6031	FNAR-GE142291-A	Topics:Stitch: Intro to Fiber Arts	3	W	6:00-9:00PM	CHANG		<p>This course will provide technical skills and an exploration of different mediums used in fiber arts, while reflecting on their own experiences related to mental health.</p> <p>This class invites students on a journey to rediscover their relationship with fibers in their individual lives while considering their own identity and life journey as a work of art. Techniques will be presented and explored through presentations, demonstrations, and reflection from the student.</p> <p>This class works to promote the positive aspects of creating personal art as a way to creatively process emotions and develop healthy coping skills using fiber mediums and techniques.</p> <p>By the end of this course, students will become familiar with the formal, conceptual, expressive, and political aspects of fiber.</p> <p>Course work will vary but typically includes the creation of technical samples, critique/participation, individual projects, exhibition.</p>	3/20/2023-5/14/2023 SL-110
