. Many problems are resolved when one makes an appointment with a faculty or staff member and calmly and honestly communicates their concerns.

If the complaint cannot be resolved after exhausting the institution’s grievance procedure, the student may file a complaint with the Arizona State Board for Private Postsecondary Education. The student must contact the State Board for further details. The State Board’s mailing address is 1400 W. Washington Street, Room 260, Phoenix, AZ 85007, its telephone number is (602) 542-5709 and its website address is [www.azppse.gov](http://www.azppse.gov).

ACKNOWLEDGEMENTS

Within 10 days from the date Benedictine University revises a catalog, or publishes a new catalog, Benedictine University shall submit a written or electronic copy of the catalog to the Arizona State Board.

This catalog is available to students and prospective students in a written or electronic format.
ACADEMIC PROGRAMS

Accounting

A student must earn 120 semester credit hours to qualify for graduation and must maintain a “C” average (2.000) in all Benedictine University coursework.

Student Type: Traditional Undergraduate and Adult Accelerated Undergraduate

Faculty: Cyndi Laurin, Ph.D., Assistant Professor, Management and Organizational Behavior
All faculty typically have a doctorate or terminal degree in their discipline and extensive experience in their field.

Objectives:
The Accounting program and courses are designed to:
1. Evaluate the role of economics and business in the social environment of our culture;
2. Articulate how the functional areas of business interrelate within organizations;
3. Improve skills in communication, analytical thinking and appreciating the human element in organizations; and
4. Develop specific skills applicable to the various aspects of the functional areas of business.

The program and major are designed to:
1. Prepare you for entry-level positions;
2. Enable you to perform effectively in professional and career positions in management; and
3. Prepare you for graduate and professional study in business or management.

All students in this program will receive a thorough grounding in:
1. Economics (the theoretical basis for the discipline);
2. Mathematics and statistics (the tool subjects);
3. The principles pertinent to all of the functional areas of business, accounting, finance, management and marketing, in an integrated manner and with adequate focus on their international aspects; and
4. Financial and managerial accounting principles and applications, such that the formal requirements to sit for the CPA exam can be fulfilled.

The Accounting major is designed so that the entire degree is available through day classes. The Accounting major is also offered through evening classes in time periods and formats that are designed for the needs of adult learners.

Requirements - Major:
Accounting majors must complete the University’s Inquiry General Education Curriculum requirements, which are partially satisfied by MGT 252 Business Ethics (which also counts as a Theological/Religious Mode of Inquiry) or one approved philosophical Mode of Inquiry course in ethics, MATH 105(3) or 110(3) and 115(3). Majors must complete each of the business core courses with a “C” or better: ACCT 111(3), 112(3); ECON 101(3), 102(3); FINA 300(3), MKTG 300(3), MGT 150(3), MGT 251(3)

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
or BALT 301(3), MGT 300(3) and MGT 380(3). In addition, Accounting majors must complete BALT 240 or ACCT 310 (Accounting Information Systems) and ACCT 309 (Accounting Information Systems Lab).

Accounting majors must also complete the following 200- and 300-level courses, with a “C” or better: ACCT 211(3), 212(3) and 311(3) along with 9 semester credit hours of major specialization courses from the following list: ACCT 309(2), 310(2), 312(3), 313(3), 315(3) and 316(2). All Accounting majors are encouraged to take MGT 235(3) (Business Law).

Accounting majors interested in meeting the requirements for taking the CPA examination should take: ACCT 211, 212, 309, 310, 311, 312, 313, 315, 316, 321, 322, 323 and 324 (30 units at the 300+ level) along with ACCT 120(1) (VITA), MGT 252 (3) (Business Ethics) and MGT 237(3) (Business Communications).

Students in the Second Major Program that is housed outside of the department must complete the ethics, mathematics and computer science requirements for Accounting majors detailed in the first paragraph of this section and complete the following courses, with a “C” or better: ECON 101(3) and 102(3); FINA 300(3), MKTG 300(3), MGT 150(3), 251(3) or BALT 301(3), 300(3) and MGT 380, ACCT 111(3), 112(3), 211(3), 212(3) and 311(3) along with 9 credit hours of major specialization courses from the following list: ACCT 309(2), ACCT 310(2), 312(3), 313(3), 315(3), 316(2) and ACCT 321(3).

CLEP, life experience, work experience, internships, advanced placement and other external credit do not substitute for upper-level (300) courses.

Accounting majors who elect to earn a second major in the Undergraduate Business Department must complete required unique "specialization courses" for the second business major. Specialization courses may only be used for satisfying the requirements for one business major.

**Requirements - Minor:**

Only courses in which a student has earned a “C” or better may be applied to the minor. Students are limited to one minor in the Accounting and Management and Organizational Behavior programs. Students (except for Bachelor of Arts in Management students) seeking a minor in Accounting must complete with a grade of “C” or better 21 semester credit hours which must include ACCT 111(3), 112(3), 211(3) and 212(3); ECON 102(3); and at least six credit hours of 300-level courses in Accounting.

A Bachelor of Arts in Management or Bachelor of Business Administration in Management and Organizational Behavior student seeking a minor in Accounting must complete with a grade of “C” or better the following courses and their prerequisite: ACCT 211, ACCT 212, ACCT 311, ACCT 312, ACCT 313 and ACCT 315.

A student who majors in Accounting may not earn a minor in the undergraduate business department.

Concentrations in Business Analytics, Managing Human Resources and Sports Management are available in combination with this major. Requirements listed below must be completed with a “C” or better.

*The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.*
Requirements - Concentration:
Business Analytics Concentration: BALT 310, BALT 320, BALT 330 and BALT 340.

Managing Human Resources Concentration: MGT 330, 334, 335 and one of MGT 235, 302 or 320.

Sports Management Concentration: MGT 305, MKTG 305 and two courses from MGT 235, 297, 301.

Student Materials:
Calculator (Texas Instruments graphing calculator or equivalent)

General Equipment:
Wireless access throughout the building, public area visual displays, student study area with carrels with PCs, a common area printer, audio/visual equipment (LCD projector and/or TV monitor), lecterns with PCs and white boards.

Assigned Textbooks or Learning Materials:
Students can view current textbooks with ISBN numbers before each semester at http://bookstore.mbsdirect.net/benumesa.htm.

Graduate Employment Opportunities:
Job opportunities: Staff accountant, accountant, academic financial specialist, senior finance manager, financial analyst, tax manager or property accountant. Average salary: $46,518.

Potential employers: All companies, from small to large, can benefit from the assistance and expertise of an accountant. Accountants are needed in all lines of work and fields, from health care to retail, and there are plenty of opportunities available for graduates. In the United States alone, almost 280,000 new accounting related jobs are expected to be created from 2008-2018. Job growth for accountants and auditors, for example, is expected to be much higher than average, at 22 percent during this 10-year period.
Catholic Studies (Minor Only)

Student Type: Traditional Undergraduate

Faculty: Ramon Luzarraga, Ph.D., Assistant Professor, Theology

All faculty teaching Theology at Benedictine University at Mesa have a Mandatum from the local bishop.

Objectives:
Catholic Studies minors will:
1. Show knowledge of the fundamentals of Catholic scripture and tradition, and what they say about God, humanity, the natural world and virtuous living.
2. Understand that the search for truth has many methodologies and integrate their experiences in the Modes of Inquiry Curriculum with the Catholic intellectual tradition;
3. Show knowledge of Catholic views of religious diversity; and
4. Engage ethical problems thoughtfully and actively, and contribute to the work of peace and justice.

Requirements - Minor:
Catholic Studies minors: 21 semester credit hours with a grade of “C” or better, met through various courses including one THEO course designated as a Religious/Theological Mode of Inquiry and one Philosophical Mode of Inquiry course; one 300-level Theology course and participation in the Catholic Studies Learning Community for four semesters.

At least 12 semester credit hours at the 200-level or above, including a 3 semester credit-hour 300-level Theology course.

Learning Community

The Catholic Studies Learning Community will meet at the beginning and the end of the semester and attend the Visiting Scholar in Catholic Thought and Benedictine Heritage lecture series.
Communication Arts

A student must earn 120 semester credit hours to qualify for graduation and must maintain a “C” average (2.000) in all Benedictine University coursework.

Student Type: Traditional Undergraduate

Objectives:
Courses in Communication Arts are designed to:
1. Prepare graduates for careers in advertising, electronic and print media, journalism, public relations, publishing, writing or other careers requiring sophisticated communications skills;
2. Prepare graduates for continued study in graduate or professional school;
3. Develop the student’s critical and imaginative thinking, reading and writing skills;
4. Develop skills to empower the student to communicate ideas effectively, through speaking, writing and the use of technology;
5. Develop skills for critical interpretation of the media;
6. Foster aesthetic understanding in both production and interpretation of media texts;
7. Develop knowledge of the methods to make responsible social and personal decisions;
8. Develop primary and secondary research methodologies;
9. Develop an understanding of the history, structure and operation of the mass media;
10. Provide an understanding of the impact of mass media industries and messages on the individual, society and culture;
11. Develop professional-level skills in written and oral communication for a variety of media and audiences;
12. Develop professional-level production skills for both print and electronic media;
13. Encourage the development of creative expression; and
14. Help the student develop a professional media portfolio.

Requirements - Major:
Students majoring in Communication Arts must complete at least 42 semester credit hours within the department with a grade of “C” or better, including: COMM 201(3) or 150(3), 207(3), 208(3), 209(3), 235(3), 253(3), 254(3), 255(3), 317(3), 393(3), one 300-level theory course from: COMM 384(3), 385(3), 386(3), 388(3), 390(3), one 300-level applied course from: COMM C316(3), 337(3), 353(3), 381(3) or 382(3), at least one 300-level Communication Arts elective (theory or applied) and one 200- or 300-level Communication Arts elective. No more than 3 internship credit hours may count toward the major. Students majoring in Communication Arts will need to submit a portfolio of their work in advertising, journalism, multimedia, public relations and video, prior to graduation. Through working with advisors, majors will be guided in the selection of courses both within and outside the department in order to plan a program of studies tailored to their individual educational and career goals.

Requirements - Minor:
A minor in Communication Arts consists of at least 21 semester credit hours in Communication Arts courses with a grade of “C” or better, including: COMM 207(3), 209(3) or 254(3), 317(3), and an additional 3 semester credit-hour Communication Arts course at the 300 level.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Communication Arts major for pre-law students:
While stating that no single major is recommended for admission to law school, the “Statement on Prelegal Education of the Association of American Law Schools” emphasizes the absolute necessity for the “need to master, at the undergraduate level, advanced writing skills and effective oral communication. Lawyers must be able, in drafting instruments, to convey meaning clearly and effectively. In oral and written advocacy he or she must be capable of communicating ideas convincingly and concisely ... Truly, the law-trained man or woman, to perform effectively the tasks expected, must be a precisionist in the use of language.”

Students interested in law school who choose Communication Arts as a major are advised to take, in addition to their major requirements, the following courses, some of which may be applicable to divisional core requirements: PHIL 260 or 355(3) and a history course, ECON 101(3), ACCT 111(3), PLSC 202(3), MGT 150(3), CMSC 120(3), BIOL 197(3) or 198(3), and BCHM 100(3).

Student Materials:
Flash drive, DSLR camera and external hard drive.

General Equipment:
Wireless access throughout the building, public area visual displays, student study area carrels with PCs, a common area printer, audio/visual equipment (LCD projector and/or TV monitor), lecterns with PCs and white boards.

Program Equipment:
PC and Mac computer lab with Adobe Creative Cloud, editing and desktop publishing software, small chroma key studio, three professional DSLR camera kits (including lens kit, tripod, monopod, dolly, glidacam and external field monitors), four lighting and grip kits (including stands, sandbags, gels, gloves, power cables, etc.), three audio kits (including microphone, boom pole, audio recorder, headphones and cables), two iPads, three archival photo printers, various cables and connectors, and two point-and-shoot digital cameras. Equipment is used in the classroom, studio and most gear is available for student checkout.

Computer Science

A student must earn 120 semester credit hours to qualify for graduation and must maintain a “C” average (2.000) in all Benedictine University coursework.

Student Type: Traditional Undergraduate

Faculty: All faculty typically have a doctorate or terminal degree in their discipline and extensive experience in their field.

Objectives:
Computer Science deals with the systematic study of algorithms and data structures, specifically:
1. Their description and use in application;
2. Their software and hardware implementation; and
3. Their formal properties.

General education courses in Computer Science are designed to introduce the student to the skills needed in order to use computers as technical tools. The program for majors is designed to:
1. Provide solid foundations in:
   a. Problem-solving, algorithm development and computer programming
   b. The scientific principles which underlie the discipline of computer science
   c. The mathematical theory needed for computer science
2. Develop strong oral and written communication skills
3. Provide electives in:
   a. Applications appropriate to the programmer/analyst
   b. Scientific and technical applications
   c. The basic study of the theory and applications of computers
   d. Emerging developments in computer science

Acceptance into the Computer Science program:
A student will gain acceptance into the Computer Science program by completing the introductory sequence of CMSC 180, 185, 200 and 205 with a GPA of 2.500 or above and a grade of “C” or better in each of these courses. A transfer student will gain acceptance by meeting these requirements through equivalent transfer courses. Additionally, a transfer student must earn a GPA of 2.500 or above in all major classes (excluding labs) during the first semester at Benedictine in order to be accepted into the Computer Science program.

If it is determined at any time that a student cannot gain acceptance to the Computer Science program or cannot graduate with a Computer Science degree, the student will be required to change his or her major and seek academic advising outside of that program.

Requirements - Major:
The Computer Science major must complete a minimum of 44 semester credit hours of Computer Science courses numbered 180 or above, including 21 semester credit hours at the 300 level.
Required courses are CMSC 180(2), CMSC 185(2), CMSC 200(3), CMSC 205(3), CMSC 220(3), CMSC 270(3), CMSC 264(3), CMSC 274(3), CMSC 301(3), CMSC 330(3), CMSC 375(3) and CMSC 398(3).

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Students must also complete at least 9 semester credit hours from the following list: CMSC 310(3), CMSC 311(1), CMSC 331(1), CMSC 315(3), CMSC 365(3), CMSC 366(1), CMSC 391(3), CMSC 396, CMSC 397 and CMSC 399 do not count toward major credit. Computer Science majors must also complete a computational requirement of MATH 240(4) and one of the following computational courses (AP credit cannot be applied to this computational requirement): MATH 115(3), MATH 150(3), MATH 170(5), MATH 200(4), MATH 210(5) or MATH 211(4), MGT 150(3).

Grades of “C” or better are required to apply computer science or computational courses toward the degree.

Requirements - Minor:
Students seeking a minor in Computer Science must complete, with a grade of “C” or better: MATH 240(4) and at least 17 semester credit hours of Computer Science coursework, including CMSC 180(2), CMSC 185(2), CMSC 200(3), CMSC 205(3) and CMSC 270(3) or CMSC 274(3). One course must be at the 300 level.

General Equipment:
Wireless access throughout the building, public area visual displays, student study area carrels with PCs, a common area printer, audio/visual equipment (LCD projector and/or TV monitor), lecterns with PCs and white boards.

Assigned Textbooks or Learning Materials:
Students can view current textbooks with ISBN numbers before each semester at http://bookstore.mbsdirect.net/benumesa.htm.

Graduate Employment Opportunities:
Job Opportunities: Applications systems administrator, software engineer, IT, Java developer, application developer, web designer, software architect or LAMP developer. Average salary: $76,000.
Criminal Justice

A student must earn 120 semester credit hours to qualify for graduation and must maintain a “C” average (2.000) in all Benedictine University coursework.

Student Type: Traditional Undergraduate and Adult Accelerated Undergraduate

Faculty: Julie Cowgill, Ph.D., Associate Professor, Criminal Justice

Objectives:
To provide a well-rounded, liberal arts academic preparation for students who wish to work in the areas of law enforcement, probation and parole, the judicial system, or attend law school to become a criminal law attorney. The primary objectives of the program include the development of critical thinking, communication, technology and computing skills, qualitative reasoning, ethical decision making and an understanding of diversity.

Through this program, students will acquire, understand and synthesize knowledge pertaining to the legislative, law enforcement, judicial and correction components of the criminal justice system, as well as acquire a knowledge of the various theories concerning the criminal justice system.

Learn research methodology in order to apply it to questions of crime commission, law creation, law enforcement, the adjudicatory process and the correctional process, as well as the test of criminological theory.

Communicate effectively within and across all components of the criminal justice system. Understand the nature of evidence and how to evaluate it. Solve problems independently and cooperatively, and understand the importance of ethical behavior within the criminal justice system.

Requirements – Major:
The Criminal Justice major must complete: MATH 105(3) or 108(3) or 110(3), PLSC 102(3), PLSC 105(3), PLSC 201(3), CJUS 250(3), CJUS 260(3), CJUS 321(3), CJUS 351(3), CJUS 356(4), CJUS 390(3-6) or CJUS 395(3); three courses from: CJUS 206(3), 233(3), 240(3), 243(3), 294(3) SOCL 205(3), 270(3); and two courses from: CJUS 306(3), CJUS 324(3), CJUS 326(3), CJUS 330(3), CJUS 331(3), CJUS 372(3), CJUS 391(3), CJUS 390(3-6) if CJUS 395 is taken for MI, and CJUS 395(3) if CJUS 390 is taken for MI.

Each major course must be completed with a grade of “C” or better. In addition, each major must take an ethics course to meet the Philosophy Mode of Inquiry requirement.

Requirements – Minor:
A minor in Criminal Justice consists of a program of courses totaling at least 21 semester credit hours with a grade of “C” or better, submitted to and approved by the department chair, consisting of CJUS 260, CJUS 206, CJUS 294, CJUS 301, CJUS 321, one course (3 semester credit hours) from CJUS 233, CJUS 240 or CJUS 243, and one course (3 semester credit hours) from CJUS 330, CJUS 372 or CJUS 391. CJUS 250 and 351 may not be included for the minor.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Concentrations are available in combination with this major. Requirements listed below must be completed with a “C” or better.

**Requirements - Concentration:**
Diversity and Criminology: Students must complete the following courses: CJUS 212(3), CJUS 296(3), CJUS 320(3) and CJUS 360(3).

**Certificate in Diversity and Criminology:**
Student Type: Adult Accelerated Degree-Seeking Undergraduate

Objectives: Expand student knowledge and understanding and diversity in the criminal justice system, related directly to a critical criminology approach that shows the relationship between race, gender inequality and crime and to prepare the student to create research-based recommendations toward public policy.

Requirements: Students must complete with a grade of “C” or better, the following for a total of 15 semester credit hours: CJUS 212(3), CJUS 260(3), CJUS 296(3), CJUS 320(3) and CJUS 360(3).

**General Equipment:**
Wireless access throughout the building, public area visual displays, student study area carrels with PCs, a common area printer, audio/visual equipment (LCD projector and/or TV monitor), lecterns with PCs and white boards.

**Assigned Textbooks or Learning Materials:**
Students can view current textbooks with ISBN numbers before each semester at [http://bookstore.mbsdirect.net/benumeresa.htm](http://bookstore.mbsdirect.net/benumeresa.htm).

**Graduate Employment Opportunities:**
*Job Opportunities:* Compliance officer, security manager, probation officer, victim service specialist, security consultant or policy analyst. Average salary: $58,720.

*Potential Employers:* Correctional facilities, jails, prison camps, youth correctional facilities, pre-release programs, alternative schools, women’s and family shelters, domestic violence agencies, immigration and naturalization services, nonprofit organizations, courts, law firms, legal departments, police departments, state troopers, crime labs, postal service, colleges and universities, banks or online companies.

Graphic Arts and Design

A student must earn 120 semester credit hours to qualify for graduation and must maintain a “C” average (2.000) in all Benedictine University coursework.

Student Type: Traditional Undergraduate

Faculty:
Michael Tole, M.F.A.

Objectives:
The Graphic Arts and Design program will teach students to create effective and innovative solutions to the problems of visual communication and product design in practical applications such as: advertising, entertainment, web design, print media, product design, branding, illustration and other commercial endeavors. This requires students to master the following objectives:

- Identify the idea or message to be communicated, or in the case of product design, identify the function, setting, operation and optimal user interface for the object.
- Research the topic by gathering information from the client/potential consumer, appraising existing solutions/comparable products, and considering the various aesthetic choices and their potential impact, etc.
- Brainstorm a multitude of possible solutions.
- Select the most appropriate/effective solution for the individual project by analyzing the benefits and detriments of each possible solution within the context of the individual design project either through careful theoretical consideration or hands on trial and error.
- Effectively applying the elements and principles of design, typography, knowledge of materials and construction techniques, and knowledge of contemporary and historical aesthetics to the execution of the solution.
- Using various techniques and technology to transform the idea into something that exists in the real or digital world. This may include, but is not limited to: drawing, sculpture, photography and film, computer graphics programs such as Adobe Creative Suite, CAD, computer animation programs, video editing programs, web design, digital printing, 3D printing, etc.
- In the Benedictine tradition, the Graphic Arts and Design program also includes a solid, well-rounded liberal arts education that provides a social, historical, literary, psychological, scientific, mathematic, philosophical and theological framework that will inform the graduate’s future work and life.

Major Requirements:
The Graphic Arts and Design major must complete each of the following courses with a grade of “C” or better: FNAR 101(3), FNAR 111(3), FNAR 203(3), FNAR 204(3), FNAR 205(3), choice of one course from FNAR 120(3) or FNAR 294(3); GAD 230(3), GAD 260(3), GAD 293(3), GAD 360(3), GAD 300(3), COMM 208(3), COMM 353(3), COMM 381(3), GAD 297(2-6), GAD 393(3), 3 semester credit hours in a three dimensional course and one of the following Art courses – FNAR 240(3), FNAR 241(3), FNAR 242(3), FNAR 243(3), or FNAR 250(3).
Cognate Course:
Three credit hours in a modern language.

Requirements for three Minor Programs:

**Fine Arts:** FNAR 101(3), FNAR 111(3), FNAR 203(3), FNAR 204(3), choice of two 200-level studio art courses and choice of one 300-level Art course.

**Graphic Design:** FNAR 111(3), GAD 205(3), GAD 230(3), choice of one Art History course, GAD 260(3), choice of GAD 360(3) or GAD 300(3), GAD 393(3)

**Art History:** FNAR 203(3), FNAR 204(3), FNAR 205(3), FNAR 206(3), FNAR 111(3), choice of GAD 205(3) or FNAR 207(3) or FNAR 208(3), and FNAR 398(3).

Students can view current textbooks with ISBN numbers before each semester at [http://bookstore.mbsdirect.net/benumesa.htm](http://bookstore.mbsdirect.net/benumesa.htm).

Graduate Employment Opportunities:
Projections for career opportunities in the graphic arts and design field from 2012 to 2022 include employment growth in computer systems design and related services by 35 percent over graphic design production that pertains to newspaper, periodical, book and directory publishers. With increased use of the Internet, graphic designers will be needed to create designs and images for portable devices, websites, electronic publications and video entertainment media. (Bureau of Labor Statistics, Job Outlook).

*Job Opportunities:* Senior graphic designer, creative marketing specialist, adjunct professor of fine arts and production-image creation, or social media specialist. Average salary: $57,500.

According to a 2016 study from the Arizona Department of Administration’s Office of Employment and Population Statistics, the annual average salary for graphic designers was $45,197 in 2015.

“By acquiring a graphic design degree, students can make nearly $10,000 more per year than those without college experience. An analysis of more than 15,000 graphic design jobs posted throughout the past year showed that 82 percent preferred candidates to have a bachelor’s degree.” (Burning-glass.com 10/22/2012 - 10/21/2013)
Management

A student must earn 120 semester credit hours to qualify for graduation and must maintain a “C” average (2.000) in all Benedictine University coursework.

College: College of Business

Department: Undergraduate Business

Faculty: All faculty typically have a doctorate or terminal degree in their discipline and extensive experience in their field.

Student Type: Adult Accelerated Undergraduate

Objectives:
This program and courses are designed to:

1. Articulate how the functional areas of business interrelate within organizations;
2. Improve skills in communication, analytical thinking and appreciating the human element in organizations;
3. Evaluate the role of economics and business in the social environment of our culture; and
4. Develop specific skills applicable to various aspects of the functional areas of business.

This program is designed to:

1. Enable you to perform effectively in professional and career positions in management; and
2. Prepare you for graduate and professional study in business or management.

All students in this program will receive a thorough grounding in:

1. Economics (the theoretical basis for the discipline);
2. Mathematics (the tool for the discipline); and
3. The principles pertinent to all of the functional areas of business, accounting, management, information technology and marketing, in an integrated manner and with adequate focus on strategic management.

The Management program is offered in a learning team/blended format through evening classes, as well as in a fully online format. These options provide time periods and formats designed for the needs of adult learners. Management students must complete a minimum of 120 semester credit hours for degree completion.

Requirements - Business Cognates:
Management students must complete the following cognate courses with a grade of “C” or better: ECON 101(3), PSYC 100 (3) and PHIL 245 (3).

Requirements - Major
Management students must complete the following major courses with a grade of "C" or better: MGT 217(3), which must be the first course taken, BALT 240(3), ACCT 111(3), ACCT 112(3), ECON 102(3), MGT 300(3), MGT 150(3), MGT 237(3), MKTG 300(3), MGT 320(3), BALT 301(3),

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
MGT 235(3), MGT 333(3), MGT 330(3), INTB 302(3), MGT 347(3), FINA 300(3) and MGT 387(3) which should be the last major course taken.

**Transfer Credits:**
Transfer credits for major courses and MATH 105(3) will not be accepted after a student is admitted into the Bachelor of Arts in Management program. The following courses must be completed at Benedictine University: MGT 217(3), IDS 202(3), IDS 304(3) and MGT 387(3).

**Work/Life Experience Credits:**
General elective credit hours may be demonstrated through the Prior Learning Assessment (PLA) program by the submission and approval of a Work/Life Experience portfolio. Students need to complete all of the requirements of the PLA program within one year of starting their degree program. The maximum number of credits that may be obtained through work/life experience is 18 semester credit hours.

**Concentrations:**
For Management students, optional concentrations provide an opportunity to expand knowledge in different areas. Each concentration is composed of four courses for a total of 12 semester credit hours. In order to qualify for a concentration, a grade of “C” or better must be obtained for each course. The following three concentrations are available:

- The Human Resources Management concentration requires completion of the following courses: MGT 262(3), MGT 264(3), MGT 266(3) and MGT 270(3). It is recommended that students complete MGT 330 prior to taking the concentration courses.
- The Marketing concentration requires completion of the following courses: MKTG 310(3), MKTG 330(3), MKTG 331(3) and MKTG 350(3).
- The Digital Marketing for Working Professionals concentration requires completion of the following courses: MKTG 241(3), MKTG 242(3), MKTG 243(3) and MKTG 244(3).

Management and Organizational Behavior

A student must earn 120 semester credit hours to qualify for graduation and must maintain a “C” average (2.000) in all Benedictine University coursework.

Student Type: Traditional Undergraduate

Faculty: Cyndi Laurin, Ph.D., Assistant Professor, Management and Organizational Behavior

Objectives:
This program and courses are designed to:
1. Evaluate the role of economics and business in the social environment of our culture;
2. Articulate how the functional areas of business interrelate within organizations;
3. Improve skills in communication, analytical thinking and appreciating the human element in organizations; and
4. Develop specific skills applicable to the various aspects of the functional areas of business.

This program and major are designed to:
1. Prepare you for entry-level positions;
2. Enable you to perform effectively in professional and career positions in management; and
3. Prepare you for graduate and professional study in business or management.

All students in this program will receive a thorough grounding in:
1. Economics (the theoretical basis for the discipline);
2. Mathematics and statistics (the tool subjects);
3. The principles pertinent to all of the functional areas of business, accounting, finance, management, and marketing, in an integrated manner and with adequate focus on their international aspects; and
4. The important functional areas of management; including human resources, operations management, organizational behavior and the management process of planning, implementation and control.

The Management and Organizational Behavior program is designed so that the entire degree is available through day classes for the traditional undergraduate student.

Requirements - Major:
Management and Organizational Behavior majors must complete the University Inquiry Curriculum requirements, which are partially satisfied by MGT 252 Business Ethics (which also counts as a Theological/Religious Mode of Inquiry) or one MI approved philosophy course in ethics, MATH 105(3) or MATH 110(3), and MATH 115(3). All business majors must complete BALT 240.

Majors must complete each of the business core courses with a “C” or better: ACCT 111(3), 112(3); ECON 101(3), 102(3); FINA 300(3); MKTG 300(3); MGT 150(3), MGT 251(3), MGT 300(3) and MGT 380(3).

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Majors must complete with a “C” or better: MGT 320(3), 330(3) and 333(3). Additionally, majors must complete with a “C” or better either MGT 235(3) or BSCI 210(3) and two specialization elective courses from among BALT 310(3), BALT 320(3), BALT 340(3), BALT 350(3), BALT 360(3), MGT 301(3), 302(3), 303(3), 305(3), 315(3), 334(3), 335(3), 347(3), 237(3) or an international business elective at the 300 level.

Students in the Second Major Program that is housed outside of the department must complete the ethics, mathematics and computer science requirements of the first paragraph above and all of the requirements of the second and third paragraphs above.

CLEP, life experience, work experience, internships, advanced placement and other external credit do not substitute for upper-level (300) courses.

Management and Organizational Behavior majors who elect to earn a second major in the Undergraduate Business Department must complete “specialization courses” for the second business major. Specialization courses may only be used to satisfy the requirement for one business major.

Requirements - Minor:
Only courses in which a student has earned a “C” or better may be applied to the minor. Students are limited to one minor in the Accounting or Management and Organizational Behavior programs. Students (except Bachelor of Arts in Management students) seeking a minor in Management and Organizational Behavior must complete with a grade of “C” or better; 21 semester credit hours which must include ECON 101(3), 102(3); ACCT 111(3); MGT 300(3); and at least three unique 300-level courses in management. A Bachelor of Arts in Management student may not minor in Management and Organizational Behavior. A student who majors in Management and Organizational Behavior may not earn a minor in the undergraduate business department.

Requirements - Concentration:
Management and Organizational Behavior majors must select a concentration. Concentrations in Business Analytics, Managing Human Resources and Sports Management are available in combination with this major. Requirements listed below must be completed with a “C” or better.

Business Analytics Concentration: BALT 310, BALT 320, BALT 330 and BALT 340.

Managing Human Resources Concentration: MGT 330, 334, 335 and one of MGT 235, 302 or 320.

Sports Management Concentration: MGT 305, MKTG 305 and two courses from MGT 235, 297 or 301.

Student Materials:
Calculator (Texas Instruments graphing calculator or equivalent).

General Equipment:
Wireless access throughout the building, public area visual displays, student study area carrels with...
PCs, a common area printer, audio/visual equipment (LCD projector and/or TV monitor), lecterns with PCs and white boards.

Requirements - Minor:
Students seeking a minor in Nutrition must complete with a grade of “C” or better; CHEM 101(3) and 102(1) [or CHEM 113(3), 114(1), 123(3) and 124(1)]; CHEM 103(3) and 104(1) [or 242(3), 243(1), 247(3) and 248(1)]; BIOL 258(4); and at least 16 semester credit hours in NUTR including: NUTR 200(3) or 201(3) or 241(3); NUTR 251(3); two courses from among the following: NUTR 271WI(3), 280(3), and/or 345(3); and one of the following: NUTR 300(4) or 371(4).

Health Education Certification Information (Mesa Campus only):
The Health Education concentration of the Nutrition major is designed to prepare students to pursue the Certified Health Education Specialist (CHES) certification, which grants licensure to qualified individuals. The CHES examination is offered through the National Commission for Health Education Credentialing, Inc. (NCHEC – http://www.nchec.org).

Health Educators foster awareness of positive health behaviors and promote behavior change for health promotion and disease risk reduction. The Health Education concentration provides students with the knowledge and practice of skills to assess, create, plan, implement, monitor and evaluate programs designed to promote, maintain and improve the health of individuals, groups and communities, as well as impact environments and policies. Students learn to coordinate the provision of health education services and act as resources during field experiences, communicating needs, concerns and resources. This concentration provides a unique focus on nutrition for risk reduction.

Student Materials:
Computer or iPad and white laboratory coat.

General Equipment:
Wireless access throughout the building, public area visual displays, student study area carrels with PCs, a common area printer, audio/visual equipment (LCD projector and/or TV monitor), lecterns with PCs and white boards.

Program Equipment:
State-of-the-art culinary arts lab complete with professional quality equipment.
Health Assessment Lab: professional quality equipment to measure cholesterol, blood pressure, blood glucose, hematocrit and standard anthropometric measurements.

**Assigned Textbooks or Learning Materials:**
Students can view current textbooks with ISBN numbers before each semester at [http://bookstore.mbsdirect.net/benumesa.htm](http://bookstore.mbsdirect.net/benumesa.htm).

**Graduate Employment Opportunities:**
From Guidelines for ACEND-Accredited-Advanced-Practice-Residences (1.0, 2012):
“According to an unpublished report from the 2011 Commission on Dietetic Registration (CDR) Workforce Demand Study, Dietetics Supply and Demand: 2010-2020: if supply factors and limitations persist, there will be a shortfall between demand for services and the capacity of the dietetics workforce. By 2020, a projected shortfall of about 18,000 full time workers (or more) may exist.”

**Job Opportunities:** Director of enteral nutrition, enteral technician, registered dietitian, nutrition services manager, health coach or therapeutic dietitian-nutrition services. Average salary: $48,090.

**Potential Employers:** Hospitals, nursing care facilities, health centers and clinics, exercise centers, public health departments, community centers, day care centers, community health organizations, hospitals, schools, college and universities, camps, restaurants, hotels, U.S. Department of Health and Human Services, U.S. Department of Agriculture, Peace Corps, grocery stores, sports teams or catering services.

Political Science

A student must earn 120 semester credit hours to qualify for graduation and must maintain a “C” average (2.000) in all Benedictine University coursework.

Student Type: Traditional Undergraduate

Faculty: Julie Cowgill, Ph.D., Associate Professor, Criminal Justice

Objectives:
Political Science students at Benedictine University learn both theoretical and practical material about political systems and their processes, both domestic and international, as part of our overarching goal to develop a strong understanding of the concept of citizenship and commitment to service. Our faculty take pride in challenging our students and helping them to develop critical research, writing and oral communications skills.

The program is designed to:
1. Provide theoretical and practical knowledge about politics in the United States and political systems and processes around the world;
2. Prepare students to pursue careers in law, journalism, business, advocacy groups, nonprofit organizations, politics and public service, government, and international organizations and agencies, among others;
3. Provide students an opportunity to choose from concentrations in pre-law or international affairs;
4. Develop writing and research ability and critical-thinking essential for success in any career choice;
5. Develop a strong understanding of the concept of citizenship and a commitment to public service;
6. Provide internships and other non-classroom learning experiences in government, law and business, and other opportunities through the University’s Center for Civic Leadership.
7. Encourage participation in our award-winning Model United Nations and Mock Trial teams.

Requirements - Major:
Political Science majors must complete ECON 101(3); and PSYC 100(3). HIST 111(3) and 112(3) are strongly recommended. Also recommended are 12 semester credit hours in a modern language and HIST 223(3). The major itself consists of a minimum of 36 semester credit hours in political science, completed with a grade of “C” or better, including PLSC 102(3), 105(3) or 205(3), 201(3), 210(3), 299(3), 399(3), and 18 semester credit hours in other political science courses, 9 semester credit hours of which must be at the 300 level. All major and cognate courses must be completed with a grade of “C” or better. Although repeatable for credit, both PLSC 215(3) and 237(3) courses can be counted only once toward completion of the 36 semester credit hour Political Science major requirement.

Global Studies (PLSC 101) will not count toward a Political Science major or minor requirement.
Credit will not be granted for both PLSC 105 and PLSC 205.
Pre-Law Concentration:
In response to law school recommendations, the pre-law concentration does not require a specific course of study but focuses on a broad range of offerings out of six academic programs. The thrust is a broad liberal arts background, which makes the student aware of pressing social problems, knowledgeable about the American system of government and capable of reading critically and writing in a clear, concise manner.

The student in the Pre-Law concentration is required to complete the following courses in political science with a grade of “C” or better: PLSC 102(3), 105 or 205(3), 201(3), 210(3), 230(3)/330(3), 231(3)/331(3), 243(3)/343(3), 299 and 399, ECON 101(3), and five electives from the following courses: ACCT 111(3), 112(3); COMM 317(3); ENVS 205(3); GENS 100(3); HIST 112(3), 260(3), 265(3); MGT 235(3), 236(3), PHIL 200(3), 240(3), 245(3), 250(3), 260(3), 355(3); PSYC 210(3); SOCL 205(3), 240(3), 260(3), 306(3), 321(3), 391(3); other courses related to the law, as approved by the Pre-Law advisor; or any PLSC 200- or 300-level course.

Requirements - Minor:
21 semester credit hours, with a grade of “C” or better, are required for a minor in Political Science. These 21 semester credit hours must include PLSC 102(3), 201(3), 105(3) or 205(3), 210(3), 299(3) and 6 additional semester credit hours above 200, including 3 semester credit hours at the 300 level. PLSC 215 and PLSC 237, while repeatable for credit, may only be counted once toward satisfying requirements for the minor.

Other Information:
Course repeat policy for majors and minors in Political Science: A student who has received an unsatisfactory grade (below a “C“) in a course that satisfies requirements within the major or minor may repeat that course one time only. The course must be completed satisfactorily at Benedictine University. After three attempts (defined as enrollment beyond the add/drop date), a student will be denied further enrollment in a course within the major or minor. A student who has completed PLSC 399 Thesis Research and Writing and received a letter grade may not repeat the course.

General Equipment:
Wireless access throughout the building, public area visual displays, student study area carrels with PCs, a common area printer, audio/visual equipment (LCD projector and/or TV monitor),lecterns with PCs and white boards.

Assigned Textbooks or Learning Materials:
Students can view current textbooks with ISBN numbers before each semester at http://bookstore.mbsdirect.net/benumesa.htm.

Graduate Employment Opportunities:
Job Opportunities: Director of intergovernmental affairs, senior public involvement coordinator, global security watch officer, site planner or teacher-social studies. Average salary: $45,500.

Potential Employers: Law firms (as attorneys and/or paralegals), courthouses, the federal government, state and local government offices, Peace Corps, the United Nations, NGO’s such as UNICEF, CARE,
etc., think tanks such as the Brookings Institute, interest groups (lobbying groups) or media (CNN, local, etc.).
Psychology

A student must earn 120 semester credit hours to qualify for graduation and must maintain a “C” average (2.000) in all Benedictine University coursework.

Student Type: Traditional Undergraduate and Adult Accelerated Undergraduate

Faculty: Shannon Rauch, Ph.D., Assistant Professor, Psychology

Objectives:
Psychology is a science that studies individual, group and societal behaviors and investigates them using experimental, clinical and social-developmental methods. The professional psychologist uses principles derived from research to solve individual, group and organizational problems. This program is designed to:

1. Inform students of results from the experimental, clinical and social developmental areas of research;
2. Introduce the student to the statistics and research methods of psychology;
3. Provide a sound background applicable to the wide variety of careers available with a bachelor’s degree; and
4. Serve as a basis for graduate work in psychology or other related professional careers such as medicine, law, social work and business.

Requirements - Major:
Psychology majors must complete MATH 105(3), 108(3) or 110(3) with a grade of “C” or higher. Majors are required to complete, with a grade of “C” or better, the departmental core: PSYC 100(3), 250(3), 351(3), 395(3), three courses at the 200 level exclusive of: PSYC 250, and 17 semester credit hours at the 300 level exclusive of PSYC 351 and 395. One additional choice of a 200- or 300-level course is required.

Students pursuing graduate school should take the following classes: PSYC 220 Personality, PSYC 300 Abnormal and PSYC 391 Topics: Tests and Measurement.

Requirements - Minor:
A minor in Psychology consists of a program of courses totaling at least 21 semester credit hours with a grade of “C” or better, submitted to and approved by the department chair, including at least 12 semester credit hours at the 200 level or above, of which at least 3 semester credit hours must be at the 300 level. PSYC 250 and 351 may not be included for the minor.

General Equipment:
Wireless access throughout the building, public area visual displays, student study area carrels with PCs, a common area printer, audio/visual equipment (LCD projector and/or TV monitor), lecterns with PCs and white boards.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Assigned Textbooks or Learning Materials:
Students can view current textbooks with ISBN numbers before each semester at http://bookstore.mbsdirect.net/benumesa.htm.

Clinical Training, Practicum, Externships or Special Features:
Have the opportunity to gain practical work experience by taking part in on-the-job field placements in psychology or life span services.

Graduate Employment Opportunities:
Job Opportunities: Probation officer, prevention and education specialist, crisis specialist (mobile team), substance abuse counselor, youth engagement specialist or academic advisor. Average salary: $43,400.

Potential Employers: Community service agencies, advocacy groups, nonprofit organizations, private foundations, adoption and child care agencies, nursing homes, hospitals, halfway houses, insurance companies, correctional institutions, court systems, schools, colleges and universities, government agencies or Peace Corps.
Religious Studies (Minor Only)

**Student Type:** Traditional Undergraduate

**Objectives:** Religious Studies minors will:

1. Show knowledge of how different religions view humanity, the natural world and the divine;
2. Understand the study of religion as an interdisciplinary task, relating to the arts and humanities on the one hand, and the social and natural sciences on the other;
3. Recognize the diversity of viewpoints and practices in the contemporary world of religious pluralism;
4. Problem-solve claims related to “the One and the Many;”
5. Engage ethical problems thoughtfully and actively, and contribute to the work of peace and justice.

**Requirements - Minor:**
Religious Studies minors: 21 semester credit hours with a grade of “C” or better, met through any of the following courses: RELS 100(3), RELS 120(3), RELS 130(3), RELS 140(3), RELS 150(3), RELS 160(3), RELS 165(3), RELS 220(3), RELS 221(3), RELS 250(3), RELS 285(3), THEO 104(3), THEO 225(3), THEO 235(3), THEO 250(3) and a 300-level course arranged with faculty. At least 12 semester credit hours at the 200 level or above, including at least 3 semester credit hours at Benedictine at the 300 level, must also be completed.

**Assigned textbooks or learning materials:**

Spanish

A student must earn 120 semester credit hours to qualify for graduation and must maintain a “C” average (2.000) in all Benedictine University coursework.

Student Type: Traditional Undergraduate

Faculty: Anthony Cella, Ph.D., Assistant Professor, Spanish

Objectives:
The faculty members who teach in the Spanish program firmly believe that, for the person who possesses the ability to communicate in another language and who shows sensitivity toward and understanding of other cultures, the world will have fewer boundaries. The development of language skills and cultural understanding and sensitivity will stimulate students’ intellectual and personal growth and broaden their perspective, thus enabling them to become responsible citizens and leaders in the world community.

We currently offer several major and minor options:
- Bachelor of Arts in Spanish
- Bachelor of Arts in Spanish with Minor in Education
- Bachelor of Arts in Spanish with Medical Spanish Concentration
- Minor in Spanish
- Minor in Medical Spanish
- Minor in Medical Spanish Interpretation

In addition, students can combine the Spanish major with a major or minor in another discipline such as global studies, social sciences, international business and economics, education, pre-law, health sciences or social work.

The faculty subscribes to the proficiency guidelines of the American Council on the Teaching of Foreign Languages (ACTFL) and uses them as a basis for instruction.

Courses in Spanish are designed to enable students to:
1. Initiate and progressively develop skills in listening comprehension, speaking, reading, writing and cultural understanding;
2. Recognize the close relationship between language and culture, enabling them to become culturally sensitive to non-English speaking peoples and societies;
3. Be able to use highly specialized terminology from a variety of professional fields, including, but not limited to, health care, business and finance, foreign language education, translation and interpretation, and law and law enforcement; and
4. Broaden their career opportunities and marketability in an increasingly globalized and interdependent world.
The majors in Spanish are designed to:

1. Enable students to develop at least Intermediate-High level proficiency in all four skills, as described in the guidelines of the American Council on the Teaching of Foreign Languages (ACTFL). At this level students will be able to:
   a. Create with the language;
   b. Handle successfully most uncomplicated communicative tasks and social situations;
   c. Initiate, sustain and close a general conversation with a number of strategies appropriate to a range of circumstances and topics, although errors may still be evident;
   d. Ask and answer questions;
   e. Demonstrate emerging evidence of connected discourse, particularly for simple narration and/or description; and
   f. Be generally understood even by interlocutors not accustomed to dealing with intermediate-high level speakers;

2. Immerse students in the culture of a Spanish-speaking country through a study abroad experience;

3. Familiarize students with Spanish and Latin American culture, literature, art and current political issues and their international ramifications; and

4. Enable students to effectively use Spanish in a variety of professional contexts (health care, business, foreign language education, etc.).

The minors in Spanish are designed to:

1. Enable students to develop at least Intermediate-Mid level proficiency in all four skills, as described in the ACTFL guidelines. At this level students will be able to:
   a. Create with the language;
   b. Handle successfully a variety of uncomplicated, basic and communicative tasks and social situations;
   c. Talk simply about self and family members;
   d. Ask and answer questions and participate in simple conversations on topics beyond the most immediate needs, such as personal history and leisure time activities; and
   e. Be generally understood by sympathetic interlocutors, although misunderstandings may still arise; and

2. Expose students to the traditions, values and lifestyles of a culture different from their own.

3. Introduce students to the grammatical structures and terminology most commonly used in a variety of professional settings (health care, business, foreign language education, etc.).

Requirements – Bachelor of Arts in Spanish:

A Spanish major must complete at least 36 semester credit hours from among Spanish courses numbered 201 or above, all with a grade of "C" or better. The 36 semester credit hours (typically 12 classes) must include all of the following courses or equivalents: SPAN 201(3), SPAN 202(3), SPAN 211(3), SPAN 212(3) [heritage speakers may seek departmental approval in order to replace this class with any course above SPAN 212(3)], SPAN 230(3), SPAN 231(3), SPAN 311(3) and SPAN 312 (3); and a 6 semester credit-hour literature requirement consisting of one of the following three options: a) SPAN 220(3) and SPAN 310(3), b) SPAN 221(3) and SPAN 307(3), or c) SPAN 307(3) and SPAN 310(3). In order to satisfy the 36 semester credit-hour graduation requirement, Spanish majors must also take two additional elective classes. At least one must be taken at the 300-level, but the other can be
any class above SPAN 212 (both need to be pre-approved by the Department of Languages and Literature).

Students are also required to participate in a study abroad experience in a Spanish-speaking country, but in some extraordinary circumstances a waiver of this requirement may be requested from the chair of the Department of Languages and Literature (in place of studying abroad, these students may be required to participate in an internship and/or service-learning experience with an agency, educational institution or company where Spanish is used extensively, in which case they must earn a minimum of 3 semester credit hours for the internship).

Majors must also demonstrate Intermediate-High level proficiency in spoken Spanish according to the ACTFL guidelines. Students should arrange to take an oral proficiency exam during the semester PRIOR to the semester in which they plan to graduate. This ACTFL oral proficiency exam is administered online for a modest fee. After taking the test, students receive a nationally-recognized certificate of their oral language ability from ACTFL. For information on the ACTFL online test, contact Rafael Iglesias at (630) 829-6268. The interview may be repeated for an additional fee until the required level of proficiency is demonstrated.

Requirements – Bachelor of Arts in Spanish with Medical Spanish Concentration:
To earn a major in Spanish with a concentration in Medical Spanish, students must complete at least 36 semester credit hours from among Spanish courses numbered SPAN 201 or better, all with a grade of “C” or better. The 36 semester credit hours (typically 12 classes) must include all of the following courses or equivalents: SPAN 201(3), SPAN 202(3), SPAN 211(3), SPAN 212(3) [heritage speakers—students who grew up in a Spanish-speaking home—may seek departmental approval to take a 200- or 300-level SPAN elective in lieu of SPAN 212(3)], SPAN 215(3), SPAN 216(3), SPAN 230(3) or SPAN 231(3), SPAN 311(3), SPAN 313(3) or SPAN 360(3), and SPAN 350(3). In addition, students must complete a 6 semester credit-hour literature requirement consisting of one of the following three options: a) SPAN 220(3) and SPAN 310(3), b) SPAN 221(3) and SPAN 307(3), or c) SPAN 307(3) and SPAN 310(3).

All students pursuing a Spanish major are required to participate in a study abroad experience in a Spanish-speaking country, but in some extraordinary circumstances a waiver of this requirement may be requested in writing from the chair of the Department of Languages and Literature (students who are granted a study abroad waiver will normally be required to participate in a 3 semester credit-hour internship and/or service-learning experience with an agency, educational institution or company in the United States where Spanish is used extensively). Students pursuing a Spanish major with a Medical Spanish concentration are strongly encouraged to participate in an internship or service-learning opportunity either as part of their study abroad experience or in the United States (SPAN 297 and/or SPAN 397).

To earn a Bachelor of Arts in Spanish with a Medical Spanish concentration, students must earn a rating of Intermediate-High level proficiency or above in spoken Spanish according to ACTFL guidelines. Students should arrange to take the ACTFL oral proficiency exam during the semester PRIOR to the semester in which they plan to graduate. The ACTFL oral proficiency exam is administered online for a modest fee. After taking the test, students receive a nationally recognized certificate of their oral language proficiency rating from ACTFL. For information on the ACTFL online
test, contact Rafael Iglesias at (630) 829-6268. The ACTFL oral proficiency exam may be repeated for an additional fee until the required level of proficiency is demonstrated.

**Requirement - Minor in Spanish:**
A minor in Spanish consists of at least 21 semester credit hours of Spanish courses at or above the 200 level completed with a “C” or better. Students must complete all of the following courses or equivalents approved by the department: SPAN 201(3), SPAN 202(3), SPAN 211(3) and SPAN 212(3) (heritage speakers may seek departmental approval in order to replace this class with any course above SPAN 212). Students must also complete three more courses above the SPAN 212 level (9 semester credit hours), at least 3 semester credit hours of which must be at the 300 level. Only two of the three courses can be chosen from among the Medical Spanish courses (SPAN 215, SPAN 216, SPAN 313, SPAN 350 and SPAN 360). Minors in Spanish must also demonstrate Intermediate-Mid level proficiency in spoken Spanish according to the ACTFL guidelines. The interview may be repeated for an additional fee until the required level of proficiency is demonstrated.

**Requirement - Minor in Medical Spanish:**
To complete the minor in Medical Spanish, a student must earn at least 21 semester credit hours in Spanish (typically seven classes). The requirements for the minor are SPAN 202, SPAN 211, SPAN 212 (heritage speakers may seek departmental approval to take a 200- or 300-level SPAN elective in lieu of SPAN 212), SPAN 215 or SPAN 216, SPAN 350 or SPAN 360, plus two more elective courses (6 semester credit hours) chosen from classes above the SPAN 212 level, one of which (3 semester credit hours) must be in the area of Medical Spanish (currently, SPAN 215, SPAN 216, SPAN 313, SPAN 350, SPAN 360, or any medically-related Spanish class or internship preapproved by the department).

The second elective must be chosen from among non-Medical Spanish courses (SPAN 220, SPAN 221, SPAN 230, SPAN 231, SPAN 305, SPAN 307, SPAN 310, or any Spanish class or internship preapproved by the department). In order for a course to count toward this minor, the student must earn a grade of “C” or better. In order to graduate with a minor in Spanish, students must earn a rating of Intermediate-Mid level or above on the ACTFL oral proficiency exam. The online ACTFL oral proficiency interview may be repeated for an additional fee until the required level of proficiency is demonstrated.

**Requirement - Minor in Medical Spanish Interpretation:**
This minor is designed for students interested in the fast-growing profession of Medical Interpretation. It enables graduates to demonstrate to potential employers or professional graduate programs (for example, in medicine, law or business) a high level of linguistic proficiency in Spanish, mastery of the concept of cultural competency, and a deep understanding of and appreciation for various Latino and Hispanic cultures, in particular as they relate to health care beliefs and practices.

This minor program will prepare graduates with native or near-native proficiency in Spanish to undertake advanced coursework and seek official Certified Medical Interpreter (CMI) certification from the National Board of Certification for Medical Interpreters (NBCMI) because this Benedictine program has been carefully designed to take into account the Medical Interpreting Standards of Practice of the International Medical Interpreters Association (IMIA), as well as those outlined in two documents created by the National Council on Interpreting in Health Care (NCIHC): 1) the National
Standards of Practice for Interpreters in Health Care, and 2) the Program Content Standards of the 2011 National Standards for Healthcare Interpreter Training Programs.

To complete the minor in Medical Spanish Interpretation, a student must earn at least 22 semester credit hours in Spanish (typically seven classes + a 1 semester credit hour internship). Required courses include: SPAN 211, SPAN 212 (heritage speakers may seek departmental approval to take a 200- or 300-level SPAN elective in lieu of SPAN 212), SPAN 215 or SPAN 216, SPAN 350, SPAN 360, plus two SPAN elective courses (6 semester credit hours) above the SPAN 212 level. At least one of the SPAN electives must be chosen from among non-Medical Spanish courses (SPAN 220, SPAN 221, SPAN 230, SPAN 231, SPAN 307, SPAN 310, or any Spanish class or internship preapproved by the department). In order for a course to count toward this minor, the student must earn a grade of “C” or better.

Students pursuing the minor in Medical Spanish Interpretation are REQUIRED to participate in an internship (SPAN 297/SPAN 397) for a minimum of 1 semester credit hour. While students in this minor program are strongly encouraged to study abroad, they are NOT REQUIRED to do so.

In order to graduate with the minor in Medical Spanish Interpretation, students must earn a rating of Intermediate-High or above on the online ACTFL oral proficiency interview.

Other Information:
Demonstrating Proficiency in Spanish and Placement Credit through Department:
A Spanish placement exam is required for students who have taken any Spanish classes in high school. The placement test is also required for students who have acquired a level of proficiency in Spanish in a non-classroom setting (e.g., native speakers, heritage speakers – home use – of Spanish or study abroad), and for those students who have a lapse of a year or more in their language studies.

If a student takes the Benedictine University placement exam, is placed into SPAN 102 or above, AND completes at least one Spanish course at Benedictine above the SPAN 101 level in which he/she earns a grade of “C” or better, the student should submit a “Petition for External Credit” form (available in the Academic and Career Enrichment Center and online on the Advising Center page of the Benedictine University website). After completing and signing the appropriate form, the student should obtain an unofficial copy of his or her transcript and attach it to the form. The form and the attachment should then be given to the chair of the Department of Languages and Literature for approval of placement credit. Under NO CIRCUMSTANCES will academic credit or waiver of a language requirement be awarded on the basis of performance on the placement exam alone.

Students seeking a major or minor in Spanish should be aware that courses below the SPAN 201 level, although they count as hours toward graduation, do NOT fulfill any requirement for the major or minor. All students should be aware that a maximum of 6 hours of proficiency credit are allowed per student. Therefore, if a student places into SPAN 202 or better and has already received AP, CLEP or IB credit for SPAN 101 and SPAN 102, that student cannot also receive departmental placement credit for SPAN 201 or better. Once posted to the student’s transcript, AP, CLEP or IB credit cannot be removed, therefore it is highly recommended that students pursuing a major or minor in Spanish

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
consult with the chair of the Department of Languages and Literature BEFORE posting AP, CLEP or IB credit. The granting of external credit for courses at or above the SPAN 211 level will only be considered in exceptional circumstances. Students should also be aware that SPAN 211 and SPAN 212 are parallel courses and not sequential courses and that completing 212 does not imply proficiency in 211.

**Demonstrating Language Proficiency in Languages Other than Spanish:**
Candidates for the B.A. degree in some programs (e.g., English Language and Literature, History, Philosophy, Writing and Publishing, Theology) are required to demonstrate competency in a second language by successful completion of at least one language course at or above the 202 level. Students in the Scholars Program are required to demonstrate the ability to speak, read and write a second language at a level equivalent to six semesters of college study (completion of 211 and 212).

In addition to the major and minor programs in Spanish, the Department of Languages and Literature offers courses in Arabic and a minor in Chinese. Benedictine University students can also use the University’s consortium agreements with North Central College and Aurora University to take courses in languages not offered at Benedictine. Students who want to take advantage of these agreements must obtain a “Consortium Exchange Course Authorization” form from the Office of the Registrar (approval from the student’s academic advisor and the consortium University’s registrar is necessary before a student may register for a course at the host institution).

While the final decision regarding fulfillment of a student’s second language proficiency requirement rests with the student’s program, the Department of Languages and Literature has traditionally helped students in other programs satisfy these requirements by proctoring online-based proficiency examinations in Arabic, Chinese (Mandarin), French, German, Korean, Pashto, Persian, Punjabi, Russian and Spanish. Writing (online-based or paper and pencil exams) and/or oral proficiency examinations (conducted by phone interviews) in dozens of other languages can also be arranged through LTI (Language Testing International), a partner of the American Council on the Teaching of Foreign Languages (ACTFL). For information on the ACTF language proficiency tests, contact Rafael Iglesias at (630) 829-6268 or Beth Vinkler at (630) 829-6264.

**Placement Tests versus Language Proficiency Examinations:**
It is important to understand that placement tests and language proficiency examinations are fundamentally different.

Placement exams (via WebCAPE and/or interview with instructor) simply allow academic advisors to identify a language course offered at Benedictine University (in Arabic, Chinese or Spanish) in which students are most likely to succeed given their current level of proficiency, but under no circumstances are they used by themselves to grant credit and/or to fulfill any graduation requirement. Only if a student takes a Benedictine University language placement exam, is placed into a 102-level class or better, AND completes at least one language course at Benedictine above the 101-level in which he/she earns a grade of “C” or better, can he/she then petition for up to 6 semester credit hours of departmental external credit (in addition to any credit earned by passing the course itself). If, for example, a student is placed in CHIN 202 (3 semester credit hours), and he/she passes this course with a “C” or better, credit for CHIN 102(3) and CHIN 201(3) can be requested by submitting a “Petition for External Credit” form as long as no AP, CLEP or IB credit has been posted to the student’s transcript.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
ACTFL language proficiency examinations, on the other hand, are closely proctored and more comprehensive and rigorous than placement tests. As such, they are designed to determine whether students have reached the proficiency level necessary to satisfy the language requirement of a particular program.

For more information about language proficiency testing procedures, please contact the department chair, Rafael Iglesias at riglesias@ben.edu.

**Study Abroad and Internships:**
All majors and minors in languages are strongly encouraged to spend at least a summer, and preferably a semester, studying abroad. This experience is vital in that it gives the student the opportunity to experience firsthand the culture he or she has been studying at Benedictine. It also provides intensive real-life language exposure and practice that simply cannot be replicated in the classroom.

Benedictine students have access to a variety of internship opportunities (required for Medical Spanish Interpretation students) and study abroad programs through Benedictine University and other accredited institutions. The languages faculty, in cooperation with the staff of the Office of International Programs and Services, will assist each student in selecting the program best suited to his or her interests, and scheduling and financial needs.

**Departmental Distinction:**
Students majoring in English Language and Literature or Spanish in the Department of Languages and Literature who meet the following criteria may apply for Departmental Distinction: 1) GPA in the major of 3.500 or better; 2) Overall GPA of 3.250 or better; 3) Successful completion of a senior thesis or a senior capstone project; 4) Presentation of a paper at either a regional undergraduate conference or a conference or colloquium sponsored by the University or the department; 5) Active participation in department activities; and 6) At least 25 semester credit hours of service-learning related to the field (e.g. volunteer tutoring in the Academic and Career Enrichment Center, community literacy volunteer, work at an area social service agency serving the Hispanic community, etc.).

Students interested in working toward Departmental Distinction should speak with their advisor and contact the chair of the Department of Languages and Literature as early as possible in their academic career. Students must apply for Departmental Distinction during the semester BEFORE the semester in which they plan to graduate (October or February).

**General Equipment:**
Wireless access throughout the building, public area visual displays, student study areas carrels with PCs, a common area printer, audio/visual equipment (LCD projector and/or TV monitor), lecterns with PCs and white boards.

**Assigned Textbooks or Learning Materials:**
Students can view current textbooks with ISBN numbers before each semester at http://bookstore.mbsdirect.net/benumesa.htm.
**Graduate Employment Opportunities:**

*Job Opportunities:* Youth care worker bilingual in Spanish/English, early childhood bilingual assessor, foreign language teacher or family support assistant. Average salary: $30,333.

*Human resources specialist:* By 2020, Latinos are expected to compose 19 percent of the U.S. labor force, according to the U.S. Department of Labor. To help with multicultural recruitment needs, more companies are hiring bilingual recruiters and human resources professionals to help find qualified candidates and assist them with their employment transitions. Median annual pay: $52,690.

*Social worker:* Social workers often deal with sensitive situations, including substance abuse, mental illness and child care negligence. Therefore, the fewer language barriers there are between the workers and their clients, the smoother and more effective the interactions will be. Median annual pay: $42,480.

Median annual pay figures from the U.S. Bureau of Labor Statistics; pay figures cover all workers in the occupation (not just bilingual).
Theology

A student must earn 120 semester credit hours to qualify for graduation and must maintain a “C” average (2.000) in all Benedictine University coursework.

Student Type: Traditional Undergraduate

ACCT 313 Auditing and Assurance Services. An intensive study of Public Company Accounting Oversight Board auditing standards, generally accepted auditing standards and procedures. Prerequisite: ACCT 212. 3 semester credit hours.

ACCT 315 Advanced Accounting. A study of the accounting methods for consolidations, foreign subsidiaries, governmental organizations, nonprofit entities and partnerships. Prerequisite: ACCT 212. 3 semester credit hours.

ACCT 316 Accounting Research. Students will become familiar with sources of accounting standards and current information affecting the accounting profession. Their communication and research skills will be used to learn about and report on the reasoning behind the development of accounting standards and current issues in accounting. Prerequisite: ACCT 212 and junior standing. 2 semester credit hours.

ACCT 321 Forensic Accounting. A comprehensive study of forensic accounting topics. This course provides students of all majors, concentrations and level of study with a background in the field of forensic accounting - fundamentals, tools and accounting applications. Cross-listed with MBA 606. Prerequisite: ACCT 111. 3 semester credit hours.

ACCT 322 Fraud Examination. An examination of schemes used by executives, managers and employees to commit fraud against their organizations and the prevention, detection and investigation strategies used to combat these schemes. Cross-listed with MBA 607. Prerequisite: ACCT 321. 3 semester credit hours.

ACCT 323 Computer Fraud. This course provides an understanding of how fraud is accomplished by the use of computers and the internet. It discusses the types of computer fraud that can occur in organizations and how computer fraud can be prevented. Cross-listed with MBA 609. Prerequisite: ACCT 321. 3 semester credit hours.

ACCT 324 Fraud and the Legal Environment. This course examines criminal theory relating to fraud, existing legislation governing fraud and preparation of fraud cases in the court system. Cross-listed with MBA 608. Prerequisite: ACCT 321. 3 semester credit hours.

ACCT 391 Topics. Specially designed courses in various business topics to supplement the business curriculum. Prerequisite: Varies based upon the specific topic being explored. 1-3 semester credit hours. Course repeatable. Maximum number of units allowed is 12.

ACCT 395 Independent Study. Provides an opportunity for an advanced student in the major to pursue study in a field of business-related interest. Prerequisite: Consent of instructor. 1-3 semester credit hours. Department consent required. Course repeatable. Maximum number of units allowed is 99.

ACCT 397 Internship. Practical experiences in business-related fields under the supervision of the program coordinator. 2-6 semester credit hours. Department consent required. Course repeatable. Maximum number of units allowed is 12.

Anthropology

ANTH 200 Cultural Anthropology. Study of the origins of humankind and culture. Development of human language, culture and institutions, and cross-cultural analysis of societies and cultures. 3 semester credit hours. Anthropology Core and Multicultural.

Benedictine Beginnings

**BENB 98 First Semester Freshman Seminar.** A mandatory course designed to provide incoming freshmen with the skills necessary to be successful in a problem-based, lecture-free course model and the college environment as a whole. The class will consist of hands-on exercises, visiting speakers and discussion topics related to student experiences in the classroom. Instruction will also be provided on the classroom technology being used on campus as well as the learning management system. Transfer students have the option of registering for this course. Pass/Fail.

**Biology**

**BIOL 135 Forensics.** Fundamental principles and methods of biological forensics. Intended for non-biology majors. Life-Scientific Mode of Inquiry (QLS). 3 semester credit hours. Life Science Core elective.

**BIOL 180 The Ecology of a Changing Planet.** Introduces the non-science major to the basic ecological processes and science that are involved in many environmental concerns. Life-Scientific Mode of Inquiry (QLS). 3 semester credit hours. Sustainability.

**BIOL 197 Principles of Organismal Biology.** Key concepts in organismal biology on which advanced courses will build. Includes introduction to evolution, ecology, development, and reproduction and survey of bacteria, protists, fungi, plants and animals. Life-Scientific Mode of Inquiry (QLS). 3 semester credit hours. Sustainability.

**BIOL 198 Principles of Biology.** Key concepts in biology on which advanced courses will build. Includes basic biological molecules, molecular biology, cell structure/function, transport processes, bioenergetics and genetics. For science majors. Prerequisite: Co-registration or credit in CHEM 113 or CHEM 103. Life-Scientific Mode of Inquiry (QLS). 3 semester credit hours. Life Science Core elective.

**BIOL 199 Principles of Biology Lab.** Methods and techniques of laboratory investigation. Co-registration or “C” or better in BIOL 198 or equivalent and “C” or better in MATH 110 or MATH 105, or MATH 108 or above. 1 semester credit hour. Life Science Core elective.

**BIOL 208 General Microbiology.** Comprehensive survey of the biology of microorganisms, especially bacteria. Includes topics in growth, metabolism, physiology, taxonomy, ecology and biotechnology. Lecture and lab. Prerequisite [Lisle main campus]: “C” or better in BIOL 197 or 297, BIOL 198, BIOL 199 or 299, and CHEM103 or 123. Prerequisite [Springfield Campus]: BIOL 193, CHEM 121. Prerequisite [Mesa branch campus]: “C” or better in BIOL197 or 297, BIOL 198, and CHEM 103. 4 semester credit hours. Writing Intensive and Engaged Learning.

**BIOL 258 Human Physiology.** The study of the control and function of human organ systems. Lecture only. Prerequisite: “C” or better in: BIOL 197 or 297, BIOL 198, and CHEM 103 or 123. 4 semester credit hours.

**Business Analytics**

**BALT 240 Excel for Mere Mortals.** The participants in this course will not merely be able to calculate the bottom line, they will engage in the art of business analytics. Mastering the basics will open the door for serious financial calculations using real data modeling. Having delivered the numbers, extensive use of Excel’s graphic functions will be deployed to tell the business story. Since not all things can be calculated, use of Excel’s statistical functions will be exercised to determine probabilities. To embolden the brave, we will delve into the
extensive capabilities of macros that provide complete access to the whole of the Microsoft Office suite. 3 semester credit hours.

**BALT 301 Managerial Decision-Making Under Uncertainty.** This course introduces students to the art and science of decision-making under constraints such as limited data, uncertainty and competing objectives. The course provides students with hands-on experience using problem-solving techniques. Students will be introduced to simulation modeling, optimization techniques and decision trees. Prerequisite: MGT 150. 3 semester credit hours.

**BALT 310 Visualization Techniques and Dashboarding.** There is a proliferation of data within organizations that can be used to reduce expenses and increase profits, i.e. gain a competitive edge. Attempting to gain insight into the numbers through text is ineffective. Visualization techniques provide an opportunity to spot trends and patterns. This course focuses on using visualization techniques to develop business insights and dashboards to effectively convey those insights to a non-technical audience. 3 semester credit hours.

**BALT 320 Data and Text Mining.** Knowledge discovery and business analytics are core tools used by organizations to direct business decisions, improve strategies, reduce risk and create new business opportunities. This course focuses on algorithm techniques that can be used for knowledge discovery such as classification, association rule mining, clustering and heuristics. Successful applications of this methodology have been reported in areas such as credit rating, fraud detection, database marketing, customer relationship management and stock market investments. This course will cover data mining for business intelligence and will cover applications to both data and text. The focus is on several techniques that aim at discovering patterns that can bring value or “business intelligence” to organizations. Examples of such patterns include fraud detection, consumer behavior and credit approval. The course will cover the most important data mining techniques including classification, clustering, association rule mining and prediction through a hands-on approach using SAS Data and Text Miner. 3 semester credit hours.

**BALT 330 Database Structures and Queries.** In this course, students will be introduced to the basic concepts of databases. The course stresses the storage, retrieval and manipulation of data using SQL and SAS. Computer software techniques used in business with emphasis on information management and database management systems. Data management and analysis. Major types of database management systems, query languages. Content includes the introduction to the SAS programming language and SQL, overview of data warehouse structure and access and data retrieval for analysis. 3 semester credit hours.

**BALT 340 Web Intelligence and Analytics.** This course will focus on developing an understanding of web analytics and web intelligence. Students will learn how to leverage website effectiveness and marketing, and measure, identify and interpret key web metrics and KPIs. Additionally, students will gain an understanding of main data collection techniques, and their impact and limitations on metrics. Insight into the potential of data mining and predictive analytics in the context of the web will be explored as well as web spiders, web bots and social listening software. 3 semester credit hours. Prerequisite: BALT 320.

**BALT 350 Business Process Management.** This course introduces the latest advances in business process technologies and management, such as business process planning, business process requirements analysis, business process modeling, workflow system design and implementation. The course will emphasize a hands-on approach. 3 semester credit hours.

**BALT 360 Social Influence Networks.** Social computing is a term used to describe the intersection of human social behavior and technology systems. This course will introduce students to the concepts of social networks from the viewpoint of economists, sociologists, psychologists and technologists. The focus of the course will be on the analysis and modeling of social influence networks. Prerequisite: BALT 320.
course will be on viewing social groups as networks and decision-making as a form of game theory. Real-world applications, such as online auctions and prediction markets, will be explored. 3 semester credit hours.

**Chemistry**

**CHEM 101 Introduction to Chemistry.** The fundamental principles of chemistry with an introduction to inorganic chemistry; including acids, bases, gases and solutions. Intended for nursing and allied health majors. Physical-Scientific Mode of Inquiry (QPS). 3 semester credit hours. Physical Science Core elective.

**CHEM 102 Introduction to Chemistry Laboratory.** Experiments that explore the principles discussed in CHEM 101. Prerequisite: Registration or credit in CHEM 101. Physical-Scientific Mode of Inquiry (QPS). 1 semester credit hour.

**CHEM 103 Introduction to Organic Chemistry and Biochemistry.** The structure, nomenclature and reactions of organic compounds, and an introduction to biochemistry. Prerequisite: CHEM 101 or CHEM 123. Physical-Scientific Mode of Inquiry (QPS). 3 semester credit hours.

**CHEM 104 Introduction to Organic Chemistry and Biochemistry Laboratory.** Experiments examine the applications of organic and biochemical theory. Prerequisite: CHEM 102 or CHEM 124 and co-registration or credit in CHEM 103. Physical-Scientific Mode of Inquiry (QPS). 1 semester credit hour.

**Communications**

**COMM 150 Introduction to Media Studies and Mass Persuasion.** A writing- and speaking-intensive introduction to communication arts theory and research with an emphasis on analyzing mass media messages and understanding their underlying cultural and historical contexts. 3 semester credit hours. Writing Intensive.

**COMM 201 Advertising Persuasion and Consumer Society.** A critical examination of Madison Avenue’s advertising images and narratives. Students in the class learn how to recognize the hidden persuasion techniques that are used in advertising. Writing Intensive. Meets Literary and Rhetorical Mode of Inquiry (QLR). 3 semester credit hours.

**COMM 207 Editing for Publications.** Introduction to the principles and practices of editing for books, magazines and newspapers. Prerequisite: WRIT 102 or 103 or HNRS 190. 3 semester credit hours.

**COMM 208 Layout and Design for Publication.** Graphic design principles and professional processes are emphasized. Print projects may include advertising, newspaper, magazine and other projects using InDesign and Photoshop. Course fee: $50. 3 semester credit hours.

**COMM 209 Newswriting and Reporting.** Principles and practice in gathering and writing news as well as preparing copy for publication. Prerequisite: WRIT 101. 3 semester credit hours. Writing Intensive.

**COMM 235 Photojournalism.** Teaches the skills in creating and evaluating images for photojournalism purposes. 3 semester credit hours.

**COMM 250 Masters of the American Cinema.** A historical study of representative fiction film makers from D.W. Griffith to Spike Lee. Artistic and Creative Mode of Inquiry (QCA). 3 semester credit hours. Communications Core elective.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
COMM 253 Public Relations Writing. Focuses on writing for public relations. Students prepare news releases, newsletters and feature stories. Prerequisite: WRIT 102 or 103 or HNRS 190. 3 semester credit hours.

COMM 254 Writing for the Electronic Media. A practical course designed to expose students to the various approaches, forms and techniques of writing for the electronic media. Prerequisite: WRIT 102 or 103 or HNRS 190. 3 semester credit hours.

COMM 255 Television Production. Laboratory course introducing students to the technical and aesthetic principles utilized in preparing programming for television. Fee: $50. 3 semester credit hours.

COMM 256 International Film. A study of the film form as seen in the most important films produced outside the United States. Literary and Rhetorical Mode of Inquiry (QLR). Communications Core elective. 3 semester credit hours.

COMM 259 Italian Cinema from 1945 to 1975. The course focuses on Italian cinema as a form of artistic expression and a critique of the existing social reality. Meets Artistic and Creative Mode of Inquiry (QCA) Elective. 3 semester credit hours.

COMM 263 Advertising Copywriting. Covers the fundamentals of writing copy and designing advertising for all forms of print and electronic media. Prerequisite: WRIT 101. 3 semester credit hours.

COMM 291 Topics. Study of aspects of communication on the intermediate level not listed as regular course offerings. Prerequisite: WRIT 102. Course repeatable. Maximum number of units allowed is 12. 3 semester credit hours. Fine Arts Core elective.

COMM 295 Independent Study. Designed for the student who wishes to explore aspects of communications not normally offered in the regular curriculum. 1-3 semester credit hours. Department consent required. Course repeatable. Maximum number of units allowed is 12.

COMM 297 Internship. Practical experience in public relations, electronic media, journalism, advertising or multimedia supervised by the Department of Communication Arts. Up to 3 semester credit hours may be applied from the internship toward the 39 semester credit hour major requirement. Up to 12 semester credit hours may apply toward the 120 semester credit hours for graduation. Prerequisite: Consent of internship coordinator, and at least 3.000 GPA 2-6 semester credit hours. Engaged Learning. Department consent required. Course repeatable. Maximum number of units allowed is 12.

COMM 303 Media and Society. A critical investigation of the role of media in human societies. 3 semester credit hours.

COMM 304 Media and Environment. A critical investigation of the role of the media in the global discussion of environmental issues. 3 semester credit hours. Sustainability.
COMM 316 Advanced Television Production. Emphasis on development of directing and post-production skills, with focus on aesthetic and technical principles. Prerequisite: COMM 254 and COMM 255. 3 semester credit hours. Communications Core elective.

COMM 317 Mass Media Law and Ethics. Examines the many legal and ethical issues related to the mass media. Prerequisite: WRIT 102 or HNRS 191. 3 semester credit hours.

COMM 381 Multimedia Production for the Web. Students experiment with a variety of web-based materials, explore different uses of social media and learn to build webpages in HTML and CSS. Course Fee: $50. 3 semester credit hours.

COMM 382 Nonlinear Editing for Audio and Video. Students learn and apply advanced computer editing skills in audio and video to produce a variety of video projects. Prerequisite: COMM 255 or co-registration in COMM 255. Course fee: $50. 3 semester credit hours.

COMM 388 Studies in Film Theory and Criticism. Selected topics in film theory and criticism. 3 semester credit hours. Communications Core elective. Course repeatable. Maximum number of units allowed is 9.

COMM 391 Topics. Study of aspects of communications on the advanced level not covered in the above course offerings. Prerequisite: COMM 207, COMM 208 and WRIT 102. 3 semester credit hours. Course repeatable. Maximum number of units allowed is 12.

COMM 393 Senior Portfolio. Required of all Communication Arts majors, this course is designed to help the student improve the appearance, content and organization of their Senior Portfolio. Prerequisite: Senior standing. 3 semester credit hours. Engaged Learning.

COMM 395 Independent Study. Designed for the superior student who wishes to explore an aspect of communication beyond the scope of undergraduate course offerings through guided independent study. Prerequisite: COMM 207 and GPA of 3.500 in major. 1-3 semester credit hours. Department consent required. Course repeatable. Maximum number of units allowed is 12.

Computer Science

CMSC 100 Introduction to PC Software Applications. Introduction to the software applications of word processing, spreadsheet and database management using the Microsoft Office Suite for Windows. For non-majors. 3 semester credit hours.

CMSC 180 Introduction to Computing. An introduction to the fundamental principles of computing and the relevance and impact computers have on the world today with an overriding theme of algorithms. Topics include hardware, software, data representation, networks and databases with applications in simulation, modeling, electronic commerce and artificial intelligence. Computational, Mathematical and Analytical Mode of Inquiry (QCM). 2 semester credit hours. Math Computer Science Core elective.

CMSC 184 Microsoft Excel Laboratory. Introduction to the software application of spreadsheets using Microsoft Excel. Designed for students interested in manipulating, organizing, analyzing, and presenting numerical data and information within the context of business applications. Co-registration or credit in CIS/CMSC 180. Computational, Mathematical and Analytical Mode of Inquiry (QCM). Math Computer Science Core elective. 1 semester credit hour.
CMSC 185 Python Programming Laboratory. An introduction to the fundamentals of programming in Python for students interested in engineering, physics and computer science. Programming topics include problem-solving, variables, calculations, I/O, conditions, looping and functions. Co-registration or credit in CMSC 180. Computational, Mathematical and Analytical Mode of Inquiry (QCM). 2 semester credit hours. Math Computer Science Core elective.

CMSC 200 Computer Programming. An introduction to software design, algorithm development and implementation in a high-level programming language. Elementary programming structures, methods, string processing and functions, and file processing. Functional design and programming, real-world and application modeling, testing and debugging. Prerequisites: CMSC 180, MATH 105 or MATH 110. Computational, Mathematical, and Analytical Mode of Inquiry (QCM). 3 semester credit hours. Math Computer Science Core elective.

CMSC 205 Data Structures and Algorithms I. The study of data structures, their applications and implementations including one of the two dimensional arrays, classes, lists, stacks, queues, linked lists, binary search trees and heaps. Introduction to object-oriented programming, exception handling and unit testing. Prerequisite “C” or better in CMSC 200 and co-registration or credit in Math 240. 3 semester credit hours.

CMSC 220 Computer Architecture. A breadth course in computer architecture including logic design, CPU organization, assembly language, integer and floating point representations, instruction representation, pipelining, memory hierarchy and instruction-level parallelism. Prerequisite: “C” or better in CMSC 200. 3 semester credit hours. Writing Intensive.

CMSC 264 Introduction to Web Application Development. An introduction to modern web application development with a focus on the client-side. Topics include: HTML, XML, JavaScript, PHP, CSS and RESTful web services. Prerequisite: “C” or better in CMSC 185. 3 semester credit hours.

CMSC 270 Data Structures and Algorithms II. The further study of data structures including AVL-trees, B-trees and graphs. Sorting algorithms, hashing and recursion. Algorithm analysis techniques. Prerequisite: “C” or better in CMSC 205 and MATH 240. 3 semester credit hours. Typically offered: Spring Term.

CMSC 274 Object-Oriented Design and Programming. Design and implementation of object-oriented applications through the use of Java programming language. Includes classes, inheritance, encapsulation, polymorphism, interfaces, graphical user interface, nested classes, generics, abstract classes, reflection, multitasking, UML and design patterns. Prerequisite: “C” or better in CMSC 205. 3 semester credit hours.

CMSC 301 Technical Communications. A focus on communication from both an oral and a written perspective within a purely technical environment. Topics include client/customer requirements gathering, project leadership and detailed application documentation intended for various audiences. Prerequisite: “C” or better in CMSC 274. 3 semester credit hours. Writing Intensive. Typically offered: Periodically.

CMSC 310 Operating Systems. An introduction to operating systems including the topics of processes, threads, synchronization, CPU scheduling, deadlocks, memory management, virtual memory, and distributed systems. Prerequisites: “C” or better in both CMSC 220 and CMSC 274. 3 semester credit hours. Typically offered: Fall Term.

CMSC 311 Operating Systems Practicum. A hands-on experience with current issues in operating systems. An internal view of the operating system using the Unix kernel. Inspecting the OS internal state, extending the OS, re-implementing existing data structures and designing new functionality. Linux kernel projects and
programming. Prerequisite: Credit or co-registration in CMSC 310. 1 semester credit hour. Typically offered: Fall Term.

**CMSC 315 Formal Language and Automata.** Introduction to automata theory, relationships between regular expressions, finite state automata and grammars, pushdown automata, closure properties on grammars, and the Chomsky hierarchy of grammars. Prerequisite: CMSC 274. 3 semester credit hours. Typically offered: Periodically.

**CMSC 330 Database Management Systems.** Database design and implementation including the relational data model, ER diagrams, relational algebra, SQL, functional dependency theory, normalization techniques, query processing and optimization, concurrency control, recovery, security, and database administration. Prerequisite: “C” or better in CMSC 274. 3 semester credit hours. Typically offered: Periodically.

**CMSC 331 Database Management Systems Practicum.** A hands-on experience with current issues in database management systems. Topics may include Advanced SQL; database administration; and database connectivity through programming, windows applications and the Internet. Prerequisite: Credit or co-registration in CMSC 330. 1 semester credit hour. Typically offered: Spring Term.

**CMSC 365 Computer Networks and Data Communication.** An introductory course in computer networking and data communications. Topics include, the Internet Protocol Stack, wireless and mobile networks, multimedia networking and security issues. Prerequisite: “C” or better in both CMSC 220 and CMSC 274. 3 semester credit hours. Typically offered: Fall Term.

**CMSC 366 Computer Networks Practicum.** A hands-on experience with current issues in computer networks. Development and implementation of stand-alone and web-based client/server applications. Prerequisite: Credit or co-registration in CMSC 365. 1 semester credit hour. Engaged Learning. Typically offered: Fall Term.

**CMSC 375 Software Engineering.** An introduction to software engineering from project conception to implementation. Students will work in teams to develop multiple software projects throughout the semester practicing various types of software development processes and working in multiple roles within their team. Topics include software development processes (waterfall, Agile, etc.) unit testing, calc overage, requirements elicitation and specification, software documentation, work estimation, and release planning. Prerequisite: “C” or better in CMSC 330 and CMSC 301. 3 semester credit hours. Writing Intensive Course. Typically offered: Fall Term.

**CMSC 387 Independent Study.** 1-3 semester credit hours. Typically offered: Fall and Spring Terms. Course Repeatable. Maximum number of units allowed is 6.

**CMSC 391 Selected Topics.** Various topics to supplement the curriculum. 3 semester credit hours. Typically offered: Periodically. Course repeatable. Maximum number of units allowed is 12.

**CMSC 398 Capstone Project.** A team-oriented, software engineering project experience to implement a solution to an information-based problem. Prerequisite: Senior Standing, “C” or better in both CMSC 330 and CMSC 375. 3 semester credit hours. Engaged Learning. Typically offered: Spring Term.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Criminal Justice

**CJUS 205 Racial and Ethnic Groups.** The nature of prejudice. Studies of ethnic relations in America and other societies. Cross-listed as CJUS 205/SOCL 205. 3 semester credit hours.

**CJUS 206 Juvenile Justice.** Treatment of the juvenile offender in the juvenile justice system. Emphasis is on theory, research, principles of law as they apply to the juvenile, causation, prevention, the role of the police and the courts, and juvenile corrections and treatment of the convicted offender. Prerequisite: CJUS 260. 3 semester credit hours.

**CJUS 212 Race and Crime.** The effects of social construction of race and criminal justice. An overview of race relations and social control agencies throughout time. 3 semester credit hours.

**CJUS 233 Police Systems.** Historical overview of the development of policing systems from early societies to the present. Overview of different police systems throughout the modern world and how they operate. Prerequisite: CJUS 260. 3 semester credit hours.

**CJUS 240 Social Problems.** Effects of social change, disorganization and value conflict on family life, mental health, ethnic relations, crime and delinquency, related topics. Prerequisite: SOCL 100. 3 semester credit hours.

**CJUS 243 Ethics in Policing.** Ethical issues faced by law enforcement officers in the course of their personal and professional lives. Basic ethical theory is examined as it applies to selected issues and cases. Prerequisite: CJUS 260. 3 semester credit hours.

**CJUS 250 Basic and Applied Statistics.** Acquaints students with descriptive statistical techniques (including measures of central tendency and variability, correlation, regression and large and small sample estimation) as well as inferential statistical procedures (t, z and ANOVA designs, nonparametric tests and multiple regression). Focus will be on how these statistical procedures can be directly applied to real-life situations. Prerequisite: MATH 105, MATH 108 or MATH 110. 3 semester credit hours. QCM.

**CJUS 260 Introduction to Criminal Justice.** Examination of the criminal justice system: police, courts and corrections. Analysis of functions, jurisdiction, operation and relationships. 3 semester credit hours.

**CJUS 291 Topics.** Topics of interest to criminal justice majors. 3 semester credit hours. Course repeatable for a maximum of 9 units.

**CJUS 294 Criminal Procedure.** In-depth analysis of the criminal and juvenile justice process from arrest through adjudication. 3 semester credit hours.

**CJUS 296 Critical Criminology.** Racism, sexism, imperialism and any other violation of human dignity are real crimes in society. The damage these crimes do will be the focus compared to street crimes. 3 semester credit hours.

**CJUS 306 Correctional System.** Theory and research relating to treatment, incarceration and rehabilitation of the offender. Prerequisite: SOCL/CJUS 260. 3 semester credit hours.

**CJUS 320 Gender, Crime and Justice.** Studies the experience of women and the criminal justice system. The exploration of social inequalities and the search for justice. 3 semester credit hours.

*The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.*
CJUS 321 Crime and Delinquency. Social and psychological factors related to crime, theories of crime and delinquency, police and court systems and correctional institutions. 3 semester credit hours.

CJUS 324 White Collar Crime. An analysis of crime as it relates to business and business practices. Examines occupational, political, economic and social variables that relate to white collar criminality. Theory of research will be examined. Emphasis is on causation, prevention, laws, arrest, adjudication, conviction, sentencing and treatment of white collar criminals. Prerequisite: CJUS 260. 3 semester credit hours.

CJUS 326 Introduction to Criminal Investigation. Fundamentals of investigation beginning with the discovery of a crime, including the preservation of the crime scene, the collecting of clues and information, physical and chemical analysis, case preparation and courtroom testing. Case studies will be used. Prerequisite: CJUS 260. 3 semester credit hours.

CJUS 328 Organized Crime. Examination of the origins, models and explanations of organized crime and criminal groups, goods and services produced, and the role of the criminal justice system in the social system. Prerequisite: CJUS 260. 3 semester credit hours.

CJUS 330 Probation and Parole. Examination of probation and parole as components of the correctional system. Emphasis is on theory, research and the mechanisms of probation and parole as a means of treating adjudicated criminals. Prerequisite: CJUS 260 and CJUS 306. 3 semester credit hours.

CJUS 331 Organized Crime. Examination of the origins, models and explanations of organized crime and criminal groups, goods and services produced, and the role of the criminal justice system in the social system. Prerequisite: CJUS 260. 3 semester credit hours.

CJUS 332 Research Methods in the Social Sciences. An analysis of various theoretical approaches to the study of social sciences as well as discussion and completion of the first two chapters of an original research design. Prerequisite: PSYC 250 or SOCL 250 or CJUS 250. Fee: $35. 3 semester credit hours. Writing Intensive. Department consent required.

CJUS 356 Clinical Practicum Lab. Focus is on teaching interpersonal and primary-level skills of empathy, listening and interviewing to the introductory level helping professional. Prerequisite: Junior or senior in Criminal Justice program. 4 semester credit hours.

CJUS 360 Inequalities and War on Drugs. The effects of policies, fear and social class are examined. 3 semester credit hours.

CJUS 390 Criminal Justice Field Placement. This field placement provides experience in practice in a professional agency under the supervision of a trained practitioner. Prerequisite: CJUS 356, consent of field placement director prior to the 10th week of the semester preceding the field placement and a GPA of 3.000 or greater. 3-6 semester credit hours. Engaged Learning. Department consent required. Course repeatable. Maximum number of units allowed is 6.

CJUS 391 Topics in Criminal Justice. Relevant topics according to the needs and interests of the criminal justice students. Prerequisite: CJUS 260. 3 semester credit hours. Course repeatable. Maximum number of units allowed is 9.

CJUS 395 Senior Thesis. Completion of an original research project under faculty supervision involving either an original survey design, case study or experimental analysis. Prerequisite: PSYC 351 or SOCL 351 or CJUS 351. 3 semester credit hours. Department consent required.
Economics

**ECON 101 Principles of Macroeconomics.** Determination of income, employment and the price level. Effects of fiscal and monetary policies. Prerequisite: MATH 105, 108 or 110. Social-Scientific II Mode of Inquiry (QPE). 3 semester credit hours. Economics Core elective.

**ECON 102 Principles of Microeconomics.** Demand-supply model, consumer and firm decision-making, market structures, price determination and resource allocation. Prerequisite: MATH 105, 108 and 110. Social-Scientific II Mode of Inquiry (QPE). 3 semester credit hours. Economics Core elective.

Finance

**FINA 220 Personal Financial Planning.** An introduction to personal financial planning. Topics covered include: time value of money, tax planning, cash management, credit cards, purchase of home, auto and health insurance, retirement and estate planning. 3 semester credit hours.

**FINA 300 Managerial Finance.** An analysis of the functions of financial management in the decision-making process of the firm. Prerequisite: ACCT 11, MATH 105 or MATH 110. 3 semester credit hours.

Fine Arts

**FNAR 100 Art Appreciation.** Introduction to the visual arts through lectures, discussions and field trips. Artistic and Creative Mode of Inquiry (QCA). 3 semester credit hours. Fine Arts Core elective.

**FNAR 101 Fundamentals of Design.** Emphasizes the knowledge and application of basic design principles of two-dimensional images in abstract and representational forms. Artistic and Creative Mode of Inquiry (QCA). 3 semester credit hours. Fine Arts Core elective.

**FNAR 103 Fundamentals of 3D Design.** A beginning studio course. Study of volume, space, texture and other elements of three-dimensional form. Simple constructions and sculpture. Previous experience in art is not necessary. 3 semester credit hours.

**FNAR 111 Drawing I.** FNAR 111 Drawing I. Fundamentals of drawing from observation with emphasis on sight measuring, linear perspective and tone modeling. Subjects of drawing comprise the still life, perspective interior and the portrait. Fee $40. Artistic and Creative Mode of Inquiry (QCA). 3 semester credit hours. Fine Arts Core elective.

**FNAR 114 Drawing II.** Further development of fundamental skills using diverse drawing media, particularly color, and advanced approaches to drawing still-life, perspective and the human figure. Prerequisite: FNAR 111. Course fee. 3 semester hours.

**FNAR 161 Ceramics I.** Introduction to various hand-building techniques, decorative methods, firing processes and use of the potter’s wheel. IAI ART 912. 3 semester credit hours.

**FNAR 203 Ancient and Medieval Art.** Art historical survey of significant paintings, sculptures and buildings with emphasis on religious concepts. Artistic and Creative Mode of Inquiry (QCA). 3 semester credit hours. Fine Arts Core elective.

Discusses how to initiate, plan, execute and control, and close projects, within budget and on schedule. Includes management of project scope, time, cost, quality, human resources, communications and risks. A project planning software tool is utilized, usually MS Project. Prerequisite: Junior or senior standing. 3 semester credit hours.

**MGT 387 Management Capstone.** This is the management capstone course enabling students to integrate and use the disciplines and techniques learned throughout the program of study. Case studies are utilized.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
to stress the importance of basing management decisions on a strategic view of organizations. The focus is on the role of management in the development of organizational strategy, on the practice of the decision-making process and in the development of an appropriate organizational structure. Writing Intensive (WI). Prerequisite: MGT 302, 330, 347 and admission to the adult B.A. in Management Program.

**MGT 380 Strategic Management.** Management capstone course enabling business students to use the disciplines and techniques learned throughout their program of study. Case studies stress the importance of basing management decisions on a strategic view of organizations. Prerequisite: Senior standing, FINA 300, MGT 300 MKTG 300. 3 semester credit hours. Writing Intensive.

**MGT 395 Independent Study.** Provides an opportunity for an advanced student in the major to pursue study in a field of business related interest. Prerequisite: Consent of instructor. 1-3 semester credit hours. Consent required. Course repeatable. Maximum number of units allowed is 99.

**MGT 397 Internship.** Practical experiences in business related fields under the supervision of the program coordinator. Prerequisite: Consent of internship faculty coordinator. 2-6 semester credit hours. Consent required.

## Marketing

**MKTG 241 Introduction to Social Media Marketing.** Introduction to social media marketing including Facebook, Twitter and LinkedIn. Students learn how to develop a social media presence and work toward fulfilling requirements for a social media certification (e.g. Hootsuite). To help develop critical-thinking and strategic ability, students are exposed to current trends and diverse viewpoints in social media marketing, including evolving best practices. Credit cannot be earned in both MKTG 241 and MKTG 347. 3 semester credit hours.

**MKTG 242 Introduction to Search Engine Optimization (SEO).** Students learn the fundamentals about how content development relates to SEO, including applying SEO techniques to a blog. As part of the course, students work toward fulfilling requirements for an SEO certification. Students are exposed to sources for gaining an up-to-date perspective on the constantly evolving field of SEO and the ethics of “white hat” and “black hat” SEO techniques. Credit cannot be earned in both MKTG 242 and MKTG 348. 3 semester credit hours.

**MKTG 243 Introduction to Search Engine Marketing.** Students learn fundamentals of SEM (search engine marketing) through hands-on exposure to the Google Adwords platform. Concepts and skills include creating ads, choosing keywords and monitoring performance. Students take the Google Adwords Fundamentals exam, which is one of two exams required for Google Adwords certification. Students are exposed to real-world scenarios and live Adwords campaigns to help develop critical-thinking and strategic ability, and to learn how to discriminate between various potential strategies and their relative effectiveness. Credit cannot be earned in both MKTG 243 and MKTG 349. 3 semester credit hours.

**MKTG 244 Introduction to Web Analytics (Google Analytics).** Students learn fundamentals of Web Analytics through hands-on exposure to the Google Analytics platform. Concepts and skills include learning how Web Analytics can provide insight on website visitors and their behavior, and the importance of monitoring ROI (return on investment). Students are exposed to current trends and viewpoints in Web Analytics to help develop critical-thinking and strategic ability, and to understand the importance of the insights that analytics can provide and how it can inform clients’ strategic marketing plans. Credit cannot be earned in both MKTG 244 and MKTG 345. 3 semester credit hours.
MKTG 291 Topics. Specially designed courses in various business topics to supplement the business curriculum. Prerequisite: Varies based upon the specific topic being explored. 3 semester credit hours.

MKTG 300 Marketing. This course is an investigation of the basic principles of marketing with an emphasis on the practical application of those principles to formulate marketing plans that will deliver value to customers and meet the goals of the organization. It focuses on how companies develop marketing strategies based on the decisions they make about the types of products they will offer and how those products will be distributed, promoted and priced. The impact the external market environment can have on those strategies is also examined. Prerequisite: Sophomore standing. Social-Scientific I Mode of Inquiry (Q10). 3 semester credit hours.

MKTG 305 Sports Marketing. A case study approach will be used to explore and analyze situations that pertain to sports marketing. Prerequisite: MKTG 300. 3 semester credit hours.

MKTG 310 Consumer Behavior. This course is an in-depth examination of the internal and external factors that influence consumers in their selection, use and disposition of products and services. In examining consumer needs, wants and behavior as a foundation for the formulation of effective marketing strategies, the course emphasizes the importance that organizations must place on understanding not only the demographic and economic factors that drive consumers to behave in certain ways, but the psychological, cultural and social factors as well. This course examines consumers' needs, wants and market behavior as a foundation for the formulation of effective marketing strategies by organizations. The course also provides an understanding of consumer behavior that can be used by all students to enhance their ability to consume wisely and to enable them to appreciate the critical role consumers play in our economic system. Prerequisite: MKTG 300. 3 semester credit hours.

MKTG 330 Promotional Strategy. Companies must coordinate and integrate all of their marketing functions to maximize their impact on both end consumers and other businesses. Using an integrated marketing communications (IMC) approach, this course goes beyond the traditional study of advertising, sales, promotion, personal selling, direct marketing and public relations to show how all of these components of promotion, as well as the other three elements of the marketing mix, must blend together to present a unified message to consumers. An integrated marketing communications (IMC) approach to the study of the strategies organizations use to promote their products and services. The course goes beyond the traditional study of advertising, sales promotion, personal selling, direct marketing, and public relations to show how all four elements of the marketing mix – product, price, promotion and distribution – must blend together to present a unified message to customers. Prerequisite: MKTG 300. 3 semester credit hours.

MKTG 331 Internet Marketing Communications. Internet marketing is reshaping the way businesses and consumers interact with each other. This course studies how the internet as a communication channel can be valuable to marketing decision-makers eager to understand and utilize Internet technology to grow their businesses. Examining the internet and its evolution from a research tool to a marketing communications medium, this course shows how the internet offers an array of one-to-one, real-time, personalized marketing communications. Through various exercises and projects, students will explore how the internet affords decision-makers the opportunity to customize their marketing approaches to meet individual customers’ needs and to make the internet an effective part of an overall Integrated Marketing Communications Strategy. Prerequisite: MKTG 300. 3 semester credit hours.

MKTG 350 International Marketing. Studies strategic issues in marketing products and services across national borders. Examines cultural, legal, ethical and economic constraints. Prerequisite: INTB 300 or MKTG 300. Cross-listed as MKTG 350/INTB 350. 3 semester credit hours.
MKTG 336 Advanced Social Media Marketing. Advanced coverage of social media marketing, including creating and monitoring social media ad campaigns, as well as social media monitoring. To help develop critical-thinking and strategic ability, students gain additional exposure to applications, evaluation of best practices and advanced skill development in various situations. Credit cannot be earned in both MKTG 336 and MKTG 347. 3 semester credit hours.

MKTG 337 Advanced Search Engine Optimization (SEO). Advanced coverage of SEO (search engine optimization), including developing skills through creating a website, and using related tools to monitor performance and analyze keywords. Students work toward fulfilling requirements for an SEO certification (ex: Search Engine News; subject to change). Students gain additional exposure to applications, evaluation of best practices, and advanced skill development in various situations to help develop critical-thinking and strategic ability. Credit cannot be earned in both MKTG 337 and MKTG 348. 3 semester credit hours.

MKTG 338 Advanced Search Engine Marketing. Students continue learning and applying SEM (search engine marketing) techniques, working on live campaigns, and advancing to more sophisticated optimization, including learning how to increase CTR (click through rate) and working with bidding strategies. Students take the Google Adwords Advanced exam, which is one of the two exams required for Google Adwords certification. Students gain additional exposure to applications, evaluation of best practices, and advanced skill development in various situations to help develop critical-thinking and strategic ability. Credit cannot be earned in both MKTG 338 and MKTG 349. 3 semester credit hours.

Mathematics

MATH 095 Intermediate Algebra. Topics include real numbers, linear equations, exponent, polynomials, rational expressions, radicals and quadratic equations. Prerequisite: Placement exam. 3 semester credit hours.

MATH 105 Finite Mathematics. A survey of algebra, functions, graphs and linear equations as applied to problems in economics and business. Topics include mathematics of finance, linear, polynomial, exponential and logarithmic functions. Credit will not be granted for both MATH 105 or MATH 110. Prerequisite: Placement exam or a “C” or better in MATH 095. 3 semester credit hours.

MATH 110 College Algebra. This course will focus on using functions and equations to model real-world phenomena. Topics include equations, inequalities, functions, graphs, polynomial and rational functions, exponential and logarithmic functions, conics, systems of equations and inequalities, and finding regression curves using technology. Credit will not be granted for both MATH 105 and MATH 110. Prerequisite: Placement exam or a “C” or better in MATH 095. 3 semester credit hours.

MATH 115 Business Calculus. A survey of mathematical techniques used in the managerial, social and life sciences. Topics include systems of linear equations and matrices, linear programming, differential calculus and applications of the derivative. Prerequisite: Placement exam or a “C” or better in MATH 105 or MATH 110. Computational, Mathematical and Analytical Mode of Inquiry (QCM). 3 semester credit hours.

MATH 150 Introduction to Statistics. Basic course in statistical techniques which includes representations of data, measures of central tendency, methods of counting, probability, sampling, estimation, hypothesis testing, correlation, and regression. For non-business majors. Prerequisite: “C” or better in MATH 105 or MATH 110. Computational, Mathematical and Analytical Mode of Inquiry (QCM). 3 semester credit hours. Typically offered: Fall and Spring Terms.

MATH 200 Applications of Calculus I. A continuation of MATH 170. Topics include curve sketching, plane analytic geometry, maxima and minima, related rates and other applications of the derivative. Study concludes the information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.

with definite and indefinite integrals, numeric integration, elementary differential equations, parametric functions and the Fundamental Theorems of Integral Calculus. The computer algebra system Maple will be employed. Credit will not be granted for both MATH 200 and MATH 210. Prerequisite: “C” or better in MATH 170. Computational, Mathematical, and Analytical Mode of Inquiry (QCM). 4 semester credit hours.

MATH 210 Calculus with Analytics I. Topics include differentiation, and antidifferentiation of algebraic, trigonometric and transcendental function, the fundamental theorem of calculus, applied problems on maxima and minima, plane analytic geometry, and simple differential equations. The computer algebra system Maple will be used to illustrate calculus concepts. Credit will not be granted for both MATH 200 and MATH 210. Prerequisite: Placement exam, or “B” or better in MATH 111. Co-requisite: MATH 207. 4 semester credit hours. QCM.

MATH 211 Calculus with Analytics II. Topics include applications of the definite integral, methods of integration, sequences and series and numeric integration. The computer algebra system Maple will be used to illustrate calculus concepts. Each semester. Prerequisite: “C” or better in MATH 200, MATH 205, MATH 210 or MATH 220. 4 semester credit hours.

MATH 240 Discrete Mathematics. Basic concepts of finite and discrete algebraic structures with emphasis on applications in computer science. Sets, relations and functions, boolean algebra, computer arithmetic, combinatorics, matrix algebra, directed and undirected graphs, and methods of proof. Prerequisite: “C” or better in MATH 115 or placement or credit in MATH 200, MATH 210, MATH 220. 4 semester credit hours.

Music

MUSI 104 Music Appreciation: Medieval to Contemporary. This course explores the history of Western Classical Music by focusing on each of its eras. It also offers access to various ways to listen to music and how to take full advantage of concert attendance. Provides detailed explanations and sound demonstrations of the basic musical elements and performing media. Artistic and Creative Mode of Inquiry (QCA). 3 semester credit hours. Music Core elective.

Nutrition

NUTR 150 Food Service Sanitation. An overview of applied Food Service Sanitation as it relates to proper food handling and training in the Food Service industry. Emphasis placed on prevention of food borne illness and safety related to food, personnel and consumers. At the completion of the course, students take the sanitation certificate exam. 1 semester credit hour.

NUTR 200 Nutritional Science. An integrated approach to the study of the requirements and functions of nutrients that are determinants of health and disease in human populations. (NOTE: Cannot receive credit for NUTR 100, 200 and 201). Life-Scientific Mode of Inquiry (QLS). Life Science Core elective. 3 semester credit hours.

NUTR 201 Nutrition in Health and Exercise. An integrated approach to the study of the requirements and functions of nutrients with particular attention to applications in sports. (NOTE: Cannot receive credit for NUTR 100, 110, 200 and 201). Prerequisite: Physical Education major with at least Sophomore standing by credit hours. Life-Scientific Mode of Inquiry (QLS). 3 semester credit hours. Life Science Core elective.

NUTR 231 Human Nutrition. An integrated approach to the study of the requirements and functions of nutrients that are determinants of health and disease in human populations. Applications to the lifespan. (NOTE: Cannot receive credit for NUTR 231 and NUTR 100, 200, 201 or 241).
NUTR 241 Nutrition through the Life Cycle. A life cycle approach to nutrition science incorporates nutrient availability, function and sources; energy balance; and lifestyle health risk factors with a focus on special nutrient needs for various stages of the life cycle. Students are introduced to the case study process. Life Science Core elective. Prerequisite: Nutrition major. 3 semester credit hours. Life Science Core elective.

NUTR 244 Food Science. A study of the physical and chemical composition, structure and functional properties of carbohydrates, proteins and fats; sensory evaluation principles; and applications to food and nutritional health. Prerequisite: CHEM 101 or CHEM 123. 3 semester credit hours.

NUTR 245 Food Science Laboratory. Techniques of food preparation. Applied sensory and physiochemical examination of study of the composition, structure and functional properties of carbohydrates, proteins and fats. Prerequisite: transfer food science course, or credit or co-registration in NUTR 244. Lab fee: $160. 1 semester credit hour.

NUTR 246 Experimental Foods Laboratory. Experimental application of physiochemical behavior of food. Techniques of recipe development and research to meet special dietary requirements including evaluation techniques. Prerequisite: NUTR 244 and 245. Lab fee: $160. 1 semester credit hour.

NUTR 247 Experimental Applications in Food. Experimental application of physiochemical behavior of food. Understanding of the functional properties of ingredients in order to facilitate manipulation of recipes to match specific dietary requirements. Lab fee: $160.

NUTR 251 Nutritional Biochemistry. A study of the basic concepts of biochemistry applied to cellular metabolism of carbohydrates, lipids, amino acids, vitamins and co-factors. Emphasis is placed on metabolic pathways, the interrelationships of major nutrients, and the relation of the metabolic processes to the overall nutritional health of an individual. Prerequisite: Grade of “C” or better in CHEM 103, grade of “C” or better in NUTR 231 or 241. 3 semester credit hours.

NUTR 280 Community Health and Nutrition. Introduction to the role of the public and community nutrition professional. Overview of health care policy, health care systems and legislation, discussion of the legislative and regulatory basis of nutrition and dietetics practice, and advocacy. Discussion of current public health and nutrition problems, existing programs and other resources, health literacy, role of environment, and marketing for improving the health of the population, as well as application through development of an educational intervention for the community. Transportation may be required. Cross-listed with HLED 280. Prerequisite: NUTR 200 or 241; or junior standing by credits with co-registration in NUTR 241 and consent. 3 semester credit hours. Engaged Learning.

NUTR 290 Selected Topics in Nutrition. Special topics adjusted to the needs of the students. Topics may be changed so that the course may be repeated for credit. Course repeatable. 1-3 semester credit hours. Course repeatable. Maximum number of units allowed is 18.

NUTR 295 Nutrition Teaching. Supervised teaching of nutrition in laboratories. Prerequisite: NUTR 245, 246, 298 or 391; Nutrition majors only. 1 semester credit hour. Engaged Learning. Department consent required. Course repeatable. Maximum number of units allowed is 9.

NUTR 298 Cultural Foods. An overview of the food habits of world cultures, including discussion of ways in which food, food production, food consumption and food rituals are associated with cultural norms, health and behaviors, social conventions, religious practices, and individual and group ways of living. Laboratory component provides exposure to traditional foods and food preparation techniques. Lab fee: $160.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
Prerequisite: NUTR 244 and NUTR 245; co-registration required in lecture and lab (NUTR 298 A and B). 2 semester credit hours.

**NUTR 300 Nutrition and Health Aspects of Disease.** Pathophysiology and symptoms of chronic disease, with a focus on associations with inadequate/excess nutrition. Topics include cardiovascular disease, hypertension, diabetes, obesity, disordered eating and malnutrition. Applications to clinical and community settings, as well as the pre-planning phase of health education program planning. Not for students accepted into the Dietetics concentration. (NOTE: cannot receive credit for both NUTR 300 and 371). Prerequisite: Grade of “C” or better in BIOL 155, BIOL 258, or BIOL 157 and 158. Grade of “C” or better in NUTR 200, 201, 231, or 241. 4 semester credit hours.

**NUTR 345 Science of Nutrition and Fitness.** The course examines the metabolic and physiologic basis for macronutrient and micronutrient recommendations during training, competition/performance, and recovery. Includes disease applications, recommendations for targeted educational interventions, and case studies. Prerequisite: BIOL 258, or BIOL 157 and 158; NUTR 251 or 315 or BCHM 261; and NUTR 200, 201 or 241. Online format only. 3 semester credit hours.

**NUTR362 Evaluation of Health Outcomes.** This course provides an overview of the skills and activities for evaluating health programs in an effective manner. Key topics focus on: selection of instruments/technology to manage data; the communication and application findings; and the assessment of impact on health policy. Prerequisites: NUTR or HLED 271; and PSYC 250. 3 semester credit hours.

**NUTR 363 Management of Health Initiatives.** This course addresses key concepts for effective management of health education activities. Key topics focus on the administration organizational structure and include facilitating partnerships, coordinating logistics, training staff/volunteers, monitoring resources, assessing technology needs, building relationships with partners/stakeholders, demonstrating strategic leadership, conducting quality assurance tasks, and engaging in purposeful advocacy. Prerequisite: NUTR or HLED 271. 3 semester credit hours.

**NUTR 364 Environmental Nutrition.** An evidence-based exploration of the food system’s interrelationships with public health, nutrition, the environment, equity and society. Topics concerning food production, global markets, labor practices, policy and politics, food manufacturing practices and marketing techniques will be examined. This course includes identification of areas of concern and challenges, discussion of policies, advocacy, and action opportunities, identification of personal opportunities for stewardship, and development of intervention strategies. Prerequisite: WRIT 101 and 102; and NUTR 200 or 201 or NUTR 231 or 241; or instructor permission. 3 semester credit hours. Sustainability.

**NUTR 366 Health Education Field Experience.** Students participate in a pre-determined community health project. Working as an individual or a small team, students take an active part in a community health education process: assessing a need, implementing a project, serving as a health or nutrition education resource for the project. Students will meet regularly with the instructor. Students will conduct a seminar detailing the project at the end of the semester. Prerequisites: HLED or NUTR 231 or 241, HLED or NUTR 271 and HLED or NUTR 280 HLED or NUTR 362 and credit or co-registration in HLED or NUTR 363. Off-campus sites. Transportation required. Liability fee $27.50. 3 semester credit hours. Engaged Learning. Department consent required.

**NUTR 369 Health Coaching Techniques and Lab.** This course introduces the health coaching principles and skills for health professionals. It provides a practical foundation about evidence-based coaching psychology. Participants will explore a driving question – How can one inspire others to take charge of their lives and make healthful behavior choices? The course addresses coaching relationship skills and presence; harnessing
motivation; identifying generative moments; conducting coaching sessions; and thriving as a coach. Prerequisites: NUTR 241, 271 and 280. 2 semester credit hours.

**NUTR 381 Behavioral and Social Aspects of Public Health.** Addresses behavioral and social factors and theories related to individual and population health. Prerequisite: Senior standing by credits, Nutrition major, 3.000 GPA, and consent of Department of Nutrition chairperson. Note: This course is a cross-listed public health course (MPH 601). It does not count toward science core, general education courses or Health Science major credit. 3 semester credit hours. Department consent required.

**NUTR 385 Cultural Context of Health.** Addresses cultural factors related to individual and population health and health disparities over the life course. Prerequisite: Senior standing by credits, Nutrition major, 3.000 GPA, and consent of Department of Nutrition chairperson. Note: This course is a cross-listed public health course (MPH 609). It does not count toward science core, general education courses or Health Science major credit. 3 semester credit hours. Department consent required.

**NUTR 390 Selected Topics.** Special topics in nutrition adjusted to the needs of the students. Topics may be changed so that the course may be repeated for credit. Prerequisite: Senior standing by credits, 3.000 GPA, Nutrition major, and refer to the course schedule (usually NUTR 200 or 241; NUTR 251 or 315 or BCHM 261; BIOL 258 or BIOL 157 and 158). If course is a graduate course cross-listed to NUTR, then completed application (including GRE) to the Master of Science in Nutrition and Wellness program must be submitted to Benedictine University. 1-3 semester credit hours. Department consent required. Course repeatable. Maximum number of units allowed 18.

**NUTR 392 Health Research and Professional Writing.** This course provides an overview of research methodology. Locate using current information technologies, interpret and evaluate professional health literature as a foundation to develop a professional manuscript and complete a journal critique. Prerequisite: Grade of “C” or better in WRIT 102. Credit or co-registration in BIOL 229 or PSYC 250. Credit or co-registration in NUTR 300, or 345, or 371, or 374, or 378, or 379. Cross-listed with HLED 392. 2 semester credit hours. Writing Intensive.

**NUTR 393 Health Assessment Lab.** Presents the theory and process of health assessment. Focuses on developing skills in physical screening including anthropometrics and other body composition indicators, biochemical indices, clinical symptomatology, examination of personal history and food intake, disease prevention strategies and health evaluations. Learning experiences include practice. Transportation may be required. Prerequisite: credit or co-registration in NUTR 300. 1 semester credit hour.

**NUTR 396 Specialized Nutrition and Health Practicum.** Supervised experience designed to meet the interest of an individual student. May be at off-campus sites. Transportation may be required. Prerequisite: 3.000 GPA; Nutrition majors only; additional course prerequisites are determined by nature of experience. Liability fee: $27.50. 2-3 semester credit hours. Engaged Learning. Department consent required. Course repeatable. Maximum number of units allowed is 18.

**Philosophy**

**PHIL 120 Greek Philosophy.** Introduces ancient Greek philosophical thought through the study of writings by Plato, Aristotle and select Pre-Socratic thinkers on a range of subjects (e.g., cosmology, physics, metaphysics, epistemology, rhetoric and ethics). Philosophical Mode of Inquiry (QPL). 3 semester credit hours. Philosophy Core elective.
PHIL 200 Introduction to Logic. What is the difference between a sound and an unsound argument? How can one tell the difference between good reasoning and bad? What sort of evidence should one accept for certain claims? As we pursue these questions, we will discuss and practice the fundamentals of both informal and formal logic. Philosophical Mode of Inquiry (QPL). 3 semester credit hours. Philosophy Core elective.

PHIL 245 General Ethics. Investigation of ethical concepts and theories and an analysis of the norms of ethical decision. Philosophical Mode of Inquiry (QPL). Writing Intensive. 3 semester credit hours. Philosophy Core elective.

PHIL 248 Environmental Ethics. Surveys recent philosophical discourse on the rights and responsibilities of human beings in respect of animals, plants, ecosystems and natural resources, devoting special attention to subjects such as climate change, species extinction, wilderness preservation, sustainability, consumerism, pollution, human population and poverty. Philosophical Mode of Inquiry (QPL). 3 semester credit hours. Philosophy Core elective. Sustainability.

PHIL 260 Social and Political Philosophy. Which forms of political organization are best? What makes a state or government legitimate? How are political goods such as peace, prosperity and liberty best understood and promoted? This course approaches these questions through the study of classic and contemporary works of political philosophy (e.g., by Plato, Thomas Aquinas, John Locke, etc.). Cross-listed with PHIL 360. Philosophical Mode of Inquiry (QPL). 3 semester credit hours. Philosophy Core elective.

Physics

PHYS 101 Physical Science. An introduction to the basic concepts of physics and scientific reasoning related to the experiences encountered in the everyday physical environment. For non-science majors. Prerequisite for PHYS 101: “C” or better in MATH 095. Physical-Scientific Mode of Inquiry (QPS). 3 semester credit hours. Physical Science Core elective.

PHYS 106 Astronomy. Examines astronomical phenomena and concepts including the solar system, stars, galaxies, planetary motion and the evolution of the universe. Physical-Scientific Mode of Inquiry (QPS). 3 semester credit hours. Physical Science Core elective.

Political Science

PLSC 101 Global Affairs. This course explores some of the major issues in contemporary world politics. The end of the Cold War and the demise of the bipolar superpower relationship has reverberated across all issues in international affairs. We will consider such international issues as military security, ethnicity and nationalism, the international economy, the environment, and regional issues. Each week’s readings present an overview of the topic for that week, discussing the changing nature and relevance of the issue in light of the momentous changes taking place in the “world order.” The final week will explore the role of the United States in this changing world. Social-Scientific II Mode of Inquiry (QPE)/ 3 semester credit hours. Global course.

PLSC 102 American Government. This course is an introduction to the institutions of the American government as well as the behavior of its political actors. Students will gain a solid understanding of the workings of democracy in the United States as well as the challenges it presents. There is NO emphasis on the Illinois Constitution in this course. PLSC 102 is no longer restricted to Political Science major and minors only. Social-Scientific II Mode of Inquiry (QPE). 3 semester credit hours. Political Science Core elective.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
PLSC 105 Law and Politics. An analysis of law, justice, rights, court procedures and legislation. The development of various concepts of law and individual and group rights. Credit will not be granted for both PLSC 105 and PLSC 205. Social-Scientific II Mode of Inquiry (QPE). 3 semester credit hours. Political Science Core elective.

PLSC 201 State and Local Government. This course examines the interrelationships between national, state, county and local governments across the United States. Students will learn about federalism as a part of the American democratic system. (Satisfies the Illinois Constitution requirement for teacher certification.) 3 semester credit hours.

PLSC 210 Introduction to International Relations. Analysis of the processes of interaction among nations and groups of nations within the international political system. 3 semester credit hours. Political Science Core elective.

PLSC 243 American Political Thought. Analyzes major American political theorists and the effects their thoughts have had on structuring our governmental institutions and shaping the political values and behavior of Americans. Prerequisite: PLSC 102, 105, 201, 205 or 210. 3 semester credit hours.

PLSC 251 Introduction to Public Policy. This course serves as an introduction to the policy-making process, covering the various institutions, actors, and procedures involved in getting an idea for solving a policy problem adopted into law and implemented. The themes discussed may be relevant at the local, state or national levels, and may include but are not limited to such matters as health, education, environmental and fiscal policy issues. Prerequisite: PLSC 102, 105, 201, 205 or 210. 3 semester credit hours.

PLSC 260 Politics and Film. A study of political themes as they appear in film and the use of film for political purposes. Specific topics vary. Prerequisite: PLSC 102, 105, 201, 205 or 210. 3 semester credit hours.

PLSC 330 US Constitutional Law I. A study of the Constitution as a living and changing document underlying our entire system of government; the role played by the judiciary in developing Constitutional law in the area of civil rights and liberties. Prerequisite: PLSC 102, 105, 205 or 210. 3 semester credit hours.

PLSC 391 Topics. A study of selected matter in the discipline of political science. Recent topics have included Politics of Western Europe, Politics of Soviet Union. Prospective topics may include Politics of Latin America, Politics of Southeast Asia, Politics of Sub-Saharan Africa, U.S.-Asian Relations, Politics of Policy change in America. Prerequisite: PLSC 102, 105, 201, 205 or 210. 3 semester credit hours. Course repeatable. Maximum number of units allowed is 12.

PLSC 397 Internship. Federal, state and local government institutions in the area serviced by the University offer opportunities for interested students to gain practical experience in governmental offices. Prerequisite: Sophomore, junior or senior standing. 1-12 semester credit hours. Department consent required. Course repeatable for a maximum of 12 semester units.

Psychology

PSYC 100 Survey of Psychology. Overview of the field; principles and general methodology; concepts, theories and research, applicability to modern living. Individuals, Organizations and Societies Mode of Inquiry (QIO) 3 semester credit hours. Psychology Core elective.

PSYC 195 Research Practicum. Participation in ongoing departmental research. 1-3 semester credit hours. Department consent required. Course repeatable. Maximum number of units allowed is 6.

The information contained on this page is from the 2017-2018 Mesa Branch Campus Undergraduate Catalog and is valid until August 1, 2018.
PSYC 200 Childhood and Adolescence. Behavioral and social analysis of human development from birth through adolescence. Prerequisite: PSYC 100. 3 semester credit hours.

PSYC 201 Growth and Development. A study of the physical, psychosocial and cognitive growth and development characteristics of the individual across the life span from before birth to death.
