

Accepting a Roommate Group Request

STEP 1

When you receive an incoming Roommate Group Request, you will see it on your Roommate Requests/Group Formation page under "Incoming Requests".

STEP 2

Click on Accept to accept this request. You also have the option to Decline the request.

STEP 3

Click on **Save & Continue** and that's it! You can return to this page to leave the group, if needed.

A screenshot of a web form for creating a roommate group. On the left is a blurred background image of a building. On the right, a white box contains the following text: "Age: 31", "Classification: Junior", "Gender: Male", and "Description: I want to listen to music with my roomr". Below this box is a red button with white text that says "Save & Continue". At the bottom of the page is a grey banner with the Benedictine University logo (a red 'B') and the text "Benedictine University Residence Life".

Age: 31
Classification: Junior
Gender: Male
Description: I want to listen to music with my roomr

Residence Life

STEP 4

Your completed roommate group will look like this:

A screenshot of a web page titled "Roommate Requests/Group Formation". The page shows a group named "BestGroupEver". At the top left is a "Leave This Group" button. On the right, there are three links: "Search for Roommates by Details", "Search for Roommates by Profiles", and "Suggest Roommates". Below these are two profile cards. The first card is for "Robert.569 (Group Leader)", with details: Age: 34, Classification: Junior, Gender: Male, and Description: "I like dogs and hiking! I study during the day and game at night. I want a roommate who likes to listen to music! Category: MAIN". It has "Send Message" and "View Profile" buttons. The second card is for "Mike.123", with details: Age: 31, Classification: Junior, Gender: Male, and Description: "I want to listen to music with my roommate and go to bed early at night. Category: MAIN". It has a "View Profile" button. At the bottom left is a red "Save & Continue" button.
