**Please complete the self assessment on the following page prior to submitting this form.**

**Please respond to the following statements on your knowledge of and experience in healthcare settings:**

	strongly agree	agree	disagree	strongly disagree
I have had enough concrete, personal experience in healthcare settings to convince others that I have a realistic understanding of my future profession.				
Through my experiences, I can demonstrate my readiness and ability to care for others from diverse backgrounds who have medical needs.				
I can confidently articulate my motivation for my chosen profession.				
I am confident that my recommendation writers can speak to my readiness and “fit” for my chosen profession.				

**Please respond to the following statements on your interpersonal competencies:**

	strongly agree	agree	disagree	strongly disagree
Through my academic, cocurricular, and work experiences, I have demonstrated my <b>service orientation and commitment to civic engagement</b> .				
Through my academic, cocurricular, and work experiences, I have demonstrated my respect for and ability to <b>work with individuals from backgrounds different from my own</b> .				
Through my academic, cocurricular, and work experiences, I have demonstrated my ability to <b>work collaboratively with others</b> toward shared goals.				
I am confident in my <b>oral communication</b> skills.				

**Please respond to the following statements on your overall candidacy:**

	strongly agree	agree	disagree	strongly disagree
I am confident that my candidacy is strong enough that I can reach my goals this application cycle.				
I am confident that I have the time to dedicate to preparing a strong application this spring and summer.				
I am open to taking another year to improve my candidacy prior to applying.
