On your 2026-2027 FAFSA, you, your spouse (if applicable), and/or your parent/contributor(s) provided an amount under the "Grant/Scholarship/AmeriCorps Benefits reported as Income to the IRS", under the Student Financial Tax Information and/or Parent Financial Tax Information sections.

Amount of College Grants, Scholarships, or AmeriCorps Benefits Reported as Income to the IRS

Students typically answer this question with a zero because most scholarships and grants, including Federal Pell Grants, are not considered taxable income. If the student is married, include the amount their spouse reported. If the response is other than zero, the amount is typically not the same as the amount reported on IRS Form 1098-T (Box 5) or the adjusted gross income reported on the tax return.
